"And cover not Truth with Falsehood, not conceal the Truth when you know (what it is)."—(from the "Recitation" or Koran of Mohammed "Mustafa," sura 2, ayat 42 (2:42)

"And you shall know the Truth, and the Truth shall make you free." (John 8:32)—free from the Satanic enemies of the Truth and from their terrible lies, pretenses and slanders.

* * * * *

In a Manhattan news conference on June 2, 2007, NYC mayor Bloomberg's "Joint Terrorism Task Force" (JTTF) claimed to have foiled yet another NYC terrorist plot.

This "JTTF" is comprised of the imperial New York City police dept. (and therefore Cohen's C.I.A?), the F.B.I., and Bush II's brand-new "Homeland Security Agency." The "Port Authority" police were also involved in this case, as it involved John F. Kennedy (JFK) airport in Queens, NYC, over which they have "authority."

This came from the flagship station of "jewish-America's Central Broadcasting Company, WCBS TV, NYC, on Sunday, June 3, 2007, and with Scott Weinberger, reporting:

(CBS) [TV-Ed.] NEW YORK **Russell Defreitas**, a U.S. citizen native to Guyana and retired airport employee **was the mastermind behind a plot to destroy John F. Kennedy International Airport, kill thousands of people** and trigger an economic catastrophe **by blowing up a jet fuel artery that runs through populous residential neighborhoods, authorities said Saturday** [June 2, in a Manhattan news conference-Ed.].

....Jeanie Mamo, **a spokeswoman for the White House, said President Bush had been briefed and updated regularly as the investigation into the plot progressed.**

The arrests mark the latest in a series of alleged homegrown terrorism plots targeting high-profile American landmarks.

A year ago, seven men were arrested in what officials called the early stages of a plot to blow up the Sears Tower in Chicago and destroy FBI offices and other buildings.

A month later, authorities broke up a plot to bomb underwater New York City train tunnels to flood lower Manhattan.

And six people were arrested a month ago in an alleged plot to unleash a bloody rampage on Fort Dix in New Jersey.

....[NYC-Ed.] **Mayor Bloomberg** was [also-Ed.] briefed about the plot, [and-Ed.] issued this statement:

"The fact that plotters conspired to plan an attack on John F. Kennedy Airport is another reminder that in today's world we face constant threats from people who want to take away our freedoms and destroy our way of life. Working together, NYPD and other local and federal law enforcement agencies have been on top of this unfolding plot for months, and they deserve our thanks and praise. This plot was only in its planning stages and at no point was anyone in imminent danger. New Yorkers should be comforted that the layers of safety provided by counter terrorism officials stopped these individuals before they could do any harm to our way of life."

They can have the friggin' airport. Just give me back my constitution, my sacred liberties and my, God-given, "inalienable" rights, you communist-zionist "jew." For such as **these** constitute my **way** of life, although clearly not yours. And furthermore, I have no intention, nor did I ever agree, to trade in my constitutional liberties for your alleged protection from "terrorism" or anything else.

For how do I know you and your "Joint Terrorism Task Force" are not the terrorists here, there and "Uncle" Satan knows-where-else? How do we know it isn't you, your kind and your official underlings that we all need terrorist protection from? Who's going to investigate you and your investigators?

thehouseoftroy.com

And so how, dear readers, do you know this is not so: that you're alleged "protectors," "saviors," "liberators" and "shepherds" are not in fact ravenous wolves and your would-be tyrants in "anti-terrorist's" clothing?

Keep reading and find out, one way or the other. For your information is every bit as good as your source.

And now on to the truth behind Bloomberg's alleged international JFK terror-plot bust of June 2, 2007.

* * * * *

United States' Department of "Justice's" "Criminal Complaint" against Defreitas, etc. (June 2, 2007)

On to the United States' Department of "Justice" (Brooklyn branch-office) "complaint" then. It's entitled "UNITED STATES OF AMERICA against RUSSELL DEFREITAS, also known as "Mohammed," KAREEM IBRAHIM..., ABDUL KADIR and ABDEL NUR, Defendants."

But first a little biographic information from the New York Times on the FBI/JTTF's alleged "terror-plot" master mind": the unemployed 63-year old Russell ("Mohammed") Defreitas of Brooklyn, NY:

One friend of Mr. Defreitas express[ed] shock [at his friend's arrest for allegedly masterminding international terrorism-Ed.].... The friend, Trevor Watts, 65, [an auto mechanic -Ed.] described Mr. Defreitas as not a dangerous man.

"He's not that type of person," Mr. Watts said after learning of Mr. Defreitas's arrest. [And besides,-Ed.] **"He's not smart enough."**

Mr. Watts said he first met Mr Defreitas years ago, when both men lived on Albany Avenue in Brooklyn. Mr. Defreitas was working at Kennedy Airport at the time [i.e. from 1990 to 93-Ed.]. His brother helped him land the job there, filling out his job application for him because Mr. Defreitas had trouble reading, Mr. Watts said.

Mr. Defreitas had been divorced and lost touch with his two children, Mr. Watts said. After leaving his Albany Avenue apartment, he moved from place to place and was **homeless for a time**, his friend said.

Mr. Defreitas was always thinking of ways to make money, Mr. Watts said. He had been in a car accident, and he spoke to Mr. Watts of his hopes of getting rich by winning a lawsuit. **He sold books on a street corner in Queens** and would ask his friends to give him their broken air-conditioners and refrigerators. He shipped the items to his girlfriend's sister in Guyana so she could repair and sell them, his friend said.[?]

After coming home [to Brooklyn-Ed.] from a series of trips to Guyana, Mr. Defreitas started dressing in traditional Muslim clothes and referred to himself as Mohammed, said Mr. Watts, an auto mechanic.

.... He had previously embraced American culture, Mr. Watts, said, and liked a particularly American brand of music, jazz, especially the saxophone. [7]

* * * * *

Guyana, on the northern coast of South America, just south of the Caribbean islands of Trinidad and Tobago, is a former Dutch and British colony with a present population of 770,000, of which negro Mohammedans or black Muslims make up about 9%.

Trinidad and Tobago is a twin Caribbean island nation with a population of 1.3 million. About half are Negroes and the other half are east Indians. Trinidad is the largest supplier of liquid natural gas to the United States and the most industrialized nation in the Caribbean region, due in large measure to the natural gas boom.

(Guyana, Trinidad and Tobago)

* * * * *

And now let's go to the 33 page "criminal complaint" of the United States' Department of "Justice"—which was written and "sworn out" by Robert Addonizio, "a Detective/Investigator" in the Brooklyn federal district attorney's office "assigned to the Joint Terrorism Task Force ('JTTF') for approximately three years": (p. 5)

* * *

(Note: By intentional design or not, the pdf file USDo"J" "criminal complaint" is defective. You can't do searches. The "Find" and "Search" functions on the Edit menu don't work. And you can't "select" text to copy and paste elsewhere—such as for an essay or a newspaper article. And so unless you have a paper copy and can scan it, you are forced, like an old manuscript typesetter, to retype whatever excerpts you want to use.

And furthermore, the alleged "Text Version" of this USDo"J" "complaint" is also fraudulent. For there **is no** text, merely a blank document. So you can't use that to copy and paste either. (You can see for yourself at <http://www.usdoj.gov/usao/nye/pr/2007/Defreitas.complaint>)

* * *

At any rate, on p. 7 Addonizio thus describes their masked or unidentified JTTF "informant"/agent provocateur(?), herein called their "Source":

The government has been working with the Source since 2004. The Source was convicted on federal drug trafficking and RICO ["Corrupt Organizations"—Ed.] charges in the southern district of New York in 1996. The Source was also convicted on drug trafficking charges in New York Supreme Court in 2003. **His sentence** [or punishment—Ed.] in that case **is pending** [or suspended (over his head)—Ed.] **as part of** [i.e. in exchange for—Ed.] **his cooperation agreement with the government. In addition to the expectation of a reduced sentence in exchange for his cooperation, the Source also receives financial assistance** [i.e. money, pay, shelter and a car—Ed.]. The Source has provided extremely credible information what has been corroborated by consensual recordings, e-mails, financial documents, surveillance and other records and information. [page 7, footnote 2]

Let's see how "extremely credible" (or not) this particular USDo"J" source is.

And the foreign target of this JTTF "investigation" is described thus (in footnote 3 on pgs 12 & 13):

Jamaat al Muslimeen ("JAM") is a [black/negro Mohammedan or—Ed.] Muslim organization based in Trinidad. **Over a six day period in 1990, approximately 100 members of JAM staged a coup attempt in Trinidad, storming the Trinidad Parliament building and taking the Prime Minister and Cabinet hostage.** The siege led to chaos and widespread rioting in the streets of Port of Spain, Trinidad, resulting in numerous deaths. [But this was not JAM's doing, for negroes almost always riot when they see an opportunity, don't they? Witness New Orleans; witness Haiti.—Ed.] **The JAM members involved in the coup attempt received general amnesty to end the**

hostage standoff. Over the past several years, JAM has been involved in several murders, kidnappings for ransom, narcotics and weapons trafficking, money laundering and extortion.

* * * * *

(Note: I don't know if that last accusation is true, or merely more "jewish" slander, but many many negroes claim to be Mohammedans, and are not. Their claims are false and pretentious. For they do not follow Mohammed's instructions/commands, as set out in his book, the "Recitation" or "Koran."

The "Nation of Islam" e.g. comes to mind. They claim and preach e.g. that people like me (i.e. Europeans) were created in a laboratory by a evil scientist. Needless to say, this is not in the Koran.

(And why couldn't he have been a "good" scientist, instead of an evil one? Because I'm not?—or because all fruit is and must be of its (genetic) tree?)

And furthermore, from wikipedia.org: "Nation of Islam: Beliefs and theology":

The main belief of The Nation of Islam and its followers is that there is no God but Allah. [So far, so "good."—Ed.] However, they redefine "Allah" by saying "who came in the person of W. D. Fard." Fard was the Moorish Temple representative who founded the Nation of Islam that was then adopted by Elijah Muhammad. Their teachings are heretical by traditional Islamic standards which abhor the deification of any person, or the anthropomorphization of God.

And that's why Mohammedans can never accept Jesus-God: because (in their mythology) God can never be a man.

I was once politely told by a group of Mohammedans inside one of the many Atlantic Ave. (Brooklyn) Mohammedan bookstores—(wherein Abdullah Yusuf Ali's English translation (and most helpful historical or contextual explanation) of the Koran predominates)—that Jesus never even said He was the **son** of God. But I knew better, and politely said so.

And I'm afraid (or rather glad) Jesus-God said much more than that—to any with ears to hear and eyes to see (or read)—and even to the spiritually deaf and blind. And furthermore, I don't doubt Him one bit, jot nor tittle. (See e.g. Why the Father and the Son are Really, Truly One. It's free for the taking/downloading from thehouseoftroy.com)

The Brooklyn Mohammedans were referring to Koran 5:119-22 & 3:55-56, wherein these things are indeed said (by Mohammed, but not by Jesus-God). In fact, Mohammed presumes to place words in Jesus' mouth.

And so, regardless of what you may think of Mohammed and his book—(whether good, bad or mediocre; inspired, pretentious or blasphemous)—many negroes (and others) claim to be his faithful followers, but are decidedly not.

And this misuse or abuse of a religious founder's name is not, of course, peculiar to Mohammedanism—or as they prefer, "Islam." (See e.g. Mosesism and Christianity; Deut. 9:24 & 31:27; Matt. 24:4-5 & Mark 13:5-6)

* * * * *

On pgs 7 & 8, paragraph 6, and "on or about **July 13, 2006**," the FBI/JTTF spy/agent provocateur(?) is introduced to Defreitas by an unidentified third individual—(apparently also working for the FBI/JTTF)—who knew Defreitas from years before. We are not told how or from where. But Defreitas said "it had been a long time since he had seen **them**," and that "he was sure that he knew the Source from mosque in Brooklyn."

But this is doubtful. For if that were true, he wouldn't have needed an introduction, would he? So maybe the FBI/JTTF spy/agent provocateur(?) and/or his unidentified introducer put that idea into Defreitas' highly-suggestible (and hence misleadable) head. And maybe Defreitas knew the **introducer** from a (Brooklyn?) mosque—an Atlantic Avenue, Brooklyn mosque, perhaps? And is this where this malevolent introduction took place?

I assume that both these unidentified men are black or negro.

And Addonizio writes of six other unidentified individuals: "A" through "F." This is extremely murky, foggy-bottom, cloak-and-dagger stuff.

"A" is describes only as a "citizen of Guyana." (page 9, paragraph 9; i.e. 9:9)

We are not told how Defreitas knew "A." But he is far more than a "citizen of Guyana." For he is the expositor or presenter of the JFK terror plot to all the black Mohammedan folks down there in the Caribbean. And "A" is the one who introduces the FBI/JTTF spy/agent provocateur(?) to Guyanese businessman "E" "on or about September 29, 2006". (11:14) "E" is an "associate" of defendant Abdel Nur. (14:19) And so Defreitas meets "E" and Nur through "A."

This is important because Addonizio, Bloomberg's JTTF and the USDo"J" all claim that they did not start or provoke but rather entered an **ongoing** international terror plot of one Russell Defreitas which had begun "in or about" January 2006. (p.1) But here we see Defreitas was not even introduced to fellow defendant Abdel Nur until after **September** 2006, and by an apparent Guyanese secret policeman and terror-plot originator/provocateur called "A."

And Defreitas does not even meet his two other defendants, Kadir and Ibrahim, until **after** this time, "on or about **February 19, 2007**" (21:36)—when he is similarly introduced to Kadir (through whom he meets Ibrahim) via another very shadowy and slippery "individual" named "F".

At any rate, on October 10, 2006, "A" "informs" "E" (who had/has an unidentified business in Georgetown, Guyana (11:15), and who was close to the unidentified leader of JAM (12:16)—the international secret-police, terror-plot target...

...about the details of the terrorist attack that they [i.e. "A," the FBI/JTTF spy/agent provocateur(?), Defreitas and "C"—Ed.] had planned. **Individual A explained that the plan involved exploding the fuel line that fed fuel to JFK airport. Individual A stated that the fuel line was one of the largest in the United States, and that exploding it would cause greater destruction than the September 11th [2001—Ed.] attacks.** [13:17]

Businessman "E" initially agrees, and even plans to send his "associate," Abdel Nur, to JAM (14:19 & 16:25)—(the apparent target of this "joint" Guyanese, Trinidadian and American secret-police terror-plot). But afterwards "E" backs out after smelling a secret police rat, plot and trap.(21:34)

The suspected rat is identified by Addonizio as "C" (21:34)—of whom no identifying details are given by Addonizio in his non-introduction of 11:13.

But if truly so, he's surely not the only one. There's "A" and the FBI/JTTF spy/agent provocateur(?). And again "A" had earlier introduced "E" to the FBI/JTTF spy/agent provocateur(?). (11:13)

On or about January 22, 2007, the [FBI/JTTF—Ed.] Source met with Individual E and discussed how Individual E could obtain explosives for the plot. Over the next several days, Individual E and Individual A [?] became increasingly suspicious that Individual C was a spy for the Guyanese government. Individual A [a definite gov't spy/agent provocateur(?)—Ed.] told the Source the he (Individual A) would not travel to Trinidad [to try to involve or entrap JAM into their common secret-police terror-plot?—Ed.] because of these suspicions.

[Not because "**A**" had these "suspicions," mind you, but because "**E**" did. Are these ("A" and the FBI/JTTF "Source") not two gov't spies/agents provocateur secretly talking "shop"?—Ed.]

Then, on or about February 13, 2007, Individual E, DEFREITAS and the Source engaged in a heated argument, in part [?] because the Source had removed the JFK [surveillance—Ed.] video [not-so-secretly shot by Defreitas and the FBI/JTTF spy with an

FBI/JTTF camera (19:31 & 20:32), and from a FBI/JTTF car, fully equipped (unknown to Defreitas) with secret audio and video recording devices (15:22)—Ed.] from Individual E's computer.

[OK, so what was the other "part"?—the other reason(s)? Did "E" also suspect this FBI/JTTF "Source"? And why not "A" too?—Ed.]

Individual E initially said that he wanted to delay the plot for a few months so that he could focus on his [Georgetown—Ed.] business, and then stated that the [sic] [i.e. he—Ed.] wanted to cut off his involvement altogether. [21:34]

And JAM friends or associates, Kareem, Nur and Ibrahim, later do the very same thing. Is this some kind of JAM delay tactic?—to buy time to investigate or check out the "sources" and proposers or presenters of this terror plot?

At any rate they ("A," the FBI/JTTF spy/agent provocateur(?) and Defreitas) are ultimately prevented by JAM from personally making their presentation to the unidentified JAM leader—whose name, by the way, and found from other sources, is "Iman" (or Mohammedan priest) Yasin Abu Bakr. And he was once a Trinidad policeman.

And was this not precisely why the FBI/JTTF immediately stopped this "investigation" of theirs?—charging Defreitas and the three JAM associates: Kadir, Nur and Ibhamim?

And for what: Declining to fall into their secret-police terror-plot trap? Or merely for allegedly considering it?

* * *

Unanswered Questions: How did Defreitas know "A"?—whom Defreitas unwittingly "introduces" to the FBI/JTTF spy/agent provocateur—as if they didn't already secretly know one another? (9:9)

And if not "A," then who, according to Defreitas (and Addonizio), "vouched" for the FBI/JTTF spy/agent provocateur? (9:9)

Again, was it "A"? Or was it "C," secretly working with "A" and the FBI/JTTF spy/agent provocateur?

At any rate, and meanwhile back in Brooklyn:

On or about August 2, 2006, the [FBI/JTTF—Ed.] Source met DEFREITAS [and drove him around in his FBI/JTTF car (as in 9:10)—Ed.].... **DEFREITAS said that someone unknown to the Source had vouched for the Source; he did not identify the individual, but said that the Source had [apparently unknowingly—Ed.] done something for him.** [Does that make sense? It apparently did to Defreitas, who's apparently not too bright.—Ed.] DEFREITAS then invited the Source to meet [or rather join—Ed.] him in Guyana for Ramadan [the Mohammedan Lent or month of fasting and prayer—Ed.]. In the Source's presence, DEFREITAS placed a telephone call to Guyana and spoke with **another** [?] individual ("Individual A"). [As in "other" than the "individual" who had "vouched" for this FBI/JTTF spy/agent provocateur(?)—Ed.] **Individual A is a citizen of Guyana.** DEFREITAS handed the phone to the Source, and the Source and Individual A exchanged greetings [just as if they did not know one another and had never met?—Ed.]. After the call, DEFREITAS said that Individual A was very knowledgeable and urged the Source to stay in contact with Individual A. **DEFREITAS told the Source that he (the Source) was [according to "A"?—the man who had "vouched" for him?—Ed.] "the right man for the job," but did not further explain.** (9:9)

Until 6 days later when Defreitas told the FBI/JTTF spy/agent provocateur(?) that "they [i.e. he and his black Caribbean "brothers"—Ed.] had been searching for someone in New York that they could trust to be part of the operation, and that the Source had been sent by Allah to be the one." (10:11)

[Why would that be necessary?—since, as Defreitas allegedly said, “members of the cell [of black Mohammedans from Guyana and Trinidad—Ed.] would come to JFK by aircraft, ‘do what they have to do and get out.’” (10:11)

And note how Defreitas mistakes Bloomberg and his “Joint Terrorism Task Force”—(the senders of their secret “Source”)—as God or Allah. Oops!—Ed.]

And Defreitas, this FBI/JTTF-alleged terror-plot mastermind, further states to the FBI spy that he “**did not know the specific details**” of this alleged JFK “operation.” (10:11)

Question: How could an alleged terror-plot mastermind not know the details of his very own plot?—unless it **wasn't** his plot? And if not his, then whose? JAM's or the secret-police's? Obviously the latter, **since** after failing to get to JAM via “E,” try again via someone else.

And yet, according to Addonizio's “complaint,” Defreitas was, all the time, the terrible mastermind. (18:29):

...**DEFREITAS** also **described how he had been waiting several years for the right opportunity to execute his** [JFK terror—Ed.] **plans. According to DEFREITAS, he had been considering this “from the time I worked in the airport [1990-93—Ed.], before terrorism started in this country...”** [in 1993, with the FBI's 1st bombing of NYC's World Trade Center. (And so there's an original thinker, for you.)—Ed.] **DEFREITAS boasted that he had been taught to make bombs in Guyana.** DEFREITAS further explained what when he worked at the airport:

these things used to come into my brain—well, I could blow this place up. When I was [] [sic] I could make a bomb. I could knock this place [] I ain't getting' nothin' for it. [?] So I would just wipe it out my head. And then I would go someplace again, and I would see the same thing.[What? More rockets for “Israel”?—Ed.] And I would sit and see a plane taxing up the runway. And I would say, if I could get a rocket, then I could do a hit. **By myself** [without any secret-police help?—Ed.], **I am thinking these things. But I had no connection with no Arabs or nobody—I'm a Muslim working in the airport for so many years.[?] I'm not [] [What? Stupid? Cave man stupid?—Ed.], but very knowledgeable. But nobody ever approached me.** (18:29)

Until “Allah”, or rather ant-Christ's Amerika's “Uncle Satan,” sent Its FBI/JTTF spy/agent provocateur?

Two things: Defreitas worked at JFK from 1990 to 1993, according to his former employer, the Port Authority of New York and New Jersey. And Defreitas was definitely **not** a “Muslim” at that time, according to his old friend, Mr. Watts. He was a jazz cat. (See above.)

And so it looks like Addonizio is correct here: Defreitas is merely “boasting.”

And yet the USDo”J” seize on this in proclaiming, in their June 2, 2007 “press release” (below) that, “An informant working with law enforcement agents **began monitoring the plot at its early stages...**”, and therefore did not help **create** or **originate** the plot. But is this true?

And editing is everything. What, if anything, did the FBI/JTTF spy/agent provocateur say or do to Defreitas to make him say these self-incriminating things above? (Remember, Defreitas didn't know he was secretly being recorded by the FBI/JTTF.) And who, if anyone, in the FBI/JTTF, instructed this “informant”/agent provocateur(?) of theirs to try to provoke or elicit such false statements from Defreitas? And why?—if not to be able to later make and support such false claims (about their “terrible” bomb-making mastermind from Brooklyn) as to be found here in this USDo “J” “criminal complaint,” and in their “press release” below?

And furthermore, according to the plot of Addonizio's “complaint” (7:5), it was “in and about and between **January 2006** and the present...” that these alleged JFK plotters plotted. Whereas, as we read above, it was not until **July 2006** that some unidentified 3rd person

introduced their FBI/JTTF spy/agent provocateur(?) to this alleged terror mastermind from Brooklyn—Russell (“Mohammed”) Defreitas.

And yet, as we read above, it wasn't until **after** this FBI/JTTF spy/agent provocateur(?) made contact with Defreitas that “terrible” things started happening.

Coincidence? I don't think so.

But to be sure, let's ask mayor Bloomberg or his Gentile front-man, police commissioner Ray (“Popeye”) Kelly, his ex-CIA agent and spy-chief Cohen, and their “Joint Terrorism Task Force.” For surely “jews” and their loyal and faithful Gentile suckers cannot possibly tell lies. Right? Or else it is a “crime” for any Gentile to publicly point them out.

But I'm sure that Addonizio and/or his FBI/JTTF “sources” (and Bloomberg) are lying here, to hide the fact that this is **their** terror-plot, concocted and executed by **them** to terrorize New Yorkers, Americans and the entire Gentile globe into psychologically and politically surrendering to them and their kind as their most unkind protectors from allegedly Gentile terror, terrorism, and terrorists. But nothing could be further from the truth. For the terror here (and there) is obviously “jewish.”

They want us to think that this was all Defreitas from beginning to end, from conception to attempted execution, and that he was a bomb maker from way back. But methinks these are official United States' liars telling their pack of lies and slanders. And this is nothing new for the likes of them, but rather something very old, characteristic, “jewish” and Satanic.

* * * * *

And so, immediately after the secret-police terror-plot fails to get to JAM via “E” (21:34), they try Kadir. Enter “Individual F,” stage left. (21:35)

And why? Because this is what the joint secret-policemen of Guyana, Trinidad and anti-Christ Amerika wanted?

Hell no! It was that most terrible mastermind from Brooklyn! He did it! He did it all!—from start to finish—if we can believe Addonizio and his FBI/JTTF “sources.”

So can we?

Hell no! They lie and slander like their father the Devil, Slanderer and Murderer. (John 8:44) For “like father, like son(s).”

Individual E initially said that he wanted to delay the plot for a few months so that he could focus on his [Georgetown–Ed.] business, and then stated that the [sic] [i.e. he–Ed.] wanted to cut off his involvement altogether. (21:34)

[This was February 13, 2007. (21:34)–Ed.]

DEFREITAS told the [FBI/JTTF–Ed.] Source that he was determined to get to Trinidad and present the JFK plot [the “specific details” of which he did not even know (10:11)–Ed.] **to the JAM leader. DEFREITAS then contacted several associates in Guyana** [Is the USDo”J” referring to the Guyanese association of refrigerator and air-conditioning repairmen and re-sellers? (See Mr. Watts above.)–Ed.], **including** a person identified herein as **Individual F, a citizen of Guyana.** [Like “A” and “C”–Ed.] (21:35)

[And so this “F” is thus presented by the USDo”J” as someone whom Defreitas knew. Is this true? If so, how and when did they meet? And where did they know each other from?–Ed.]

...**Individual F identified two associates** whom he thought might be interested in the plot. The first was **the defendant ABDUL KAMIR**, a citizen a Guyana, who...was a member of the Guyanese Parliament, the former mayor of Linden and an imam [Mohammedan priest–Ed.]. According to Individual F [and the rest of Guyana's secret police?–Ed.] KADIR had connections with militants in the Middle East and South America. (21:36)

[But certainly not Trinidad?—the home of the political target of this “joint” secret police terror-plot?

And Addonizio does not identify “F’s” other “associate” “whom he thought might be interested in the plot.” But may we safely assume he too had contacts in JAM?—the apparent target of this tri-lateral secret-police terror-plot?—Ed.]

On or about February 19, 2007 [i.e. less than a week after “A” smelled a secret-police rat (and hence a terror-plot-sting) and backed out-Ed.], DEFREITAS [this alleged international mastermind of international “terror-plots”—Ed.], Individual F and the [FBI/JTTF—Ed.] Source traveled to Linden, Guyana [without fellow secret policemen and terror-plotters “A” and “C,” who have thus been replaced by “F”?—Ed.], to meet with KADIR.... They loaded the [CD/DVD?—Ed.] JFK video on KADIR’s computer and played it for him. **KADIR expressed interest**, saying that he needed a few weeks to contact some associates who would probably help them. (21:37)

[And to think: None of this would have ever happened if it wasn’t for the terribly dogged “determination” of one Russell (“Mohammed”) Defreitas of Brooklyn, NY?—Ed.]

...With respect to the JFK plot, **KADIR informed DEFREITAS and the [FBI/JTTF—Ed.] Source that his associates had their own rules of engagement and wanted to minimize the killing of innocents, such as women and children. KADIR proposed conducting the operation in the early morning hours, to minimize the killing of innocent people. He said that the damage should be economic in nature.**(23:38)

Does this not mean that the Defreitas and/or F.B.I./JTTF plan had very **different** rules of engagement, and wanted to **maximize** the killing of innocents? The fantasy about blowing up all the fuel-pipeline neighborhoods from JFK, Queens to Linden, New Jersey, would suggest so. But was this really Defreitas’ idea? Or Bloomberg’s JTTF’s?

“Rules of engagement” means rules of warfare, the rules of “engaging” or fighting the enemy. And the Americans don’t have, keep or obey any such limiting “rules of engagement.” I.E. they deliberately and genocidally mass-murder as many unarmed men, women and children as their “shocking and awesome” “weapons of mass-destruction and mass-murder” can possibly massacre for them. And if you think I’m lying or exaggerating, then see On Recognizing (Demonic) Terrorists (through their Slanderous Masks): “Allied” Terror-Bombing during W.W. II.

If only the as-yet-unidentified, uncaught (and hence unpunished) perpetrators of “9/11/2001” were half as thoughtful, kind, considerate, compassionate and humane as these alleged terrorists. You know? But then that’s the whole point of “terrorism,” isn’t it: To terrify! To kill, kill and kill in the most horrible and terrifying way imaginable: To psychologically petrify and cripple all opposition and potential opposition—like e.g. within all those poor, tortured bodies and souls within all those CIA and US military jails. You know?

DEFREITAS told KADIR about **their** desire to travel to Trinidad to present the plan to the JAM leader. DEFREITAS said the defendant ABDEL NUR would travel with them and made the introduction. KADIR said that he (KADIR) had introduced NUR to the JAM leader and that NUR was the right person to make the introduction. (23:39)

[“E” evidently thought so too. (See above.) But you’d think that “E” or this Nur would have warned Kadir. You know?

And here the Americans almost ruin their own international terror-plot?—Ed.]

DEFREITAS and the [FBI/JTTF—Ed.] Source returned to New York on or about February 28, 2007. The flight landed at JFK. United States Customs and Border Patrol (“CBP”) officers conducted a border search of DEFREITAS and his belongings. [And therefore **not** of the FBI/JTTF’s spy/agent provocateur(?) and his belongings.—Ed.] The officers found and copied , among other items, DEFREITAS’S phone book containing the names and telephone number[s] of KADIR, Individual E and Individual A. (23:40)

And so Defreitas naturally thinks the United States gov't knows about "his" JFK plot. And so he tells Kadir and the FBI/JTTF spy/agent provocateur(?) of his suspicions.

And not only that, but "DEFREITAS reminded KADIR that they [Defreitas and the FBI spy-Ed.] had been harassed at the airport by Guyanese officials who had questioned why they were traveling back and forth to Guyana so often." (26:46) (This is Addonizio's first mention of this.)

And although contradicted by the preceding paragraph (25:44), wherein the FBI/JTTF spy/agent provocateur(?) wanted Nur and not Kadir to introduce them to JAM, the international secret-police evidently want(ed) to involve, entrap, implicate or incriminate Kadir more than Nur.

While the [FBI/JTTF-Ed.] Source suggested ["in early April 2007"-Ed.] that ABEL NUR accompany them to make the introduction to the JAM leader, DEFREITAS told the [FBI/JTTF-Ed.] Source that they should instead...have KADIR make the introduction to the JAM leader. (25:44)

And yet, shortly thereafter...

...the [FBI/JTTF-Ed.] Source reminded KADIR ["on or about April 14, 2007," and by phone-Ed.] that he [Kadir-Ed.] had previously told them the ABEL NUR would be able to contact "the [JAM-Ed.] gentleman" in Trinidad.... The [FBI/JTTF-Ed.] Source stated that **they** had doubts about NUR's character and reputation [Why? Because Nur warned Kadir (and perhaps also JAM) about "E's" suspicions that this was a secret police-plot?-Ed.], and asked KADIR whether he (KADIR) would make the introduction to the "gentleman." ...The trip to Trinidad was scheduled from May 20 to May 24, 2007. (26:45)

This was one short week before this USDo"J" "complaint" and secret arrest order ("warrant") against Defreitas, Kadir, Nur and Ibrahim.

And why? Because this JAM meeting never happened. It was called off by JAM. JAM didn't take the secret-police bait. They declined to meet with them.

And Kadir declines to go with Defreitas and the FBI/JTTF spy/agent provocateur(?) to Trinidad, citing evidently more important business at home. (28:50) Kadir tells them that Nur will make their introduction to the JAM leader. (29:51) His name, again, is Yasin Abu Bakr.

And Kadir thus is quoted verbatim—(evidently he was secretly recorded by the FBI/JTTF spy/agent provocateur(?):

Right now in Trinidad, with [the JAM leader]. Is **hot**, with respect to **national security, and the international security**. Because I think there was some problem. Some problem with the [Trinidad gov't, prime minister and/or parliament??-Ed.] and what not. [] [(?) The Trinidad gov't—who, as we know from the 1990 coup attempt, certainly has a motive to try to destroy their "disloyal opposition," JAM-Ed.] **has been acting up as late. And they have him under serious surveillance. Very, very, strong surveillance. Even** to the point of the **international**, because they see he has links with Mohamar Qadafi [of Libya, who once offered one BILLION (with a "B") American dollars to the aforementioned black/negro "Nation of Islam." I think the U.S. gov't forbade it. And so the money transfer never happened.-Ed.] And so the international people and the local police. **Everybody is zooming in on him.** [And surely this joint international (American, Guyanese and Trinidadian) secret-police terror-sting is proof of that. And Manning, the prime minister of Trinidad and Tobago, is quoted below by the AP as saying "that his government will continue to support the United States 'in its indomitable determination to stamp out acts of terrorism wherever they occur.'" And so

here we see a tripartite secret-police terror-plot against JAM.—Ed.] **So I don't know if he'll be available, because of that.** [He wasn't.—Ed.] But the brothers are going to try to see what can happen—if they can hook you up to meet him. [They couldn't.—Ed.]

The FBI/JTTF spy/agent provocateur(?) evidently wants to take Nur out of the picture altogether—and for good reason, from his perspective. But Kadir will not hear of it. Nur must make the JAM introduction, if it is to be made at all. (29:51)

So Defreitas and the FBI/JTTF spy/agent provocateur(?) traveled to Trinidad from Guyana on May 20, with Nur in a separate flight. (30:52) Defreitas and the FBI/JTTF spy/agent provocateur(?) were housed in the home of defendant Kareen Ibham, a citizen of Trinidad and friend of Kadir. (30:52)

On May 22, Defreitas and the FBI/JTTF spy/agent provocateur(?) go to the JAM compound, wherein they are informed by Nur—who, as the FBI/JTTF spy/agent provocateur(?) surely knows or suspects, has warned the JAM leader that this may very well be a secret-police terror-plot). And Nur frankly tells them they must come back a few days, because the JAM leader, Yasin Abu Bakr, wanted to “do some ‘checks’ on DEFREITAS and the Source before any meeting.” (30:54)

So Nur, Defreitas and the FBI/JTTF spy/agent provocateur(?) go to the house of their Trinidad host, fellow-defendant Kareen Ibham.

(And so all ye bed and breakfast folks, beware!)

And back in Ibrahim's home, on May 23, Defreitas and the FBI/JTTF spy/agent provocateur(?) implicate their host (and NUR) by presenting their JFK plot materials to him—their JFK video and googleearth images—materials which Kadir had expressly directed them to discard in Guyana and not take with them into Trinidad. (31:55)

And in their host's home,

... **DEFREITAS** explained they intended to present the [JFK—Ed.] plan to the JAM leader, but **had concerns about their safety.**

[(?) From JAM? Why? Why would JAM wish them harm unless they believed they were gov't agents secretly trying to “present” them with a gov't terror-plot? Some “present” huh? (Talk about Greeks bearing gifts.)

And why would “E,” Nur, Kareem or Ibham think such a thing? For surely there's no expressed evidence for it—as presented by the USDo“J”.—Ed.]

KAREEM [Ibrahim—Ed.] **advised against presenting the plan to the JAM leader** [Why? Because Ibrahim also believed they were gov't spies/agents provocateur? And because the gov'ts involved could use this very “presentation” as “proof” of JAM's guilt in a terrible conspiracy against NYC, USA & JFK?—Ed.], **and instead said that he (KAREEM) would present the plan to contacts overseas who might be interesting in purchasing [?] or funding it. KAREEM** [Ibrahim—Ed.] **instructed DEFREITAS, NUR and the [FBI/JTTF—Ed.] Source to leave the JFK video and Google images with him** [Ibrahim; which incriminating materials Kadir had also expressly instructed or forbidden them to take to Trinidad (29:51), as Ibrahim and Nur undoubtedly knew—Ed.] **so that, if his contacts overseas were interested, he would have the items available to show them. KAREEM stated that** [he—Ed.] **would keep them in a safe place in Tobago. DEFREITAS agreed.** (31:56)

And note how the FBI/JTTF spy/agent provocateur(?) had absolutely no say in this matter, being a mere satellite to this international terrorist, Russell (“Mohammed”) Defreitas—according to Addonizio and his FBI/JTTF sources.

It seems to me that Ibrahim wanted (and was perhaps instructed) to use this very ruse to get these incriminating materials out of their hands a.s.a.p., so they could not be “caught” with them by the Trinidad (or Guyanese) secret police, and thereby incriminate JAM and these three JAM acquaintances or associates: Kadir, Ibrahim and Nur. For for all they knew, this

might have been the secret police intention or plot. And methinks Kadir must have been alarmed when he learned (from Nur and Ibrahim) that Defreitas and the FBI/JTTF spy/agent provocateur(?) did not follow his explicit instructions or directions **not** to travel to Trinidad with their spy materials.

And here are Kadir's explicit instructions to Defreitas and the FBI/JTTF spy/agent provocateur(?)—as secretly recorded by the latter:

The other thing too, **when you're traveling** [from Guyana to Trinidad to see JAM-Ed.], **do not walk with anything that can implicate you. Remember the copies that you had?** [of their JFK videos and googleearth satellite photos-Ed.] **It will be advisable not to walk with that, just in case they decide to search you in Trinidad. Because if they search you and they find that, you** [will-Ed.] **have to explain what you're doing with that.** And that [googleearth satellite photos-Ed.] can always be picked up from the internet... **Just in case they** [Trinidad customs officials-Ed.] **want to search, you don't want no implications. None, none, none whatsoever.**

[Kadir clearly doesn't, but what about the U.S. Guyanese and Trinidad gov'ts? Surely such "evidence" could be used against their common target, JAM. And the movements and doings of Defreitas in Trinidad could be traced right back to JAM's door jamb, and JAM would then be in a secret-police jam and/or pickle jar.

And so is this not precisely why Ibrahim insisted that Defreitas and the FBI/JTTF spy/agent provocateur(?) leave the evidence with him?—even though he entices or distracts them from the truth with his alleged "overseas contacts" and/or with their money to "purchase" or "fund" their plan?

Ibrahim is a small fry. ("Throw back the little ones./ And pan fry the big ones./ Use tact, poise and reason/ and gently squeeze them"—Steely Dan) He has no "overseas contacts." I doubt if Mohamar (or whoever) would even take his call—or mine, for that matter—although I could surely use the money. (Heck, forget the billion, I'd settle for half a million. Whatdaya say?)—Ed.]

So it's better to discard that. And anytime you want that, you know the web page, [googleearth.com, net or org-Ed.], you can go to the web page and get it directly. (29:51)

And continuing from 31:56 above:

On or about May 24, 2007 [again, a mere week before this "criminal complaint" was secretly signed by a judge and publicized by the USDo"J" on June 1 and 2 respectively-Ed.], DEFREITAS, KAREEM and the [FBI/JTTF-Ed.] Source called KADIR. **DEFREITAS advised KADIR that KAREEM was aware of the JFK plot and was going to present it to his** ["overseas"-Ed.] **contacts. They asked KADIR whether any money received for the plans could be maintained in KADIR'S foundation in** [his home town of-Ed.] **Linden, Guyana. KADIR agreed.** KAREEM, DEFREITAS, NUR and the [FBI/JTTF-Ed.] Source devised a code system for future communications. (32:57)

[May I suggest, secret police "Operation fish got away" or "No take a da bait"-Ed.] **DEFREITAS and the** [FBI/JTTF-Ed.] **Source returned to New York on or about May 26, 2007.** During a consensually recorded phone call [by this confusing phrase, used throughout his "complaint," Addonizio simply means that the FBI spy/agent provocateur(?) knew the FBI/JTTF were secretly recording him and his/their espionage victims.-Ed.] **on or about May 26, 27, KAREEM said that the plan was moving forward, and that he was sending one of his associates as an emissary to present the plan. He explained that the individual would travel overseas to present the plan. DEFREITAS stated that he was happy to see that the plan was moving forward.** (32:58)

[But apparently not the secret police. Either they didn't believe Ibrahim, as I don't, or they were simply not interested in his "overseas contacts," as they and their fellow secret terror-plot conspirators in Guyana (and also Trinidad?) had failed in their secret police mission and "joint terrorism task"—to get JAM.

And so, when it's in the USDO"J's" evil and deceitful interests, they pretend to believe what is probably false (Ibrahim's ruse) and certainly false (Defreitas' "boastings" above). And so, according to the deceitful and untrustworthy USDO"J," the probable and certain lies of their secret-terror targets are certainly not lies, just as USDO"J's" own lies and slanders are certainly not lies—but rather the gospel truth, if we can believe them. And we cannot. For "no one believes a liar, even when he tells the truth."

And so though the Americans got what they wanted, yet another "international terror-plot" against New York City, the govts of Guyana and Trinidad did not.

I wonder what the deal, if any, was (or is) between the latter two countries. What does Guyana get out of it—besides Kadir? (According to USA Today's R. Willing, Abdul Kadir is "a former **opposition** member of Guyana's parliament.") And if so, what does Trinidad now owe Guyana, if anything, for trying to destroy JAM?

I see far more dirty international politics than black Mohammedan terror in this international, trilateral secret-police terror-plot (against JAM).—Ed.]

WHEREFORE, your deponent [Legal talk: This "criminal complaint" is a "deposition," and its writer (Addonizio) therefore a "deponent"—Ed.] respectfully requests that an arrest warrant be issued for defendants RUSSELL DEFREITAS, also known as "Mohammed," KAREEM IBRAHIM, also known as "Amir Kareem," ABDUL KADIR and ABDEL NUR, **so that they may be dealt with according to law**. Because of the nature and content of the charges alleged herein, **the** [U.S.—Ed.] **government requests that the complaint and arrest warrants be filed under seal** [i.e. kept secret—Ed.] until further order of this Court.

I.E. until the arrests are made. And they were: Defreitas in Brooklyn, and Kadir and Ibrahim in Trinidad, with Nur turning himself in a couple of days later.

And some illiterate or illegible federal judge (from the "eastern district" of New York) signed Addonizio's request in chicken-scratching or "pigeon" English, on June 1, 2007, one day before Bloomberg's JTTF circus came a-clanging into town again. (In fact, they never leave, and their "terror" act is getting very old, very thin and very unconvincing. Don't you think?)

And who's going to "deal with" Bush, Bloomberg, their FBI and their JTTF "according to law"?—the law, if any, against their domestic and international terror-plots? And if not, then surely, obviously and demonstrably, "jewish"-Amerikan law is Satanic.

* * * * *

"This is a conspiracy," Nur reportedly told reporters as he entered a Trinidad courthouse on Tuesday, June 5th, 2007, after he had voluntarily surrendered to the Trinidad police.

(He means a secret-police conspiracy, a conspiracy between the secret police of three countries: anti-Christ or "jewish"-Amerika; Guyana; and Trinidad and Tobago.)

And I for one believe him.

And you, dear reader, what do you believe?—having read the excerpted news (and my commentary) above?

* * * * *

Postscript, from Addonizio's introduction, p.1:

Upon information and belief [i.e. Addonizio's (FBI/JTTF/USDo"J") "information and belief"—Ed.], in or about and **between January 2006 and the present**, both dates being approximate and inclusive, within the Eastern District of New York [wherein Defreitas lived.—Ed.] and elsewhere, the defendants RUSSELL DEFREITAS, also known as "Mohammed," KAREEM IBRAHIM, also known as "Amir Kareem," ABDUL KADIR and ABDEL NUR, together with others, did knowingly and intentionally conspire...

And yet Addonizio presents no information to back up this claim that the four defendants had been “conspiring” since January 2006.

Indeed, by his own (FBI/JTTF/USDo“J”) “information” (if not “belief,” Addonizio disproves and belies himself.

Let us review how D met the other 3:

Addonizio writes of six unidentified individuals: “A” through “F.” This is extremely murky, foggy-bottom, cloak-and-dagger stuff.

“A” is describes only as a “citizen of Guyana.” (9:9)

We are not told how Defreitas knew “A.” But he is far more than a “citizen of Guyana.” For he is the expositor or presenter of the JFK terror plot to all the black Mohammedan folks down there in the Caribbean. And “A” is the one who introduces the FBI/JTTF spy/agent provocateur(?) to Guyanese businessman “E” “on or about September 29, 2006”. (11:14) “E” is an “associate” of defendant Abdel Nur. (14:19) **And so Defreitas meets “E” and Nur through “A.”**

This is important because Addonizio, Bloomberg’s JTTF and the USDo“J” all claim that they did not start or provoke but rather entered an **ongoing** international terror plot of one Russell Defreitas which had begun “in or about” January 2006. (p.1) But here we see Defreitas was not even introduced to fellow defendant Abdel Nur until after **September** 2006, and by an apparent Guyanese secret policeman and terror-plot originator/provocateur called “A.”

And Defreitas does not even meet his two other defendants, Kadir and Ibrahim, until **after** this time, “on or about **February 19, 2007**” (21:36)—when he is similarly introduced to Kadir (through whom he meets Ibrahim) via another very shadowy and slippery “individual” named “F”.

This “Individual F” is identified by Addonizio as merely another “citizen of Guyana” (21:35), like “E.” But he is really or apparently another Guyanese secret policeman and terror-plot provocateur. And Addonizio further claims that “F” was a “associate” of Defreitas whom he had therefore previously known (we are not told from where or when), and whom Defreitas had contacted in order to meet men willing to carry out his international terror plot, (21:35) which he had allegedly began putting into action “in or about” January 2006. (p.1) But this is highly doubtful. As with “A,” “F’s” connection and initial contact with Defreitas is unstated and unspecified. And “F” enters the picture only after “E’s” terrible scheme fails. Again, **Defreitas meets his co-defendant Kadir (in Feb. 2007) through “F,”** and co-defendant Ibrahim through Kadir.

And so the point here is that Defreitas does not even meet his co-defendants until months **after** the FBI/JTTF spy/agent provocateur(?) is introduced to him (by someone without so much as a letter to identify him) “on or about **July 13, 2006**”. (7:6) And furthermore, Defreitas is introduced to his co-defendants through extremely murky “individuals” identified by Addonizio only as “A” and “F.”

And so Addonizio presents no “information” at all to show that Defreitas and his three co-defendants had been “conspiring” since January 2006, six months before the United States sent their secret agent to Defreitas, in July.

And so just why Addonizio “believes” his unfounded “January 2006 [to] the present” “conspiracy” charge or accusation is beyond me.

Perhaps lying and slandering is all part of Addonizio’s JTTF/USDo“J” job requirement—if not “job description.” (For that would be telling, and honest, wouldn’t it?)

And so perhaps you too, young man or woman, can get yourself a “career of evil” within these international terror groups.

And if so, Addonizio is certainly not alone—in his “Joint terrorism Task Force” and his United States’ Department of “Justice” (Brooklyn branch.)

Methinks a crooked tree grows in Brooklyn. And it has evil underground tentacles extending all the way to Hell, Washington D.C., and back.

Can I get a witness? And can I get an axe?

From the June 2, 2007 “Press Release” of the New York City Office of the United States’ Department of “Justice”

AP photo by John Marshall Mantel (June 2, 2007)

U.S. Attorney Roslynn R. Mauskopf (left), Mark J. Mershon from the FBI (center) and NYPD Commissioner Raymond W. Kelly lead an FBI news conference in New York.

* * * * *

From the June 2, 2007 press release of the New York City office of the United States’ Department of “Justice”:

(As always, original emphasis I in ***bold italics***, whereas my own editorial emphasis is merely in **bold**.)

The United States Attorney’s Office
Eastern District of New York
BROOKLYN, NY–

....

The arrests were announced today by Roslynn R. Mauskopf [“jew”?–Ed.], **United States Attorney for the Eastern District of New York,;** **Mark J. Mershon, Assistant Director-in-Charge, Federal Bureau of Investigation, New York Field Office,;** **Raymond W. Kelly, Commissioner, New York City Police Department,;** Samuel J. Plumeri, Superintendent Police/Director of Public Safety, Port Authority of New York and New Jersey Police Department,; and Michael Balboni, Deputy Secretary for Public Safety, New York State Department of Homeland Security.

....

An informant working with law enforcement agents began monitoring the plot at its early stages and made numerous recorded conversations with the defendants. In a recorded conversation following one of the surveillance missions to JFK airport, DEFREITAS predicted that the attacks would result in the destruction of “the whole of Kennedy,” that only a few people would survive the attack, and that because of the location of the targeted fuel pipelines, part of Queens would explode.

[If so, where did Defreitas get that idea? From the FBI/JTTF?—Ed.]

....

In discussing the plans, [defendant—Ed.] **KADIR** stressed the goal of causing economic damage and **suggested minimizing the killing of innocent men and women.**

[That’s an important point, which begs the question: Whose idea was it then to **maximize** “the killing of innocent men and women”?—via a fantastic or impossible scheme to blow up a 40 mile fuel-pipe line from Jew Jersey to JFK? Defreitas? Bloomberg’s? His “Joint Terrorism Task Force’s”? Inquiring minds want to know—exactly who is terrorizing them.—Ed.]

“The defendants [four black Mohammedans from Brooklyn, Guyana and Trinidad—Ed.] **are charged with conspiring to bomb** one of the busiest airports in the United States, located in one of the most densely populated areas in the northeast—**had the plot been carried out, it could have resulted in unfathomable damage, deaths, and destruction,**” stated United States Attorney *Mauskopf*. **“But, thanks to the extraordinary efforts of law enforcement,** the defendants’ plan never reached the operational stage, and the public was never at risk. **We remain unwavering in our commitment to stop terrorist plots before they become terrorist acts and will spare no effort to secure the safety of the public.”**...

[But what if this and other “terrorist plots” are in fact secret-police terror-plots? What then? Could the secret terror-plot police possibly **fail** to stop their secret terror-plot “before it became a terrorist act”? Yes and no. It all depends upon the secret-police and their particular terror-plot. See e.g. the FBI’s first terror-plot against the New York City World Trade Center of 1993. That clearly wasn’t stopped by its FBI originators and suppliers, now was it?—Ed.]

Mark J. Mershon [“jew”?—Ed.], **Assistant Director-in-Charge, Federal Bureau of Investigation, New York Field Office,** stated, “The defendants had the connections to present **their** [(?) and hence not the FBI’s/JTTF’s?—Ed.] terrorist plot to radical groups in South America and the Caribbean, including senior leadership of Jamaat Al Muslimeen (“JAM”), which was responsible for a deadly coup attempt in Trinidad in 1990. As the complaint alleges, defendants KADIR and NUR were longtime associates of JAM leaders. [And just what became of this alleged “presentation”? And what did the imperial secret police do to make this presentation happen? And just how disappointed were they when it didn’t?—when their FBI spy/agent provocateur(?) and their clueless dupe (Defreitas) weren’t even permitted by JAM to personally present their JFK terror plot—much less to agree to help them (and hence the FBI/JTTF) execute it?—Ed.] Defendant KAREEM was also preparing to send an emissary overseas to present the plan to extremist networks there [Why? Because this imperial secret-police terror-plot failed in Trinidad, because JAM wouldn’t take their bait?—Ed.] when law enforcement stepped in to disrupt it.

“Once again, terrorists have plotted against New York, and once more NYPD detectives and FBI agents joined forces to deny them. A disaster has been averted. Congratulations to both in thwarting this plot, and to the Port Authority Police Department with whom the NYPD continues to work closely to protect JFK International Airport,” **stated** [NYC mayor Bloomberg’s (Irish) Gentile front, mask or façade—Ed.] **Police Commissioner Raymond W. Kelly.**

Kenneth L. Wainstein [“jew”?-Ed.], Assistant Attorney General for National Security at the United States Department of Justice, said, “The defendants sought to combine an insider’s knowledge of JFK Airport with the assistance of Islamic radicals in the Carribean [sic] to produce an attack that they boasted would be so devastating to the airport that ‘even the Twin Towers can’t touch it.’ **Like the Fort Dix case several weeks ago, this plot highlights the evolving nature of the terrorist threat we face, and our investigation into both plots highlights how our agents and prosecutors are refining their capability to detect and pre-empt such plots before they advance to a dangerous stage.**”

[Are they not both terror plots of these very same “agents and prosecutors”?-Ed.]

“This announcement demonstrates, once again, that there are people continuously plotting violence against our vital assets and our homeland. This investigation and the arrests that are related to it prove that the cooperation of state, local, and federal law enforcement can produce real results that help to make our state and nation safer,” stated **Michael Balboni** [(Italian) Gentile front?-Ed.], Deputy Secretary for Public Safety, New York State Department of Homeland Security.

[And so this secret-police Dragon of international terrorism, disguised as the White Knight or anti-Dragon, thus pats itself on the back, for combating itself, and stopping itself...this time.

And the truest thing in this entire Do”J” press release is the very next clause:—Ed.]

The charges in the complaint are merely allegations [You can say that again—Ed.], **and the defendants are presumed innocent unless and until proven guilty.**

[Not by the “jewish”-Amerikan mass-media monopolists, they’re not. And so only by those Gentiles who don’t **believe** them, nor their “jewish” government sources.—Ed.]

The case is being prosecuted by Assistant United States Attorneys Jeffrey Knox and Marshall L. Miller of the Violent Crimes and Terrorism Section.

* * * * *

And Taking their “Jewish”-Amerikan Gov’t Cues, the Well Practiced and Orchestrated “Jewish”-Amerikan Press then Got Into the Act

The Associated Press

Here’s what the “Associated Press,” an international “news”-gathering and disseminating organization, had to say about it—as published by USA Today, on June 2, 2007 or very soon thereafter. For usatoday.com did not specify the dates.

And note well, dear readers, how this AP gobbles up their writers whole, taking away their very names, identities, individualities, and thus obscuring whoever writes this stinking, propagandistic, police-state manure!

Official says JFK terror probe widening

NEW YORK (AP)—**The investigation into the thwarted plot to bomb Kennedy International Airport is widening beyond the four men in custody, with more suspects sought outside the U.S. for their suspected roles, a [unidentified—Ed.] law enforcement official said** Friday.

[What about the secret “roles” of the secret police and govts of Amerika, Guyana and Trinidad?—Ed.]

The defendants identified last weekend were “just a piece of it,” the official told The Associated Press on the condition of anonymity because of not being authorized to speak publicly. “We are definitely seeking more players. We are targeting others overseas.”

[But why not “target” “players” much closer to home—like the FBI, the NYPD, mayor Bloomberg and “Homeland Security”?—Ed.]

The [AP masked—Ed.] official declined to provide details about the possible suspects, or in what countries they are being sought.

[And can you blame him, dear reader, knowing what you know, from having read what you have read?—Ed.]

Law enforcement officials, through the use of an informant, were able to undermine the airport plot in its early stages.

[Yes, we know. Whew! That was close!

And again, the presumption and assertion is that this is not at all a secret-police terror-plot, but rather the exclusive work on that lone, international-terror mastermind from Brooklyn, NY.—Ed.]

The four suspects made trips to the airport, took video and photographs [Not so, only Derfeitas and the FBI/JTTF sky/agent provocateur(?) did that. (See above.)—Ed.], drew diagrams and collected information. They then hoped to shop their information to individuals with the capacity to pull off their stated plan of causing “greater destruction than the Sept. 11 attacks,” the [anonymous “law enforcement”—Ed.] official said.

According to court documents, the men sought [but could not obtain; a significant AP omission, don't you think?—Ed.] the help of Jamaat al Muslimeen, or JAM, a group based in Trinidad that is known to be violent and involved in killings, kidnappings and weapons trafficking over the past two decades. The group staged a coup attempt in 1990, storming the Trinidad Parliament building and taking the prime minister hostage.

Some experts have called the [exploding 40 mile fuel-pipeline—Ed.] plot far-fetched, saying it would have been virtually impossible to achieve the kind of destruction the suspects envisioned. [See below for why: No oxygen and automatic shut-off valves.—Ed.] But the [AP unidentified “law enforcement”—Ed.] official said that if the men had lined up with people who had the right resources, the plans could have been carried out in a short period of time. [?]

Suspected mastermind Russell Defreitas, a U.S. citizen from Guyana, hatched the plan when he worked as a cargo employee at Kennedy 10 years ago [Wrong again, he hadn't worked at JFK since 1993—according to his former employer, the Port Authority of New York and New Jersey—Ed.], authorities said. **He is being held in New York on conspiracy charges. His alleged co-conspirators, two citizens of Guyana and one from Trinidad, are in jail in Trinidad** and were expected to fight extradition to New York.

[“We will be opposing extradition,” said Rajid Persad, a lawyer who represents both men.”—(R. Willing of USA Today)—Ed.]

The U.S. ambassador to Guyana, David Robinson, said Friday that FBI agents investigating the Kennedy Airport plot will travel next week to the nation to “follow up investigations.”

[But will the FBI ever do “follow up investigations” of themselves?—for WTC '93; OK City '95, their “Project Megiddo” '99, WTC 2001, etc., etc., etc.?—Ed.]

Defreitas' attorney, Drew Carter, was out of town and did not immediately return phone messages.

Copyright 2007 The Associated Press. All rights reserved. This material may not be published, broadcast, rewritten or redistributed.

[OOPS!—Ed.]

And so we see if the spring is poisoned at its source, so are all those who drink therefrom.

And note that almost all cops (but one two or a few) are censored by their superiors, Kelly and Bloomberg, Mueller and Bush. For they are not “authorized police spokesmen,” and therefore would be fired, demoted, suspended or otherwise harmed by their “brass” for speaking publicly or to the press about such “ongoing investigations.”

And so all police (but one or two) are officially gagged. And so they can only speak anonymously or in secret. But some of these are secret police **liars**, public misinformers, misdirectors, and political propagandists.

The imperial secret police thus muzzle or silence all their underlings who are not thus “authorized” by them to speak. And so two things happen: 1.) good, conscientious policemen sometimes tell reporters the Truth on condition of anonymity; and 2.) evil policemen secretly working for their censorious and dictatorial bosses, lie and misdirect the press, and hence the public, under that very same cloak of anonymity. So beware.

And into which category, dear readers, does the above unidentified “law enforcement official” belong? A relatively good cop within a corrupt police organization and hierarchy, risking his job in trying to tell the public the truth? Or a secret police spokesman for that very corrupt organization?

* * * * *

NEW YORK (AP)—As a cargo handler at John F. Kennedy International Airport, Russell Defreitas watched military parts [not weapons, rockets, bombs, etc., etc., etc.—Ed.] be shipped to Israel and believed they would be used to kill Muslims.

[Isn't that crazy? What a crazy and unfounded belief!—Ed.]

He seethed with rage against the U.S. and Israel for more than a decade after retirement [in 1993—Ed.] before finally deciding, authorities said, that he wanted to “get those bastards.”

[For “seething” human volcanoes do eventually explode, you know. But with how much more “rage” would “**jews**” be “seething” if America had instead been sending all those “military parts” for all those years to **Palestine** instead of “Israel”?—Ed.]

Drawing on his inside knowledge of the massive airport, **Defreitas conspired with three men** to blow up the airport's underground jet fuel tanks and its pipeline **in a spectacular attack designed to kill thousands** in the populous neighborhood, authorities said.

But Defreitas, 63, never got a chance to carry out his plan and would not get the “place in paradise” that the U.S. citizen and Guyana native said he desired.

Federal authorities announced Saturday [June 2, 2007—Ed.] they had arrested Defreitas and broken up a suspected Muslim terrorist cell. Two other men, one a former member of Guyana's parliament, were arrested in Trinidad and another was sought there as part of **a plot that authorities said they had tracked for more than a year and was foiled in the planning stages.**

[Again and again the same official lie: That this most “terrible” “game was afoot” months before Defreitas was introduced to the FBI/JTTF spy/agent provocateur?) in July of 2006—i.e. 11 months before his arrest for international terror-plotting and masterminding.—Ed.]

“The devastation that would be caused had this plot succeeded is just unthinkable,” U.S. Attorney Roslynn R. Mauskopf said at a news conference, calling it “one of the most chilling plots imaginable.”

Despite their “extraordinary efforts,” the men never obtained any explosives, authorities said.

....

Investigators received information about the plot in January 2006, according to the indictment [Addonizio's introduction, p. 1.-Ed.], and used a confidential source—a convicted drug dealer—to infiltrate the group and gather evidence against them.

The country's Joint Terrorism Task Force recorded and surveilled them, learning that they videotaped and took photos of JFK four times in January 2007. [?]

[Again, it was this JTTF's camera and car and secret agent that was used—to "videotape and take photos of JFK four times in January 2007."

But they apparently forgot that—just like their 1999 "Project Megiddo," and their 1993 project to blow up the World Trade Center.-Ed.]

The cell, the complaint alleged, **even reached out** to Jamaat al Muslimeen, a Trinidadian Muslim group responsible for a deadly coup attempt in Trinidad in 1990 that left 24 people dead. The complaint says Kadir and Nur were longtime associates of the group.

["Even them," huh? And therefore only after they had tried everyone and everything else?

Note well, dear readers, how the "Associated Press" thus try to keep us all as far away from the truth of the matter—(that JAM was the first, last and **only** target of this "trilateral" secret-police terror-plot)—as their professional liars and propagandists can possibly keep us.-Ed.]

Authorities decided to pounce after Defreitas said on May 27 [2007-Ed.] that he was happy to see that the plan, code named "chicken farm," was moving forward, according to the criminal complaint.

[Yes, because at that precise point in time, the "international terror" was looming so very large and close. So they simply couldn't take any more chances—no, not one more minute.-Ed.]

Defreitas, who retired from his job at JFK in 1995 [actually 1993, it's Kelly of the NYPD who says '95-Ed.], was nabbed Friday night walking out of a Brooklyn diner.

The arrests mark the latest in a series of suspected homegrown terrorism plots targeting high-profile American landmarks.

A year ago, seven men were arrested in what officials called the early stages of a plot to blow up the Sears Tower in Chicago and destroy FBI offices and other buildings.

A month later, authorities broke up a plot to bomb underwater New York City train tunnels to flood lower Manhattan.

And six people were arrested a month ago in an alleged plot to unleash a bloody rampage on Fort Dix in New Jersey.

New York City Police Commissioner Raymond Kelly said the arrests of Defreitas and the others was a reminder that the city was still a top target for terrorists.

"Once again, would-be terrorists have put New York City in their crosshairs," he said.

* * * * *

About that alleged Sears Tower terror-plot: From Frank Rich of the New York Times, Aug. 12, 2007:

To upstage [or distract from-Ed.] increasingly contentious Congressional restlessness about Iraq **in 2006**, he [Bush II's imperial prosecutor ("**attorney general**"), **Alberto Gonzales**-Ed.] put on a widely viewed show to **announce an alleged plot by men in Miami to blow up the Sears Tower in Chicago and conduct a "full ground war."** [against the U.S.A. Isn't that incredibly ridiculous? And yet he wasn't laughed out of office then, nor since-Ed.] He said at the time the men "swore allegiance to Al Qaeda" **but**, funnily enough, **last week** [Aug., 2007-Ed.] **this case was conspicuously missing from a long new White House "fact sheet" listing all the terrorist plots it had foiled.**

The Gonzales antics are, of course, in the tradition of an administration with a genius for stirring up terror nightmares at politically opportune times [like Sept. 11, 2001?–Ed.], just like before the Democratic convention in 2004. The Sears Tower scenario came right out of the playbook of his predecessor, John Ashcroft. **In 2002, Mr. Ashcroft waited a full month to announce the Chicago arrest of the “dirty bomber” Jose Padilla**—suddenly commandeering TV cameras in the middle of a trip to Moscow so that this tardy “news” sound drown out the damning pre-9/11 revelations from the F.B.I. whistleblower, Coleen Rowley. **Since then, the dirty bomb in the Padilla case has evaporated much like Mr. Gonzales’s Sears Tower extravaganza.**

Once again, would-be “jewish”/anti-Christ-American dictators have put the Gentile American heart and soul in their gov’t-terrorist crosshairs.

I’ll leave it to the reader to investigate the virtue (or vice) of those other “jewish”-communist-soviet, secret-police terror-plots against Truth, Justice and the Gentile American way.

* * * * *

From Richard Willing of USA Today; usatoday.com, again no date given:

The [Defreitas–Ed.] case is at least the fifth time in two years in which the U.S. government has relied on paid informants, some recruited by police, to bring terrorism-related charges against U.S.-based Muslims, according to federal court records.

FBI spokesman John Miller [“jew”–Ed.] said Sunday that taking down **al-Qaeda-inspired plots** is getting more difficult.

[Really? I think getting the public to believe in these “jewish”-government-terror-plots of these imperial “jewish” secret-policemen is what’s getting more difficult.

And that’s because these terror plots are not “al-Qaeda-inspired,” but are instead inspired by “jewish”-Amerika’s imperial secret police.–Ed.]

“When you’re looking at **inspired-through-the-Internet, homegrown extremists**, well, they can pop up anywhere,” Miller told ABC News.

[The “jews” don’t like the internet, because they can’t own and control it like their print, broadcast and cable monopolies over all (Gentile) communication—wherein and whereby their ceaseless “jewish” lies, slanders, deceptions and pretensions, cannot possibly be disproved, debunked and exposed by Gentile freedom of speech—because there is none—except, again, on our internet.

And yes, these Bushian, Bloombergian, FBI/JTTF/USDo“J” “extremists” and “terrorists” are indeed “homegrown”—especially in Washington and NYC—those twin hothouses, incubators and provocateurs of terrorism both international and domestic.–Ed.]

The informant tactic already has resulted in four convictions, but raises questions about “civil liberties” and “entrapment,” says University of Richmond law professor Carl Tobias, who has written on terrorism and the law.

....

Kenneth L. Wainstein [“jew”?–Ed.], Assistant Attorney General for National Security at the Justice Department, compared the plot to the arrest last month of six New Jersey-based Muslims charged in a plan to attack the Fort Dix, N.J., Army compound.

The cases, Wainstein said, highlight that the terrorist threat is no longer confined to attacks from overseas.

The “terrorist threat we face” has an “evolving nature,” Wainstein said.

* * *

And also from USA Today, on the occasion of Nur’s surrender:

U.S. legal papers claim the alleged plotters **unsuccessfully** sought support in Trinidad from Jamaat al Muslimeen, a radical Islamic group that staged a deadly coup attempt in the Caribbean nation in 1990.

....The longtime leader of Jamaat al Muslimeen said his group had no connection to the plot. "I know nothing about these men," Yasin Abu Bakr said.

(Not entirely true, but true enough.

But he now knows a bit more than he apparently suspected before about Defreitas and his American "friend.")

* * *

And yet, mixed in with all the "Associated Press" manure above, is this following excellent and truthful AP article. So go figure!

PORT-OF-SPAIN, Trinidad (AP)—A radical Islamic group known for launching a bloody 1990 coup attempt in Trinidad had faced growing scrutiny at home and abroad, well before an alleged U.S. terrorist plot focused attention on the Caribbean nation.

The four suspects named in the plot to attack New York's John F. Kennedy International Airport tried to enlist the help of Jamaat al Muslimeen [JAM-Ed.] as key to their plans, according to court documents.

But **the group**, whose followers are **largely black converts** [from what?—Ed.] **to Sunni Islam**, has faded as a political force in Trinidad as **its charismatic leader, Yasin Abu Bakr, fends off criminal charges for inciting violence. Despite contact between the two sides, Jamaat al Muslimeen is not accused of offering any support to the men.**

[Indeed, JAM even denied them a meeting, perhaps suspecting a secret-police plot.—Ed.]

Analysts are not surprised.

"They haven't identified themselves as a terrorist group," [Strange expression; Who does? Certainly not the FBI, the USDo"J," nor Bloomberg's "Joint Terrorism Task Force."—Ed.] said Anthony Bryan, a senior associate at the Washington-based Center for Strategic and International Studies.

[And wasn't this the precise aim of this international secret-police terror-plot: To "identify" JAM as a "terrorist group"?—to smear JAM on their most terrifying bread?—to "link" or "tie" Jam to their trilateral terror-plot?—Ed.]

"They're identified more in terms of protection rackets in Trinidad and Tobago, and activities that require strong arms," said Bryan, who was doing research in Trinidad.

The suspects allegedly traveled to this twin-island Caribbean nation off the coast of Venezuela to lobby [JAM leader—Ed.] Abu Bakr, but only one [Nur?—Ed.] met with him.

....

Inspired by black nationalist movements in the United States [such as the "Nation of Islam"?—Ed.] **and elsewhere, Jamaat al Muslimeen formed in the 1970s and has built a private compound including a mosque and school. It has drawn followers from among poor urban blacks** but remained underground, leaving the number of members unknown.

In 1990, Abu Bakr's group stormed Parliament and took the prime minister and his Cabinet hostage in a rebellion that left 24 dead [Note the false and misleading implication that JAM killed or murdered them.—Ed.]—**the only Islamic revolt in the Western Hemisphere. The rebels eventually surrendered and were later pardoned.**

Abu Bakr, a former police officer who converted to Islam[?], blamed the government for widespread poverty that followed the collapse of world oil prices.

The U.S. military has sponsored Trinidadian officers at counterterrorism courses in the United States to help the country deal with terrorist threats, Gen. Bantz Craddock said last year as former head of U.S. Southern Command.

[But who's going to help the Gentile citizens of the world deal with all these terrorist threats and plots coming from the imperial "jewish"-Amerikan gov't of the United States?—Ed.]

....

Phone calls to Abu Bakr's office seeking comment went unanswered Sunday [June 3, 2007—Ed.].

His group, often accused of aiming to create an Islamic state in Trinidad, describes itself simply as a religious organization. It is not known to have international reach, although a member was convicted of trying to smuggle 70 assault rifles to Trinidad from Florida in 2005.

Abu Bakr faces charges stemming from a 2005 sermon in which he called for war against all rich Muslims who refuse to pay zakaat, an Islamic tithe [or tax—Ed.] **used to alleviate poverty.** [A mere "speech crime," then?—Ed.] **The following week, he was arrested by police who razed the group's compound** [?] **and charged with sedition and incitement to violence.**

[Note: To "raze" means to burn down to the ground, like Waco's "Branch Davidian" compound.—Ed.]

He was questioned but not prosecuted in connection with a 2005 series of at least four bombings in the capital Port-of-Spain.

[Trinidad and Tobago—Ed.] **Prime Minister Patrick Manning said** Sunday [June 3, 2007—Ed.] **that his government will continue to support the United States "in its indomitable determination to stamp out acts of terrorism wherever they occur."**

[Doesn't that just speak volumes, dear readers? It means that the United States' imperial secret police (Bloomberg's "Joint Terrorism Task Force") were not only working in secret concert and provocateurship with the Guyanese secret police, but also with Trinidad's—i.e. Manning's.—Ed.]

The FBI opened a permanent office in Trinidad in 2005, partially to investigate the unsolved bombings. [Where then, in this cooperative spirit of bi- or multi-lateralism, are all the foreign and Gentile police in New York City and Washington D.C., to investigate "9/11" etc.?—Ed.] **At the time, FBI chief Robert Mueller said he had no reason to believe there were terrorist cells in Trinidad or Tobago, but said there are "persons of interest" living in the Caribbean nation.**

[Evidently. And this "interest" is Mueller's, Bloomberg's and Bush's, and therefore their imperial secret-police's.—Ed.]

* * * * *

Patrick Manning, the 4th and 6th (and present) prime minister of Trinidad and Tobago—
(and not an Irishman after all)

* * * * *

The New York Daily News...

With your kind permission, I will now refer to two New York City “jewishpapers” for my “information”: Zuckerman’s New York Daily News and Sulzberger’s New York Times, and both from Sunday, June 3, 2007, the day after the “terrible” news broke via a news conference in Manhattan.

* * * * *

On that Sunday, the Daily News headlines’ screamed:

[1] “JFK TERROR PLOT TO KILL THOUSANDS: Accused ringleader once worked at [JFK] airport: Radicals were under surveillance for a year: ‘Devastation’ would have been ‘unthinkable’”—by Daily News staff writers J. Marzulli, J.R. Meek, A. Gendar & R.F. Moore.

[2] “JFK TERROR PLOT: INNER WORKINGS OF TWISTED PLAN: How loose gang of fanatics from B’klyn to Guyana hatched mission code-named ‘The Chicken Farm’”—by News staff writer Tracy O’Connor

[3] “JFK TERROR PLOT: ‘Not even safe here’: Residents rattled by ‘scary’ scenario that could have destroyed their nabes [i.e. neighborhoods]”—by Daily News writers J. Vielkind, V. Belenkaya & T. Moore

[4] “JFK TERROR PLOT: HIS MEEKNESS MASKS A MURDEOUS MIND”—by Daily News columnist Michael Daly

[5] “Cop’s suit: Web ranting got me fired: City says ex-Finest is disgruntled, has a grudge”—by J. Marzulli

[6] “The terror this time”—a Zuckerman editorial

But that “old gray lady,” the New York Times, kept her decorum and sanity on that day:

[7] “4 Men Accused of Plot to Blow up Kennedy Airport Terminals and Fuel Lines”—by C. Buckley & W. Rashbaum (in the Metro section)

[8] “Plot Was Unlikely to Work, Experts Say, Citing Safeguards and Pipeline Structure,” by Patrick McGeehan

[9] and on June 10th: “Plots, Politics and the Weight of Page 1”—by Times’ “public editor” (or “readers’ representative”) Clark Hoyt

* * * * *

FOUR EXTREMISTS hatched a plot to blow up Kennedy Airport and swaths of Queens by attacking fuel tanks and an underground petroleum pipeline in hopes of igniting a catastrophic explosion that would eclipse 9/11, authorities said yesterday.

...**The devastation that would be caused had this plot succeeded is just unthinkable,**” said U.S. Attorney Roslynn Mauskopf. [1]

Actually there were **five** chickens, if you include the mother hen (?): “an informant, a convicted drug trafficker working undercover for the FBI, hoping to befriend Defreitas.”[2]

But why? What were the F.B.I. hoping to accomplish through their (as-yet-unidentified) “informant”-prisoner or prisoner-”informant”?

Were the secret police intending to **prevent** a “terrorist” plot from hatching? Or were they trying to **start** one?—or rather **yet another** one? Was this F.B.I. prisoner an “**informant**” or an F.B.I. secret agent **provocateur**?

And why did the F.B.I. direct their prisoner-”informant” to “befriend” **Defreitas**—of all people?

Russell Defreitas, the F.B.I.-alleged mastermind of their alleged JFK terror plot, is a 63 year old Guyanese-born U.S. citizen living in Brooklyn—a divorced Mohammedan Negro and “a retired [JFK] cargo worker allegedly trying to put a team together to mount a terrorist attack on Kennedy Airport.”[2]

He [Defreitas-Ed.] is alleged to have **already been hatching a plot** when he encountered a man who had been **working as a government informant since 2004 in an effort to get a reduced sentence on a pair of drug trafficking cases.**[4]

And there’s our answer (according to the U.S. gov’t): They dispatched their prisoner-”informant” to pick up Defreitas because he had “**already** been hatching a plot” to terrorize New York City.

(We are not told how the gov’t knew this. And it will be interesting to see if they can produce any “hard” or trustworthy evidence for this.)

And therefore, according to the gov’t, and if anyone can believe them, their undercover man is decidedly **not** a “agent provocateur”—at least not in this case.

And by the way, what else had their unidentified prisoner-”informant” been doing for the U.S. gov’t since 2004, since he only met Defreitas in July 2006? (7:6)

Defreitas...told an [?] informant that he was motivated to attack Kennedy Airport because while working there years ago [from 1990-93-Ed.]...he saw missiles being shipped to Israel. He told the informant he believed the missiles would be used to kill Muslims, authorities said.

[Again, what a crazy and unfounded belief!-Ed.]

Defreitas wanted to do something to get those bastards, apparently referring to Jews and the U.S., the criminal complaint said. He also allegedly said he had been taught to make bombs in Guyana.[1]

His hatred had been roused when he worked for Evergreen International Aviation years earlier [1990-93-Ed.] and saw missiles being shipped to Israel that he believed would be used to kill Muslims.

He “wanted to do something to get those bastards,” he said, according to the complaint.[2]

Question: But what if all the American weapons and all the American dollars that have, for generations now, been pouring into “Israel” to destroy Palestine and to kill, murder, mass-murder, terrorize, torture, dispossess, oppress and drive out the Palestinians and other Arabs (Egyptians, Syrians, Jordanians, Lebanese, etc.), had instead been pouring into **Palestine** to destroy “**Israel**” and to kill “**jews**”? What then? Would the American “jews” have been even a

fraction as patient, non-violent, law-abiding and long-suffering as American Palestinians and other Arabs and Mohammedans have been?

We all know the answer to that question, don't we? For the "jews" are infinitely more violent, intolerant, demanding and terrible than any Gentile race, nation or religious group.

And so once again we see a racist double-standard at work here. There is one law for us Gentiles and another law for the "jews." And as always, the "jews" write or dictate both—via their anti-Christ or Satanic Amerikan "congress." Ain't it the truth?

(And Bush II has just announced his Satanic intention to give (not sell) the "jews" \$20 billion more U.S. / "jewish"-Amerikan "weapons of mass destruction and mass-murder" to kill Gentiles, Arabs and Mohammedans within their regional and global reach. And the Satanic anti-Christ or "jewish"-"Israeli"-Amerikan parliament or congress will of course, once again, say "Amen" to this Satanic plan for this anti-Christ-Amerikan Armageddon.)

* * *

And from [2] "JFK TERROR PLOT: INNER WORKINGS OF TWISTED PLAN: How loose gang of fanatics from B'klyn to Guyana hatched mission code-named 'The Chicken Farm'"—by Daily News staff writer Tracy O'Connor, June 3, 2007:

Last August, as the [F.B.I.-Ed.] informant cozied up to him, Defreitas remarked during a chat about Lebanon [then invaded by "Israel"-Ed.] that Muslims always "incur the wrath of the world" while Jews get a "pass."

[Is this not precisely so? And the same goes for the Christians and the Germans, does it not?—that they are the racially slandered victims and scapegoats of "jews."—Ed.]

...With dazzling speed, a discussion about the civil war in Lebanon [and therefore not the "Israeli" invasion of 2006?—Ed.] led to talk of an audacious terrorist plot, authorities said.

It was followed by cryptic phone calls and meetings with shadowy characters and a series of trips to Guyana and Trinidad.

Month by month, the plot moved forward—with the informant recording the incriminating chatter on tape and feeding the evidence to his handlers. (i.e. the F.B.I. and/or Bloomberg's "Joint Terrorism Task Force")

...On Aug. 7 [2006—Ed.]...Defreitas told the [F.B.I.-Ed.] informant [a black man?—Ed.] about "brothers" from Guyana and Trinidad who would come to New York for something "bigger than the World Trade Center."

The next day, he [Defreitas—Ed.] indicated there was a "cell" of a half-dozen men targeting Kennedy Airport and looking for a New Yorker to join their nefarious scheme.[2]

* * *

According to some reports [such as this one by Daily News writers A. Gendar and K. Lucademo, also on June 3, 2007, and as a "sidebar" to [2]—Ed.], the extremist group [of Negro "brothers" from Guyana and Trinidad—Ed.] has a base in Brooklyn where several members fled after the [attempted—Ed.] coup.

[This is Jamaat Al Muslimmeen, a Negro Mohammedan group in Trinidad, who tried but failed to take over the government down there in 1990. (And apparently the gov't never forgot nor forgave it.)—Ed.]

* * *

...He [Defreitas—Ed.] and the [F.B.I.-Ed.] informant made four trips to JFK in January [2007—Ed.]. Defreitas showed him fuel tanks that could be blown up, escape routes and holes in security. They taped some of the locations.

...on Jan. 14 [2007—Ed.], he [Defreitas—Ed.] and the [F.B.I.-Ed.] informant returned to Guyana to show off their handiwork—the JFK videos.

[They also bought along satellite images from googleearth.com

And after “E” smelled a secret-police, terror-plot rat (see above) and backed out of negotiations...–Ed.]

....Defreitas...pressed his goal of getting to Trinidad to meet with the Jammat extremist leader.

....As it turned out, Defretias and the [F.B.I.–Ed.] informant never got to meet the Jamaat leader.

They did fly to Trinidad on May 20 [2007–Ed.] and were put up by as associate of Kadir, Kareem Ibrahim, who took them to the Jammat compound two days later.

* * *

[And what’s interesting here is Kadir’s “concerns” about Defreitas’ plan for JFK.

“He explained ‘that his associates had their own rules of engagement and wanted to minimize the killing of innocents, such as women and children,’ the criminal complaint said.”

[Does this not mean that the Defreitas and/or F.B.I. plan had very **different** rules of engagement, and wanted to **maximize** the killing of innocents?–Ed.]

“The attack should [therefore–Ed.] take place in the early morning and focus on infrastructure, he suggested. Kadir also revealed he knew the Jamaat leader...” (#2)–Ed.]

* * *

When they [Defreitas and his F.B.I. “informant”–Ed.] arrived [at the “Jammat compound”–Ed.], they were met by Nur, who said he had been there for two days and has already presented the terror plan. The organization wanted to talk more about it.

But Defreitas was starting to get cold feet, worried that Jamaat might turn on them [?] And Ibrahim, their new contract in Trinidad, agreed. He told them to leave the plan in his hands to present to other fanatics he knew.

* * *

And so, though the Daily News doesn’t say so, JAM apparently **declined** to further entertain (much less to help execute) Defretias’ or the F.B.I. “informant’s” (and therefore the F.B.I.’s) terror plan for New York City.

In other words, was it really Defreitas who was “starting to get cold feet?—or these JAMsters whom the F.B.I. “informant” (and therefore the F.B.I.) were trying to interest and entangle in their international terror plot?–Ed.]

* * *

Defreitas and the [F.B.I.–Ed.] informant returned to New York—and there was one more phone call with their new contact.

Last Sunday, Ibrahim spoke with Defretias and the [F.B.I.–Ed.] informant and said things were progressing, that he was sending an emissary to his overseas contacts to present the plan.

[Really? Or did Ibrahim give them the final kiss-off?–Ed.]

Defreitas said he was happy.

But that didn’t last long.

After 10 months of eavesdropping on the plotters as they moved even closer to the sinister goal, the feds were ready to make their move.

[Why? Because their terror plan wasn’t going anywhere?—having been declined by the Trinidad group?–Ed.]

On Friday [June 1, 2007–Ed.], as he and the [F.B.I.–Ed.] informant met at the Lindenwood diner in Brooklyn, the authorities arrested him. **His carefully laid plans had crumbled.**[2]

But how “carefully laid” were the terrorist plans of the JTTF/FBI/USDo“J”? And how and by whom were they “crumbled”? Was it not by their secret police target and intended victim, JAM?

Tbp with others not taking the bait.

The suspects were under surveillance for a year before the arrests were made here and overseas.

“We had them on conspiracy long ago,” a [unidentified–Ed.] law enforcement source said, adding that the feds didn’t move in more quickly because they wanted to see whether the probe targets had ties to Al Qaeda.[1]

Really? I think it’s because the “targets” of this secret-police (?) terror-plot passed on the bait, and so balked, declined or refused to execute the (F.B.I.’s?) terror plan.

Authorities decided to round up the suspects because some of them were expected to travel soon.

...Kadir’s wife, Isha, told The News in Guyana last night that her husband was arrested Friday as he boarded a flight from Trinidad to Venezuela.[1]

But only one of the four (Defreitas of Brooklyn) was in the United States. The others are fellow Guyanaians Abdel Nur and Abdul Kadir (a former member of the Guyanese parliament, a former mayor of Linden, Guyana, and a Mohammedan priest or “imam”); and Trinidadian Kareem Ibrahim.

And so the above “authorities” must include the gov’ts of Guyana and Trinidad & Tobago. For otherwise these Caribbean and South American countries would be mere satellites of the United States, who can just “round them up” at will, or rather command these countries to do so for them, and “extradite” them to them with little or no delay.

“We will be opposing extradition,’ said Rajid Persad, a lawyer who represents both men [Kadir & Ibrahim–Ed.].”—(R. Willing of USA Today)

But again Trinidad and Tobago apparently didn’t need commanding. For they are evidently in secret league with the United States against their “disloyal opposition,” JAM.

[Trinidad & Tobago–Ed.] **Prime Minister Patrick Manning said** Sunday [June 3, 2007–Ed.] **that his government will continue to support the United States “in its indomitable determination to stamp out acts of terrorism wherever they occur.”**[AP]

* * * * *

From [1]:

[federal or U.S.–Ed.] **Prosecutor Jeffrey Knox called** [Brooklynite–Ed.] **Defreitas the hometown extremist behind the chilling terror plot whose goal was “to kill as many people as possible.”**

The group’s original plan was to crash an airplane into other passenger jets on the ground at Kennedy “to create a catastrophic explosion,” a [unidentified–Ed.] source said.

When the suspects couldn’t recruit enough co-conspirators, the [unidentified–Ed.] source said, they came up with a new plan: to set off explosions at the airport’s fuel farm, a series of storage tanks.

They also were targeting a massive fuel pipeline that runs 40 miles from Linden, N.J., through Staten island, Brooklyn and Queens, providing fuel to JFK.

They hoped an assault of the so-called Buckeye pipeline—which carries 8 million gallons of jet fuel and refined petroleum on the city every day—would kill thousands by causing explosions throughout residential areas.

....Just **4 feet underground** at most points, the pipeline runs beneath residential neighborhoods in Bay Ridge, Borough Park, Kensington, Flatbush, East Flatbush and Brownsville in Brooklyn.

....But the pipeline owner and experts said yesterday an explosion at one section of the artery would **not** cause a chain reaction. [See more on this most important fact below.—Ed.]

....[NYPD] Police Commissioner Raymond Kelly said the NYPD had conducted an in-depth survey of the 40-mile pipeline [from Linden New Jersey to the JFK airport in Queens, NYC—Ed.], and police helicopters and boats were closely patrolling the artery of fuel.

“We have to remain vigilant.... If we learned anything from this latest plot, it’s that they keep coming back to New York,” Kelly said, adding that he and mayor Bloomberg had been kept updated during the [year-long JTTF—Ed.] probe.

[Why not? It was their JTTF “probe.” And so if it was (is) in fact a **secret-police** terror-plot, then it was (and is) Bloomberg’s and Kelly’s terror-plot as well (as Cohen’s of the CIA).—Ed.]

The investigation was conducted by the FBI, NYPD, Port Authority Police and U.S. Department of Homeland Security.[1]

Let’s see if we too can learn anything from this latest plot, dear readers: I mean whether it’s a real terror-plot or another secret-police terror-plot.

And by the way, secret-police terror-plots are real plots too. (See e.g. the FBI’s first terror-plot against NYC’s World Trade Center in 1993. That was no mere theoretical bomb. It too went “boom.”)

Are “they” **citizen**-terrorists or **gov’t** terrorists? And why do “they” “keep coming back to New York”? It is because they live and work there? Is it because that’s their job (if not their job description): to terrorize New Yorkers (and hence other Americans) into surrendering their “inalienable rights” and constitutional liberties to mayor Bloomberg and his “Joint Terrorism Task Force,” and thus exchange or trade in their Gentile forefathers’ hard-fought and hard-won liberties and rights for Bloomberg’s solemn promises of police protection from this allegedly big, bad, and most “terrifying” Gentile dragon international terrorism?—cunning and omnipresent, but apparently not omnipotent—thanks to this most vigilant and protective mayor Bloomberg and his “Joint Terrorism Task Force”?

But what if this most fiery Dragon of international terrorism is actually “jewish,” and American, or “jewish”-Amerikan?

Who will protect us, then? And what, if any, police forces?

The “jewish” police forces, like Bloomberg’s, who are ceaselessly trying to **disarm** us, and who are always persecuting (abducting, “prosecuting,” “convicting” and jailing) those American patriots who are armed (without their and their mayor’s totally unnecessary, despotic, tyrannical, anti-constitutional and anti-American “permission”)?

All the more reason, therefore, to be “armed and dangerous”—(constitutionally) “armed [to the ‘freedom teeth’] and [patriotically] dangerous” to all such anti-American enemies, both foreign and domestic.

Under the Daily News' heading [3]: "JFK TERROR PLOT: 'Not even safe here': Residents rattled by 'scary' scenario that could have destroyed their nabes [i.e. neighborhoods]," we find the following:

New Yorkers whose homes sit just above the underground pipeline ["just 4 feet underground at most points"[1]-Ed.] **targeted by suspected homegrown terrorists** [?] **were horrified** [if not also terrified-Ed.] by the alleged attempt to "cause greater destruction" than the 9/11 attacks.

The four suspects—including Russell Defreitas, a U.S. citizen and former Kennedy Airport employee—[and hence the only "suspected homegrown terrorist"—other than Bloomberg's "Joint Terrorism Task Force" and their FBI "informant"—or rather agent provocateur?-Ed.] **were allegedly plotting to ignite fuel inside the 40-mile pipeline that they hoped would destroy residential areas throughout Queens, Brooklyn and Staten Island.**

* * *

[But this is simply false. See the Kadir quote above.

KADIR informed DEFREITAS and the [FBI/JTTF-Ed.] Source that his associates had their own rules of engagement and wanted to minimize the killing of innocents, such as women and children. KADIR proposed conducting the operation in the early morning hours, to minimize the killing of innocent people. He said that the damage should be economic in nature.(23:38)

(And so Zuckerman strikes again.)-Ed.]

* * *

"It would have leveled this whole neighborhood," said Gene Lawless, 47, who has lived in Queens near Kennedy Airport his entire life. **"It would have been a chain reaction all the way to New Jersey."**

While the chain reaction outcome was in some dispute [Yeah, and by the owners and operators of the very fuel pipeline in question-Ed.], **the fact that terrorists have once more been shown to be living amongst us rattled New Yorkers.**

[Wrong again, three of the four accused "homegrown terrorists" live in or near the Caribbean. And what would rattle them far more is if they believed or knew these "homegrown terrorists" were presently (and formerly) sitting in their highest public offices.-Ed.]

"To think that they could get this close is scary," said Mary Destio, 57, who lives...just blocks from the airport.... **"We're not even safe here."**

[Does anyone in NYC public offices want the public to be this scared—terrified in fact? And why? And to see just how "close" they got, or rather didn't get, read on.-Ed.]

... "We don't know how many people like him [Defreitas-Ed.] are out there." [said Queens' representative Gary Ackerman ("jew"?)-Ed.]

Sen. Chuck Scherer (D-N.Y.[and definitely a "jew"/"Israeli"-Ed.] agreed.

"Most troubling here is that today's foiled plot has similar characteristics to that of Fort Dix—small, homegrown, indigenous groups unrelated to each other or to groups like Al Qaeda," [yet another CIA/US creation/fabrication-Ed.] he said. "It is a new challenge that law enforcement will have to adapt to quickly."

[Firstly, methinks the most "similar characteristic" is that these are secret-police terror-plots, intended to terrorize and stampede the American citizenry into a planned "jewish"-Amerikan "soviet"- or "Israel"-style police-state or prison-state. And secondly, it is therefore the American **public** or **citizenry** who "will have to adapt more quickly"—to this terrible truth and its terrifying implications: We're not safe from the anti-Christ or "jewish"-Amerikan gov't, and their imperial "jewish"-Amerikan secret police.-Ed.]

....**Shirley Katz**, a 35-year-old from Israel, said she was saddened that the U.S. was experiencing what has become typical in her homeland.

"I'm not nervous," she said. "I know it's not a normal [American-Ed.] reaction, but it's because we're [the "Israelis"-Ed.] used to it."

[May the Americans **never** get used to it, nor ever tolerate such a "soviet"- "jewish" police-state. A totalitarian "jewish" police-state pseudo-justified by "jewish" secret police (and therefore "jewish" public official) terror plots, both domestic and international.-Ed.]

Mayor Bloomberg [who, according to his and Gentile front-man, and hand-picked police dog, Raymond "Popeye" Kelly, "had been kept updated during the [year-long-Ed.] probe" of his very own NYC "Joint Terrorism Task Force" [1]-Ed.] assured New Yorkers that they were not at risk. He noted the plot never made it past the planning phase. **Bloomberg praised law enforcement for uncovering the scheme** [?] [Was it not **their** JTTF scheme?—and therefore **Bloomberg's** scheme?-Ed.] **and said that plot was a reminder "that in today's world, we face constant threats from people who want to take always our freedoms and destroy our way of life."**

[Yes, and they are precisely people like Bloomberg, Giuliani, etc, and their appointees, like CIA Cohen and Kelly.-Ed.]

Gov. Spitzer [of New York state, yet another "jew"-Ed.] pointed out that risk remains high six years after the attack on the World Trade Center. [During which time this "jew" was New York state's "attorney general." That means the state's highest cop, investigator, accuser and prosecutor. And therefore simply note how thoroughly and completely this "jew" failed (or refused) to bring 9/11 Truth and Justice to NY city and state, and hence let the real perps get away scot-free. Now he's the God-damned state governor. See how these "jews" reward one other?-Ed.] "The discovery and dissolution of this chilling plot is further evidence that New York remains a target of terrorist interests," he said.

[Again, that's true, but not at all in the way he means it, or deceitfully intends us to understand it. For these "terrorist interests" are anti-American, anti-Gentile, presidential, gubernatorial, mayoral and "jewish."

For those from out of state: New York state is neither a "republic" nor even a "democracy," but rather a **triumvirate** of the governorship and the majority party leaders or "speakers" of the two state legislatures—and a foursome or quartet if you include the mayor of New York City, as this triumvirate must have done when they decided to transfer the NYC public property called the "World Trade Center" to a "jew" named Silverstein on April 26, 2001, just six weeks before it mysteriously collapsed into asbestos smoke and most strange and everlasting fire. (All other state "senators" or "representatives" are mere window-dressing and very expensive taxpayer clothing for these three naked co-monarchs. And this has been the case in New York state longer than anyone can remember.) And this "jewish"-governor Spitzer, perhaps in secret league with his fellow democratic "jew" boss of the state's democratic house of "representatives" (Silver of lower Manhattan and the WTC), has been seeking to make "his" state a complete "jewish" monarchy or tyranny, with himself as the tyrant-king, by secretly siccing his state police dogs to find "dirt" on his last and only obstacle to total "jewish" state dictatorship, the only Gentile in this "jewish" state triumvirate, an Italian named Bruno, head of the "republican" state senate. (For the "jewish" tyranny that is New York still pretends to be a "republic.")

And yet I recall years ago that this very same Silver, who, like Manhattan state prosecutor Morgenthau, has been in his "public" office forever, was not molested at all when it became public knowledge that he gave (and still gives?) his personal friends and supporters "no-show" gov't jobs in Albany, the NY state capital. And has this not been going on from even before that day to this? And if so, why hasn't this present "jew"-governor Spitzer, who was also the former NY state prosecutor, never, ever "investigated" that, nor ever sicced his state police dogs upon it?

And so as long as you're a "jew" in Jew York (state and city), everything is just kosher. But if you're a Gentile, and won't suck "jew," then there's no place nor job for the likes of you. And this is precisely why I have arisen so high in this Hellish state by Satan's gate. Can I get a witness?—Ed.]

Former mayor Rudy Giuliani [of the aforementioned imperious NY state foursome who transferred the World Trade Center to the aforementioned Silverstein, just six weeks before it was no more—Ed.], on the presidential campaign trail in Fort Lauderdale [Fla.—Ed.], said "It should remind us that the terrorists are at war with us both overseas and here in the United States." [3]

Again, true, but not as he means it. For the greatest terrorists sit in the greatest American public offices, starting with the imperial "commander-in-chief." They are constantly trying and plotting to terrorize us out of our liberties and our constitution and our "American way of life."

* * * * *

From [4] "JFK TERROR PLOT: HIS MEEKNESS MASKS A MURDEOUS MIND"—by Daily News columnist Michael Daly

... He [Defreitas—Ed.] is alleged to have **already been hatching a plot** to when he encountered a man who had been **working as a government informant since 2004 in an effort to get a reduced sentence on a pair of drug trafficking cases.**

The [FBI—Ed.] informant worked his way into the midst of the conspirators and **reported that they intended to explode a fuel line that runs 40 miles from New Jersey through Staten Island and Brooklyn to JFK airport.** [Again and again the same false accusation. (See the Kadir quote above.)—Ed.] Defreitas is quoted in the criminal complaint as saying the plot would destroy "the whole of Kennedy" along with nearly everyone there and part of the surrounding neighborhoods.

Which would mean that **this mild-looking man with the quiet voice would happily kill your kids. Two of his co-conspirators were apparently of the same mind.**

[A very oblique reference or acknowledgement of the Kadir quote.

Why only two? Because they are not specifically quoted by Bloomberg's JTTF as saying something like the Kadir quote. And therefore Daly's conclusion is that they too "would happily kill your kids"?

I can't speak for those two, but the United States' gov't certainly would. Witness 9/11/2001, WTC '93, Pearl Harbor, etc, And see On Recognizing (Demonic) Terrorists (through their Slandorous Masks): "Allied" Terror-Bombing during W.W. II—Ed.]

"Once again, would-be terrorists have placed New York City in their cross hairs, Police Commissioner Raymond Kelly said at a press conference yesterday.

[Yeah, but whose "cross hairs" are they really?—Ed.]

Kelly listed a series of [secret-police terror?—Ed.] plots that have been uncovered since 9/11. He should not have to tell anyone that there will be others, that if you see something you should say something.

[Isn't that what I'm doing, dear readers?—Ed.]

"Look at your world through the prism of 9/11," Kelly advised.

[Yes indeed, do so, dear readers. But not until you know the 9/11 **truth**, and therefore decidedly **not** through the terrible prism of the terrifying lies and slanders of these Bloomborgs, Kellys, Cohens, Spitzers, Schemers, Clintons, Giulianis, Rumsfelds, Cheneys and Bushes.—Ed.]

But just half a dozen blocks downtown from where Kelly spoke [Manhattan FBI HQ, downtown NYC—Ed.], tourists in summer clothes were gawking and taking pictures

of ground zero as if it were just a piece of history as remote and resolved as Pearl Harbor.

[Is Pearl Harbor resolved? Is the Truth known to most Americans? Or do they not still yet believe Roosevelt's official lies? And so if Pearl Harbor I, although remote, is not yet "resolved," what help is there for "resolution" then of this not-so-remote Pearl Harbor II—i.e. PNAC's 9/11?—Ed.]

....These "homegrown killers" [wrong again: only American citizen Defreitas (and the FBI spy/agent provocateur?) can truly call NYC and America his home—Ed.] apparently include **the seemingly meek man** who was being arraigned [formerly accused or charged via a gov't "indictment"—Ed.] in Brooklyn Federal Court. **Most of us may fail to view the world through the prism of 9/11, but Russell Defreitas and his fellow jihadists sure do**, [Is the writer suggesting we non-believers should therefore join Kelly and jihad—and **not** the Elks club?—Ed.] **and they look at Ground Zero as something to outdo.**

When you saw **Defreitas** shuffle into a second-floor courtroom just after 2 p.m. yesterday, it was **hard to imagine this was a man who could hurt anybody, much less thousands.**

[Then why imagine and publicly profess that he could? Because your Zuckerman pay-check and "career" depend upon it?

"I see you shuffle in the courtroom/ with Your rings upon your fingers,/ Your downy little sidies/ and Your silver-buckle shoes./ Playing at the hard case,/ you follow the example/ of the comic-paper idol/ Who lets you bend the rules."—(from Jethro Tull's "thick as a Brick")—Ed.]

He seemed only more **harmless with his bowed head and quiet voice. Then you read the complaint** [We have. We have.—Ed.] **and you realized how right Kelly is when he says we cannot look at the world as if it has not changed.**

[It has! It has! Look how much more power the "jewish" gov't now has!

The change is in US domestic and foreign policy. The change is in the presidential/congressional shredding of the U.S. constitution, along with "jewish"-Amerika's **third** world war of aggression or "choice"—planned, by the way, **before** 9/11. Was that, is that not a clue?

But that isn't at all what **we** realized when we read the complaint, was it? On the contrary, we saw convincing evidence of an international, tripartite, secret-police terror-plot to entrap this "seemingly meek" Defreitas, along with a Trinidadian Mohammedan group called "JAM." They succeeded in the former, but failed in the latter.

Is it "jewish" blood-money that makes this Daly of the Daily News see what clearly isn't there to see?—Ed.]

Look at Russell Defreitas through the prism of 9/11 and what you will see under the [apparent—Ed.] **meekness is murder.**

I prefer to look at Russell Defreitas through the prism of the charges and evidence (or lack of same) brought by the US gov't (and "jewish" media) against him, rather than the "prism of 9/11"—the day that allegedly "changed the world forever."

Is it possible, dear reader, that "9/11" was merely a pretext, excuse, false justification and "terrible" camouflage for the "jewish"- or anti-Christ-Amerikan gov't to perpetrate these domestic and international evils, which they had long preplanned?

Either Defreitas' meekness is merely apparent, or this terrible prism of Bloomberg and Kelly's "citizen terrorists" is.

So which is it, dear readers?

And now to the above writer's boss and publisher, Zuckerman the "jew." Surely he'll enlighten both me and you.

(I guess it's that very same "jew." They don't sign these things, you know.)

From "The Terror this Time" [6]—a Zuckerman Daily News editorial, June 3, 2007:

Once more, New York City, symbol of America to the world, has been targeted by radical Islamic terrorists bent on causing death and destruction. And once more we can thank God [who, by the way, is decidedly **not** an anti-Christ or "jewish"-Amerikan secret policeman—Ed.] **New York City had the will and the skill to prevail,** whole knowing this hell of a battle and all its perils are worsening.

[Thank God for Bloomberg, Kelly, Cohen and their "Joint Terrorism Task Force"?—Isn't this Zuckerman referring to the other fellow, what's-his-name? (John 8:44)—Ed.]

This time **they** [And we all know who "they" are, right? "Jews"/"Israelis"?—Ed.] set their sights on **blowing up the jet fuel pipeline that supplies Kennedy Airport, wiping it off the map and consuming a swath of Queens in flame.** The lead [?] conspirator said so, captured on tape by an undercover agent.

[But isn't this "undercover [FBI] agent"—(and therefore the FBI, JTTT and Bloomberg)—the real and true "lead [?] conspirator" here?—although he/they never say so, on tape nor off.—Ed.]

Others [You know, "radical Islamic terrorists bent on causing death and destruction"—Ed.] have plotted to topple the Brooklyn bridge [And if you believe that, I'll sell it to you—cheap.—Ed.], explode the Herald Square subway station and collapse the Holland Tunnel so the Hudson River would flood lower Manhattan. Before that, others, of course, succeeded in 2,750 ways too terrible to contemplate. Before that, others [from the FBI in 1993—Ed.] ripped the guts from the World Trade Center, revealing their deadly fanaticism for the first time.

All are driven by the same religiously inspired nihilism [called "zionism," "jewism," "jewish" imperialism, Marxism, "communism," "greater Isrealism," "messianism" or Satanism—Ed.], **and they are more insidious and more dangerous than ever.**

[You can say that again. Note how these terrors keep coming with greater and greater frequency and intensity.

They even control the television, the radio and all the "jewishpapers," so that real and true Americans never see, hear or read anything but their poisonous "jewish" falsehoods, lies and slanders.—Ed.]

.... A blunt truth must be spoken In this age, **where Islam goes, the perversion of a faith into terror follows.**

[And yet which faith is far more perverse, alien or contrary to its founder: Mohammedanism or "Jewism," "Judaism," "Zionism," or whatever the hell Moses' enemies call it? (Deut. 9:24 & 31:27)

And which group are far more "terrible," tortuous, murderous and mass-murderous: The Mohammedans or the "jews"?

(Simply count all the "jewish" and Arabic bodies in bleeding Palestine, past and present, and the answer is immediately obvious and overwhelming.)—Ed.]

....**This time, the FBI, NYPD and coordinated agencies saved potentially thousands of lives through a patient, sophisticated investigation. They have done so many times, but will they always succeed?**

[Every time its **their plot**, yeah. How could possibly fail? And if things continue in future as they have as they have in the past, they **will** "always succeed" in stopping their terror plots—if they want to (like this one). And they will always succeed in **continuing** their terror plots toward their explosive conclusions, if they want to (like WTC '93), etc. Again, how can they possibly fail?—Ed.]

They need to win every fight; [Again, they have, thus far.—Ed.] **the terrorists need to win only once. That's why,** in this open society [which “jews”/“Israelis” and other total Marxist-“communists” like this Zuckerman thus seek to **close** a.s.a.p.—Ed.], with targets like fuel pipelines in many places, Washington must increase anti-terror funding [to such as Bloomberg's “ATTF”?—Ed.] and distribute it based solely on risk.

[And therefore the Gentile American citizenry should get it **all**, to thereby arm and protect themselves, their loved ones, their liberties and their country from “their” terrible and mass-murderous public officials, their secret police, and “Israel.”—Ed.]

And why **civil libertarians must stop trying to crimp NYPD intelligence-gathering over hyper-technicalities** [like the US constitution? And the NYPD's complete and total failure to investigate, discover, arrest and prosecute the 9/11 perps?—Ed.]. **America's way of life is at risk because this is war.**[6]

Say rather that “America's way of life is no more,” because these “jews” have thus waged war. And terror and mass-murder is their weapon and their stock in trade. And this is really nothing new. But something as old and evil as Satan's “jew. (John 8:44)

(Again, see On Recognizing (Demonic) Terrorists (through their Slanderous Masks): “Allied” Terror-Bombing during W.W. II)

* * * * *

...verses the New York Times

And now to the chimes of the New York Times:

Again, this is from the [Sun]day **after** the JTTF news-conference at FBI HQ, Manhattan and the “arraignment” of Defreitas in Brooklyn's federal court, downtown.

[7] “4 Men Accused of Plot to Blow up Kennedy Airport Terminals and Fuel Lines”—by C. Buckley & W. Rashbaum (in the Metro section)

[8] “Plot Was Unlikely to Work, Experts Say, Citing Safeguards and Pipeline Structure,” by Patrick McGeehan

[9] and on June 10th: “Plots, Politics and the Weight of Page 1”—by NY Times' “public editor” (or “readers' representative”) Clark Hoyt

[10] and also from June 10th: “Trinidad Group Denies Link to New York Bomb Plot,” by Marc Lacey

* * * * *

From [7],

....Mark J. Mershon [race and religion, please, including atheism, humanism, Marxism, communism. Is this yet another FBI “jew”?—Ed.], the assistant director in charge of the Federal Bureau of Investigation [FBI—Ed.] field office in New York, said all four men has “fundamentalist Islamic beliefs of a violent nature,” although they appeared to be acting on their own and had not known connection to Al Qaeda.

[Question: are there any “fundamentalist” “jews,” “zionists,” “Israelis,” “jewish”-Marxists or -communists” with “beliefs of a **non**-violent nature”?—Ed.]

....

Oil industry experts said safety shut-off valves would almost assuredly have prevented an exploding airport fuel tank from igniting or even part of the network [of underground fuel pipes from Jersey to JFK—Ed.].

But [NYC & US gov't—Ed.] officials said the [four accused black/Negro Mohammedan—Ed.] men had also traveled repeatedly to Guyana and Trinidad in recent months, seeking to obtain the blessing and financial backing of an extremist Muslim

group based in Trinidad and Tobago called Jamaat al-Muslimeen, which was behind a failed coup attempt in 1990.

[But what the American officials failed to mention is that this black Muslim blessing and backing was **not forthcoming**. And so **there's** the end of this terrible secret police plot. Here's what they said instead:—Ed.]

“The enforcement action was announced today was taken to prevent a terrorist plot from maturing into a terrorist act,” Mr. Mershon [of the FBI—Ed.] said during a news conference yesterday at F.B.I. headquarters in Manhattan. **The motive behind the planned attack, he said, “was a pattern of hatred toward the United States and the West in general.”**

[And therefore expressly **not** a pattern of secretive “jewish” hatred toward Gentile states, peoples, freedoms, liberties, constitutions and ways of life?

And just what was the motive behind “jewish”—Amerika’s three world wars against the Gentiles? Love? “Liberation”? Or the mass-murderous, genocidal or “holocaustic” Amerikan “liberation” evident in On Recognizing (Demonic) Terrorists (through their Slandorous Masks): “Allied” Terror-Bombing during W.W. II?—Ed.]

...Mr. Defreitas’s court-appointed lawyer, Drew Carter, said there was more to the case than meets the eye.

[Hence your humble editor’s pathetic attempt to bring such things to light.—Ed.]

“There’s a lot more to the story, Mr. Carter told the [federal judge—Ed.]. I don’t want to get into this now, because it’s not a trial.”

One [anonymous—Ed.] law enforcement official played down Mr. Defreitas’s ability to carry out an attack, calling him “a sad sack,” [an incompetent soldier—Ed.] and “not a Grade A terrorist.”

...But the [anonymous law enforcement—Ed.] official said that Mr. Defreitas’s efforts to enlist Jamaat al-Muslimeen’s aid could have had devastating consequences.

[But JAM declined the kind (FBI/JTTF) offer. So what is this unidentified guy talking about?—Ed.]

“They didn’t have the money and they didn’t have the bombs,” the [nameless law—Ed.] official said of the suspects, but if we let it go it could have gotten there—they could have gotten the J.A.M. fully involved [No they couldn’t, because JAM declined. And that’s why the FBI/JTTF stopped their terror plot.—Ed.], and we wouldn’t know where it could have gone.”

The official declined to be identified because he was not authorized to comment on the case. [(?) See above—Ed.]

... The extradition of both Mr. Kadir and Mr. Ibrahim [both arrested in Trinidad—Ed.] was being sought [by the U.S. gov’t—Ed.].

[“We will be opposing extradition,” said Rajid Persad, a lawyer who represents both men.—(R. Willing of USA Today)—Ed.]

The fourth suspect, Abel Nur, 57, remained a fugitive, the officials said, and was believed to be in Trinidad.

[Nur voluntarily surrendered to Trinidad police on Tuesday, June 5th, 2007, two days after this was published.—Ed.]

The charges were announced by Mr. Mershon [FBI NYC—Ed.]; **the city’s police commissioner, Raymond W. Kelly; Rosylnn R. Mauskopf, the United States attorney in Brooklyn;** and other officials.

According to **the criminal complaint**, which **was sworn out** [if not written by?—Ed.] **by Robert Addonizio, an investigator with the Brooklyn district attorney’s office assigned to the Joint Terrorism Task Force, the authorities became aware of the plot in January 2006.** [(?) See above.—Ed.]

An informant with a criminal history including drug trafficking and racketeering agreed to work with the investigators on the case, in exchange for payments and a reduced sentence.

In July 2006, the informant, whose name was not released, befriended Mr. Defreitas, officials said.

[Who brought them together? Who introduced the FBI spy/agent provocateur(?) to Defreitas? It was someone Defreitas knew from his past, and perhaps from an unidentified mosque he had attended. (See Addonzio's compliant.)—Ed.]

.... "Any time you hit Kennedy, it is the most hurtful thing to the United States," he [Defreitas—Ed.] said of one of dozens of conversations secretly recorded [by the FBI and their spy agent provocateur(?)—Ed.] during **the 18-month investigation** [?], according to the complaint.

"They love John F. Kennedy," he said. "If you hit that, this whole country will be in mourning. It's like you kill the man twice."

[Was Defreitas joking? Or is he really that out of touch with reality as to confuse a dead man with an airport named after him?—and hence the public's reaction to anyone "hitting" JFK airport with the 1963 assassination of the man?

* * * * *

[And here's a crucial piece of information omitted from Addonzio's compliant, Mauskopf's press release, and the JTTF press party: It's been **14 years** since Defreitas worked at JFK. Why the omission?—Ed.]

Mr. Defreitas worked as a contractor at the airport from 1990 to 1993, said officials with the Port Authority of New York and New Jersey, which runs the airport.

Mr. Defreitas was intent on meeting leaders of Jammal al-Muslimeen to finance the plot [Why? Whose idea was that?—Ed.], **and another co-conspirator, Mr. Nur** [also Ibrahim and Kadir, a Mohammedan priest or "imam"—Ed.], **agreed to help arrange the meeting. The** [Trinidad black Mohammedan—Ed.] **group gained notoriety for the failed but bloody coup attempt** [of 1990—Ed.], **though today, officials said, it is known more as a street gang involved in drug trafficking.** [That's funny: So is the FBI's prisoner/spy/agent provocateur (?) Coincidence? Is he perchance from the Caribbean, Guyana or Trinidad? He's apparently **not** a former or current JAM member.—Ed.] **Authorities in the United States and Trinidad have closely watched the group's activities since the Sept. 11 [2001—Ed.] attacks, but in the United States it is not designated as a foreign terrorist organization.**

* * * * *

[Until now? Probably not, but they were clearly hoping, planning and plotting to "designate" it so.

And so, if Addonzio's unidentified "Individual A," a "citizen of Guyana" (9:9), along with his unidentified "Individual F" (21:35), are actually the gov't spies/agent provocateurs that they seem to be, then this appears to be a tripartite terror-plot "sting" perpetrated the gov'ts of Guyana, Trinidad and the U.S.: The former get rid of their political rivals, and the latter get to pretend they prevented yet another terror attack upon U.S. soil.

"Though the New York area has been the subject of several terrorist plots, before and after Sept. 11, [NYPD—Ed.] Commissioner Kelly said this one was different because it was largely developed in the Caribbean. [No, this was apparently developed in NYC by Bloomberg's JTTF, and by them **perpetrated** in the Caribbean. And therefore it was **not** really different?—Ed.] **'This is an area in which we have a growing concern and I think requires a lot more focus,' Mr. Kelly said, echoing a concern law enforcement officials have reiterated in recent years.**" [7]

Yes, in word and in deed, this Gentile front, Kelly of the NYPD, is really quite the “echoer.”

And right here, as in the Daily News account, it gets murky as hell. But the upshot or conclusion is that JAM won't bite. They won't take the FBI/JTTF “terror” bait. And so that's the end of their terror plot—of “jewish”-Amerika's imperial secret-police terror-plot in the Caribbean. And that's precisely why the official JTTF/USDo“J” story gets so murky or foggy here—because they don't want us to see what's really happening. Do you see?

And now back to NY Times story [7]-Ed.]

* * * * *

...Mr. Defreitas and the [FBI-Ed.] informant traveled to Trinidad on May 20 [2007-Ed.] and stayed for two days with Mr. Ibahim; then, all three men met with Mr. Nur in a compound owned by [Yasin Abu Bakr, the unnamed, unidentified JAM-Ed.] the leader from Jammam al-Muslimeen, the authorities said. **That group [JAM-Ed.] was interested in the plot but first wanted to learn more about Mr. Defreitas and the informant.**

[So what happened, or what was decided, between the former sentence and this next one? For lo!-Ed.]

Mr. Ibrahim was worried about presenting the plan to the [JAM-Ed.] group,

[Why? What does this mean, signify, portend? It means they never met with the JAM leader, nor with any JAM officials. Methinks it means JAM declined to get involved, and this was the brush-off, and hence the end of the FBI/JTTF terror plot.-Ed.]

...and advised Mr. Defreitas to present it instead to contacts overseas.

Mr. Defreitas agreed [with what? That JAM would not even meet with him and his FBI spy/agent provocateur? No, but to leave the incriminating materials with Ibrahim in Trinidad to “present it instead to contacts overseas.”-Ed.], and he and the [FBI/JTTF spy/agent provocateur(?)-Ed.] source returned to New York on May 26.

And Defreitas was arrested six days later in Brooklyn by Bloomberg's international secret police, while he was dining with his FBI/JTTF spy/agent provocateur(?) in the Lindenwood Diner on Brooklyn's Linden Boulevard.

* * * * *

[Compare the previous murkiness with the Daily News account #2:

As it turned out, Defreitas and the [F.B.I.-Ed.] informant never got to meet the Jamaat leader.

[Really? Do tell.-Ed.]

They did fly to Trinidad on May 20 [2007-Ed.] and were put up by as associate of Kadir, Kareem Ibrahim, who took them to the Jammam [JAM-Ed.] compound two days later.

* * *

[And what's interesting is Kadir's “concerns” about Defreitas' alleged plan for JFK. “He [Kadir-Ed.] explained ‘that his associates had their own rules of engagement and wanted to minimize the killing of innocents, such as women and children,’ the criminal complaint said.”

[Does this not mean that the Defreitas and/or F.B.I. plan had very **different** rules of engagement, and wanted to **maximize** the killing of innocents?-Ed.]

“The attack should [therefore-Ed.] take place in the early morning and focus on infrastructure, he suggested. Kadir also revealed he knew the Jamaat leader...” (#2)-Ed.]

* * *

When they [Defreitas and his F.B.I. “informant”-Ed.] arrived [at the “Jammam compound”-Ed.], they were met by **Nur**, who said he had been there for two days and

had **already presented the terror plan. The organization wanted to talk more about it.**

[Again, what happened between the last sentence and the next. What aren't we being told here, and why not? Because we might get the right impression?—Ed.]

But Defreitas was starting to get cold feet, worried that Jamaat might turn on them. [(?) Meaning turn them in to the authorities, or punish them as police spies/agents provocateurs?—Ed.] **And Ibrahim, their new contact in Trinidad, agreed. He told them to leave the plan in his hands to present to other fanatics he knew.**

["Because these aren't the only fanatics I know, you know. I've got a whole phone book full of fanatics."—Ed.]

And so, though the Daily News doesn't say so, JAM apparently **declined** to further entertain (much less to help execute) Defreitas or the FBI "informant's" (and therefore the FBI's) terror plan for New York City.

In other words, was it really Defreitas who was "starting to get cold feet?—or these JAMsters whom the F.B.I. "informant" (and therefore the F.B.I.) were trying to interest in their NYC terror plot?—Ed.]

Defreitas and the [F.B.I.—Ed.] informant returned to New York—and there was one more phone call with their new contact.

[Really? Their new "international terror" contact? Or did Ibrahim give them the final kiss-off?—Ed.]

Defreitas said he was happy.

But that didn't last long.

After 10 months of eavesdropping on the plotters as they moved even closer to the sinister goal, the feds were ready to make their move.

[Why? Because their terror plan wasn't going anywhere?—having been declined by their terror-plot target, the Trinidad group, JAM?—Ed.]

On Friday [June 1, 2007—Ed.], as he and the [F.B.I.—Ed.] informant met at the Lindenwood diner in Brooklyn, the authorities arrested him. His carefully laid plans had crumbled.[2]

[And now back to the NY Times story (#7).—Ed.]

* * * * *

Less than a week later, believing they had enough evidence for a successful prosecution [even though the intended JAM fish got away by not taking their terror bait?—Ed.], **the authorities picked him** [Defreitas—Ed.] **up.** [7]

* * * * *

Once again from the Daily News (story #1:)

The suspects were under surveillance for a year before the arrests were made here and overseas.

"We had them on conspiracy long ago," a [unidentified—Ed.] law enforcement source said, adding that the feds didn't move in more quickly because they wanted to see whether the probe targets had ties to Al Qaeda.[1]

Really? I think it's because the "targets" of this international secret-police terror-plot passed on their bait, and so balked, declined or refused to execute the (F.B.I.'s?) terror plan.

And now back to the NY Times story (#7), wherein we get a good and familiar glimpse of this FBI/JTTF-alleged terror-plot mastermind.

(This was also reproduced above.)

* * * * *

One friend of Mr. Defreitas express[ed] shock.... The friend, Trevor Watts, 65, [an auto mechanic —Ed.] described Mr. Defreitas as not a dangerous man.

“He’s not that type of person,” Mr. Watts said after learning of Mr. Defreitas’s arrest. **“He’s not smart enough.”**

[And I can believe it after reading above what he allegedly said about JFK and the airport named after him.—Ed.]

Mr. Watts said he first met Mr Defreitas years ago, when both men lived on Albany Avenue in Brooklyn. Mr. Defreitas was working at Kennedy Airport at the time [i.e. from 1990 to 93—Ed.]. His brother helped him land the job there, filling out his job application for him because Mr. Defreitas had trouble reading, Mr. Watts said.

Mr. Defreitas had been divorced and lost touch with his two children, Mr. Watts said. After leaving his Albany Avenue apartment, he moved from place to place and was **homeless for a time**, his friend said.

Mr. Defreitas was always thinking of ways to make money, Mr. Watts said. He had been in a car accident, and he spoke to Mr. Watts of his hopes of getting rich by winning a lawsuit. **He sold books on a street corner in Queens** and would ask his friends to give him their broken air-conditioners and refrigerators. He shipped the items to his girlfriend’s sister in Guyana so she could repair and sell them, his friend said.[?]

After coming home [to Brooklyn—Ed.] from a series of trips to Guyana, Mr. Defreitas started dressing in traditional Muslim clothes and referred to himself as Mohammed, said Mr. Watts, an auto mechanic.

.... He had previously embraced American culture, Mr. Watts, said, and liked a particularly American brand of music, jazz, especially the saxophone. [7]

* * * * *

To the credit of the New York Times, and the shame of the Daily News—(but Zuckerman and co. have no shame)—we thus find that this alleged terror-plot to blow up the fuel pipeline from New Jersey to Queens is actually a secret-police hoax, scam, fraud, ruse and joke—on the New York, American and global public.

From [8] “Plot Was Unlikely to Work, Experts Say, Citing Safeguards and Pipeline Structure,” by Patrick McGeehan:

Federal authorities said that four men were hoping to blow up Kennedy International Airport and a large swath of Queens by detonating a fuel pipeline and storage tanks [But this is simply untrue. See the Kadir quote above.—Ed.], **but oil industry executives and local officials said** yesterday that such a plot was probably not feasible.

While it is true that the tanks at Kennedy Airport are connected to a network of underground pipes that run from New Jersey through Staten Island, Brooklyn and Queens, an exploding tank should not ignite the pipeline, they said. The pipes, **which carry jet fuel, gasoline and heating oil, have** [shut-off—Ed.] valves that can be operated from headquarters in Pennsylvania to cut off the flow if sensors indicate there might be a leak or a rupture, **said Roy Hause, an official of Buck-eye Partners, the company that operates the pipeline.**

“It’s not like the pipeline is a stick of dynamite and the whole thing would blow up,” Mr. Haase said.

[But that’s not what the “jewish”-American gov’t, the “jewish”-Amerikan broadcast (TV & radio) monopoly and the “jewishpapers” said, now was it? And so was this an honest mistake? Or did they know this was an impossibility, an untruth, a scary falsehood, fantasy, lie and deceit? Read on to find out.—Ed.]

....Thomas O. Miesner, a former president of Conoco Pipe Line in Houston said, “The reason the explosion [of a JFK fuel storage tank–Ed.] wouldn’t travel along the pipe-line [aside from all the shut-off valves–Ed.] is that there’s not enough oxygen present inside the pipeline to allow ignition.”

[Clear enough, dear readers? It’s about physics, nature, reality—just like 9/11. And this is why burning jet-fuel couldn’t possibly have caused those two steel-framed sky-scrapers to fall down—and so neatly into their “footprints.”–Ed.]

....Each of the fuel tanks at Kennedy “is its own self-contained unit”...said Stephen Sigmund, a spokesman for the Port Authority of New York and New Jersey, which runs the airport.

“We have security and safety measures in place [such as remote controlled shut-off valves–Ed.] and those features are very well known to the [NYC–Ed.] Fire Department, the [NYC–Ed.] Police Department, the F.B.I. and Homeland Security,” he [Anthony S. Shorris, executive director of the Port Authority of New York and New Jersey, which operates JFK–Ed.] said. [8]

* * *

[Doesn’t that just speak volumes, dear readers?—along with this from Fox News June 2, 2007 (foxnews.com)]

The pipeline, owned by Buckeye Pipeline Co., takes fuel from a facility in Linden, N.J., to the [JFK–Ed.] airport [in Queens, NY–Ed.]. Other lines service LaGuardia Airport and Newark Liberty International Airport.

Buckeye spokesman Roy Haase said the company, which moves petroleum through pipelines in a number of states, had been informed of the threat from the beginning.

“Given the nature of Buckeye business and the importance of this transportation network, we have an intense and ongoing communications relationship with the Port Authority, the New York City fire and police departments, the federal Department of Homeland Security and the FBI,” he said.

And so, if they all the while knew, then why are these imperial secret police agencies and the United States gov’t trying so very hard to scare or terrorize the American public out of their wits with this fanciful tale of exploding neighborhoods from New York to New Jersey?

Is it not to thereby obtain or seize yet more and more power, gov’t power, police power or “authority” over the gov’t-terrified American citizenry?

And if they will do this (for that)? What **won’t** they do?

Can you see what’s really and truly going on here, hear readers? Can you see through all these “terrible” police pretensions and gov’t lies?

* * * * *

And finally, the following [9], from June 10th: “Plots, Politics and the Weight of Page 1”—by NY Times’ “public editor” (or “readers’ representative”) Clark Hoyt:

A decision by [Times–Ed.] editors not to play [sic] charges of a terrorism plot at Kennedy Airport on Page 1 last Sunday puzzled me and some readers—and angered

others. Among the questions raised [by Times readers–Ed.]: **Was the paper property skeptical of officialdom, in this case, the Bush administration? Was it too skeptical**, just because it was the Bush administration? **Was a political agenda at work?**

[Where? At the Times, or in the Bush and Bloomberg administrations?

And the latter political agenda is clearly to scare or terrify the American citizenry into the awaiting claws and jaws of their lurking, totalitarian, anti-American police-state.–Ed.]

....The story began with a news conference in Manhattan on an otherwise slow Saturday. More than a dozen law enforcement officials, including **the United States attorney for Brooklyn, the head of the F.B.I. office in New York and New York City's police commissioner, announced that a horrendous plot to blow up fuel tanks, terminal buildings and underground fuel lines at J.F.K. had been broken up. Roslynn R. Mauskopf, the U.S. attorney, said the plot would have caused "unthinkable" devastation.**

[Except when you actually think about it and examine the evidence, the "unthinkable" devastation of this secret police and gov't terror plot would not have been actual or physical, but **psychological** (spiritual, mental) and **political**, because these U.S. gov't terrorists would have further terrified the American citizenry into their demonically-intended, totalitarian, "jewish"-Marxist-"communist" police-state. Isn't it obvious?–Ed.]

....Gottlieb [Marty, NY Times "weekend editor and the senior editor in the newsroom when the decision was made"–Ed.] told me he was mindful of a history of orange [U.S. gov't "terror"–Ed.] alerts that came at politically convenient times and previous terror plots that would up amounting to less than they first seemed. He mentioned the case of [U.S. citizen–Ed.] Joe Padilla, who was accused in 2002 of planning to detonate a radioactive bomb. Padilla's arrest was announced by John Ashcroft, then the [U.S.–Ed.] attorney general [or chief U.S. gov't investigator/accuser–Ed.], in an unusual news conference via satellite from Moscow. After being held for years without charges [something that simply wouldn't and couldn't happen in a country with liberty and a worthwhile or respectable constitution–Ed.], Padilla is now on trial in Miami, accused of conspiring to aid terrorists. A dirty [or radioactive–Ed.] bomb is no part of the case.

[In other words, all that other radioactive "dirty bomb" stuff was merely U.S. lies, slander and propaganda intended to terrorize the American citizenry. Their evil hidden agenda is clearly fear (or terror) and control. They're trying to terrorize us into their Satanic "jewish" police state.–Ed.]

This time, Times reporters were hearing skepticism from sources in the government, Gottlieb said [Then why not quote and print them? Because they're not "authorized" by their "superiors" to speak to the press? Because **their** terror messages would not be their "**superiors**" terror messages? And because they're afraid for their jobs? But surely anyone who will not publicly oppose gov't terrorism because he's afraid of losing of his gov't job, obviously doesn't deserve to have one. ("If you're not part of the solution, you're part of the problem.") And far more importantly, any such gov't obviously doesn't deserve to exist.–Ed.], and he became even more concerned that the newspaper not "buy into the hype on an issue where stories have frequently been overstated."

[Something the New York Times has done before, and repeatedly, and thereby thoroughly shot its credibility in the foot. See the "Tom Tomorrow" cartoon below.–Ed.]

....**Do I think political motives were at work?** I can't read minds, but I believe after talking with these [Times–Ed.] **editors that they were focused on the substance of the story, the facts.** [And if you simply compare the facts with what these police and politicians are telling us, then its obvious that "political motives" are indeed at work

here: They want to scare or terrorize and stampede us all into their demonically-planned "jewish"-Marxist-"communist" police state.-Ed.] They were mindful of a history in which terrorism cases have been blown out of proportion. They were trying to make the right call based on solid journalistic grounds.

Domestic terrorism is a frightening—and now very political—issue. Newspapers cannot take sometimes overheated rhetoric from public officials at face value. [because they just might be the domestic terrorists disguised as anti-terrorists— NYC and US gov't terrorists armed by and masked behind their imperial secret police badges-Ed.] But they have to be careful not to appear indifferent to plots that, allowed to mature, could pose real threats of death and destruction.

[Why not seek out and publish the truth about those plots that **have** caused real death and destruction—like e.g. WTC '93, the OK bombing of '95, and WTC 2001?-Ed.]

It can be a fine line [between mindlessly repeating the gov't's lies, and seeking, finding and publishing the terrible Truth-Ed.], and I expect that, unfortunately, we'll be faced with these questions again.[9]

* * * * *

Something the NY Times has done before, and repeatedly, and thereby shot their credibility in the foot, completely and repeatedly. For "no one believes a liar, even when he tells the truth." (See the "Tom Tomorrow" cartoon below.)

* * * * *

A Times postscript, from "Trinidad Group Denies Link to New York Bomb Plot," by Marc Lacey, New York Times, June 10, 2007:

The article includes a tiny piece of information I have not read elsewhere: the target or would-be victim of the international secret-police terror-plot of the three terrorism-plotting gov'ts (US, Guyana and Trinidad)—JAM leader Yasin Abu Bakr—“faces trial **next week** for sedition and extortion.”

Coincidence? Is it a coincidence that the timing of this (attempted but failed) tripartite gov't terror-plot coincides with the trial of the JAM leader for the “crime” of suggesting that rich Trinidadian fellow-Mohammedans should be forced or taxed to help poor Trinidadian Mohammedans?

From wikipedia.org (on “Yasin Abu Bakr”):

In his Eid ul-Fitr message delivered **on November 3, 2005 Abu Bakr threatened “war” against Muslims who did not pay zakaat next year. The statement was generally interpreted as a demand that the tax be paid to the Jamaat al Muslimeen. On November 8 [2005–Ed.] Abu Bakr was arrested and charged with three counts of inciting extortion and one for sedition.**

And so Abu Bakr's 2005 “extortion and sedition” case is finally coming to trial now in August '07.

(And so again it looks like this alleged international terror-plot has far more to do with local Caribbean politics than international terrorism.)

And so in this glaring new light, the admission and meaning of Trinidad's prime minister Manning is even more revealing and bright: “**Prime Minister Patrick Manning said Sunday [June 3, 2007–Ed.] that his government will continue to support the United States ‘in its indomitable determination to stamp out acts of terrorism wherever they occur.’**”[AP]

But never, if you notice, when the acts of terrorism are planned within their very own anti-Christ or “jewish”-Amerikan halls of “justice,” “law enforcement” and/or “defense,” nor whenever they themselves are doing the “terrorizing.” For they never “stamp [themselves] out.” And therefore they must be “stamped out” by someone else—someone not of their party—or rather (“republican” and “democratic”) parties—someone with a big enough foot to stamp this international “jewish”-Amerikan terrorism out—someone with a big enough foot to put down. But where in Hell is Paul Bunyan, Bill Bradsky, or whoever?

PORT OF SPAIN, Trinidad, June 9,—

...Those who have studied the group [JAM]—Ed.] consider it a stretch to mention Jammata al Muslimeen and Al Qaeda in the same breath. But **United States authorities say it was an obvious place for the four suspects** now accused of plotting to bomb Kennedy International Airport **to turn when they were looking for Islamist support.**

[Say rather it was a natural place for the three terror-plotting gov'ts working to **destroy** JAM and their leader to command their spies/agent provocateurs to send or mislead their four dupes (the defendants). For these three gov'ts were clearly “looking for Islamist support” for their JFK terror-plot—so they could then blame these targeted JAM “Islamists” (and not themselves) as “terrorists,” “international [or global] terrorists.”—Ed.]

Court documents [JTTF/USDo“J”'s Addonzio's “criminal complaint”—Ed.] suggest that Mr. Abu Bakr met in May with one of the suspects, Abdel Nur, a Guyanese national who surrendered to the [Trinidad–Ed.] police on Tuesday.

The Islamic leader, the court documents say, suggested a follow-up meeting “to discuss the plan in detail” and to give Mr. Abu Bakr time to do further checks on the participants.

[I.E. the terror-plot proposers; which he apparently did, and that is apparently why Defreitas and the FBI/JTTF spy/agent provocateur(?) were given the JAM brush-off.

(Now get ready, dear readers, for this great big whopping USA/NY Times lie:)—Ed.]

Before any such meeting took place, authorities in New York and Port of Spain [the capital of Trinidad (and Tobago)–Ed.] **arrested the four on charges of plotting to bomb** the airport's fuel line.

[If these “authorities” had only waited for a definite answer, a red or green light to their terror-proposal, instead of thus losing their patience, barging in, and “blowing their cover” by arresting the four, they might have had JAM in a terrible jam. But that just wasn't the aim or target of their international terror-plot sting after all—according to the US gov't and the New York Times.

What then? What was the terrible motive for the govts of Trinidad and Guyana if not the destruction of JAM and its leader?

Do you see, dear readers, how these official gov't lies never ever stop?

For surely these international “authorities” made their move on their four dupes only when they knew for sure their terror plot had failed—to involve, entrap or implicate JAM, because JAM had given them their answer: “No thanks.”

And so we see it isn't she, nor he, but these gov't three, that's “a bad whammer-JAMmer”—or rather a bad, **would be or wanna be** wammer-JAMmer.

Can I get a witness? Can I get an “Amen”? And how about a “Case closed”?–Ed.]

Jamaat officials said two of the suspects has visited their mosque, but they dismissed the notion that a real terrorist operation was in progress and that their group was part of it.

“We don't subscribe to that—this randomly blowing up of people,” said Kala Alki-Bua, Jamaat's social welfare officer...”

[And this agrees well with defendant Kadir's statement above.–Ed.]

....[In 1990, JAM–Ed.] **dispatched armed fighters to take over Trinidad and Tobago's Parliament.**

...that raid...left two dozen people dead [but not murdered nor killed by JAM–Ed.], the prime minister [Robinson–Ed.] with a bullet wound in the leg and the police headquarters in ashes after a car bombing...

....After seizing power for about a week, Mr. Abu Bakr and his 100 or so followers were charged with murder, treason and other charges stemming from the [attempted–Ed.] coup. But a court dropped the charges after ruling that the men had been pardoned by the then president.

* * *

From wikipedia.org, (on “Jamaat al Muslimeen”):

It was the organisation's leader, **Imam** Yasin Abu Bakr, who led members of the Jamaat in an attempted coup d'état against the elected Government of Trinidad and Tobago in July 1990 [citation needed]. Over a six-day period members of the government including then-Prime Minister A.N.R. Robinson were held hostage at gun point while **chaos and looting broke out in the streets of the capital Port of Spain.**

[...presumably leading to the death, murder or killing of the aforementioned 24 people. Note no mention of PM Robinson being shot by JAM or anyone else.–Ed.]

A court ruling upheld an amnesty agreement obtained during the incarceration of parliament by the group [citation needed]. **This led to the non-prosecution of its members for this crime despite** the contention that **the fact that guns and force were used to obtain said amnesty** constituted duress.

And from “Jamaat al Muslimeen coup attempt”:

On Friday July 27, 1990, 114 members of the Jamaat al Muslimeen, led by Yasin Abu Bakr and Bilaal Abdullah attempted to stage a coup d'état against the government of Trinidad and Tobago. **Forty-two insurgents stormed the Red House (the seat of Parliament) and took the Prime Minister, A.N.R. Robinson and most of his Cabinet hostage**, including Horace James, while seventy-two of their compatriots attacked the offices of Trinidad and Tobago Television (TTT), then the only television station in the country and the Trinidad Broadcasting Company, then one of only two radio stations in the country. At 6.00 p.m. Yasin Abu Bakr appeared on television and announced that the government had been overthrown, and that he was negotiating with the Army. He called for calm, and said that there should be no looting.

The Trinidad and Tobago Defence Force and the Police responded by sealing off the area around the Red House. **Widespread looting and arson took place in Port of Spain and other parts of the East-West Corridor, but the remainder of the country was calm.** A State of Emergency was declared by Acting President Emmanuel Carter and Martial Law was imposed. Several members of Cabinet who had not been present in the Red House at the time of the attack set up office in the Trinidad Hilton. On the night of the 27th the Army took control of the TTT transmitter on Cumberland Hill, thus taking TTT off the air. **After six days of negotiation, the Muslimeen surrendered on August 1, and were taken into custody. They were tried for treason** [the Times says “murder, treason and other charges”—Ed.], **but the Court of Appeal upheld the amnesty offered to secure their surrender, and they were released. The Privy Council later invalidated the amnesty, but the Muslimeen members were not re-arrested.**

About 40 people died during the coup attempt, with millions in property losses. Among the dead was Member of Parliament for Diego Martin Central, Leo Des Vignes.

Note how the dead count went up from 24 to 40, with one of the victims being an MP (“member of parliament”). Was he in the “Red House” at the time? And yet still no direct accusation that JAM killed or murdered anyone. Why not? Because they didn't? And yet, according to the Times, they were charged with murder—and so, charged with murdering whom?

And now back to the NY Times article—Ed.]

* * *

...But even since his pardon, Mr. **Abu Bakr**, who was **born Lennox Phillips** and **converted to Islam** while studying in Canada **in the 1970s**, has repeatedly run afoul of the authorities here.

Next week M. Abu Bakr faces trial on charges of sedition and extortion, stemming from an explosive sermon he delivered in 2005, threatening war against fellow Muslims who did not follow the Islamic law of handing over part of their income.

Shortly after the 2005 fiery sermon, the authorities raided the Jamaat compound in search of what they suspected was a large cache of weapons hidden underground. Using a jackhammer to bash in Mr. Abu Bakr's office and dig through his concrete floor, police officers found a rifle, a grenade, and hundreds of rounds of ammunition.

* * *

[That's all: one grenade, one rifle and hundreds of bullets? That's only enough for one man.

And this again from the AP article above:

Abu Bakr faces charges stemming from a 2005 sermon in which he called for war against all rich Muslims who refuse to pay zakaat, an Islamic tithe [or tax–Ed.] used to alleviate poverty. [A mere “speech crime,” then?–Ed.] The following week, he was arrested by police who razed the group’s compound [?] and charged with sedition and incitement to violence.[AP]

Note: To “raze” means to “lay level with the ground,” like Waco’s “Branch Davidian” compound. But I don’t think it’s true, because this Times article (M. Lacey, June 10, 2007) includes a picture of JAM’s mosque, compound and HQ in Port of Spain, Trinidad, and it looks just fine to me.

Again from wikipedia.org (on “Yasin Abu Bakr”):

In his Eid ul-Fitr message delivered on November 3, 2005 Abu Bakr threatened “war” against Muslims who did not pay zakaat next year. The statement was generally interpreted as a demand that the tax be paid to the Jamaat al Muslimeen. On November 8 [2005–Ed.] Abu Bakr was arrested and charged with three counts of inciting extortion and one for sedition. **The Jamaat al Muslimeen headquarters were occupied by the Army on November 10 [2005–Ed.] and Abu Bakr’s office was demolished in a search for weapons and ammunition after metal detectors discovered objects below the building. A high-powered rifle, a hand grenade, walkie talkies and 700 rounds of ammunition were seized.**

And now back to the NY Times article–Ed.]

* * *

In another case, a member of Jamaat was found guilty in Miami in 2005 of trying to smuggle 70 submachine guns and 10 silencers to Trinidad from the United States.

[Was that a US gov’t plot also?–Ed.]

In 2006, Mr. Abu Bakr was found not guilty of ordering the murder of two former members of Jamaat.

[And so what Kadir was (apparently taped and) quoted above as saying about the JAM leader is very true.–Ed.]

Not least, he has been accused by some of fomenting this island’s ethnic [i.e. racial–Ed.] and religious divisions.

[Hell, we got such “fomenters” right here in the “White House” and U.S. congress who not only foment, but repeatedly plot, start and wage genocidal world wars against certain “jew”-hated races (German, Japanese, Arabic) and religions (Christianity, Mohammedanism). And because they have never even been properly accused, they have certainly never been properly indicted, tried, convicted and punished for being the presidential (and congressional) demons they are and have been for damn near a hundred years now.–Ed.]

Jamaat is made up of Trinidadians of African [i.e. negro–Ed.] descent who converted to Islam [from Roman Catholicism–Ed.] in the 1980s after the rise of the Nation of Islam in the United States.

[The “Nation of Islam” again! Is there any connection? Or was this mere coincidence? Do they share similar beliefs? **Was I** really and truly created by an evil mad scientist (named “Boris K”)? Inquiring minds want to know.–Ed.]

Trinidad is evenly split between blacks and...India[ns], most of them Hindu but some [6%–Ed.] also Muslim...

Once again, the preceding was, “Trinidad Group Denies Link to New York Bomb Plot,” by Marc Lacey, New York Times, June 10, 2007

* * * * *

And so the main or predominant religions in Trinidad are Roman Catholicism and Hinduism.

From the BBC (news.bbc.co.uk): Profile: Jamaat al Muslimeen, by Robert Walker, updated Sun., June 3, 2007:

The population of Trinidad and Tobago is mainly Hindu and Catholic. There is a small Muslim community, most of whom are Asian [i.e. east Indians–Ed.]. But Jamaat al Muslimeen draws its support from the even smaller number of Muslims of African descent [i.e. negroes–Ed.].

But what are the east Indians doing there? How did they get there? When did they arrive?—certainly not as slaves of the “jewish” slave-traders (or “slavers”), and certainly long **after** Columbus came and left the Caribbean, or he would have been right in calling the original natives of these islands, “Indians.”

* * * * *

About this “Nation of Islam”

About this “Nation of Islam”:

The evil mad “Nation of Islam” scientist is **not** Boris Karloft—that was just an old black and white joke—but rather “Yakub.”

Again from wikipedia.org: “Yakub”:

This article covers the figure in the theology of the black nationalist organization Nation of Islam. The name, also spelled Yaqub or Yakob, also applies to the mainstream (traditional) Islamic view of the Biblical Jacob....[Yes, but with a very different and unMosaic twist.–Ed.]

According to the Nation of Islam (NOI), Yakub (also spelled Yacub or Yakob), **was an evil scientist responsible for creating the white race—a race of devils**, in their view.

[Note: In my mythology, there is only one “**devil**” (“slanderer”), with countless “demons,” or Satanic children. (John 8:44)

“Demon” was originally a Greek (and Roman) word meaning spirit, and neither good nor bad, like the Chinese “dragon.”

And so the KJ bible verse that Mary Magdalene had been possessed by “seven devils,” e.g., is a gross mistranslation. (Luke 8:2) (For “there is only one.”—Max Von Sidow)—Ed.]

Yakub created white people by a process of grafting the “black germ” to a “white germ” from the original black population of the world. [Shouldn’t that be the other way around? And where did “Yakub” get the white seed or “germ”?—Ed.] It took 600 years for Yakub and his successors to fully whiten his creations. This was achieved under a despotic regime on the island of Patmos. [in the Aegean, whereupon the apostle John wrote his Apocalypse/Revelation—Ed.] The reasons for Yakub's actions are unclear. According to NOI doctrine, his progeny were destined to rule for 6,000 years before the original black peoples of the world regained dominance, a process that began in 1914. [citation needed]

The doctrine of Yakub was first proclaimed by [NOI founder—Ed.] Wallace Fard Muhammad and was later developed by his successor Elijah Muhammad.

The name Yakub is a variant of the Semitic name referred to in European language versions of the Bible as Jacob or in modern Jewish communities as Ya’akov. **Fard Muhammad appears to have adapted the Biblical Jacob's role as the father of**

...[Moses the Egyptian's twelve mythological—Ed.] **tribes of Israel to reposition him as the originator of white people as a whole (including Jews).**

* * * * *

But lest it be imagined that all NOI's can't or won't tell the difference between an European and a "jew": And lest I do wikipedia.org too much honor: From "Nation of Islam and anti-semitism":

Claims that the Jews "control the economy"

[What? Like they don't? And how? Via their Satanic money.—Ed.]

For many years certain Nation of Islam (NOI) ministers have been preaching that "the Jews" control the American economy and the world economy. Statements to this effect can be found in their newspaper, The Final Call, and in speeches given in their temples and on college campuses.

For example, the Dallas Observer recorded this dialogue between Nation-of-Islam leader Louis Farrakhan and an audience to which he was speaking:

Farrakhan: "Is the Federal Reserve owned by the government?"

Audience: "No."

Farrakhan: "Who owns the federal reserve?"

Audience: "Jews."

[I wish my Euro people knew the Truth about this evil "jewish" "central bank"ster money—this "beastly" "jewish" debt-token, monopoly-money. (Apo./Rev. 13:11-18) I've carefully and painstakingly explained it all to them (and all others) within my Twin Problems and Solutions: Both Political and Economic/Monetary—available for free download from thehouseoftroy.com And not only that, but how to create, circulate, use and keep or maintain their very own honest (ample, stable and debt-free) money—that they may never again owe the "jews" any "principle" nor "interest." But they evidently don't or won't read it. What's they saying about horses and water?—Ed.]

Farrakhan: "The same year they set up the IRS, they set up the FBI. And the same year they set up the Anti-Defamation League of B'nai Brith...It could be a coincidence...[I want] to see Black intellectuals free...I want to see them not controlled by members of the Jewish community." (Source: Dallas Observer on-line, August 10, 2000)

....References to Jews as "bloodsuckers"

[What? Like they're not? And how? Via their Satanic money. Note also their mass-media monopoly.—Ed.]

Some NOI ministers have called Jews bloodsuckers. For example, in his Savior's Day speech in Chicago, Illinois, February 25, 1996, Louis Farrakhan preached:

And you do with me as is written, but remember that I have warned you that Allah will punish you. **You are wicked deceivers of the American people. You have sucked their blood. You are not real Jews**, those of you that are not real Jews. [90% of all so-called "jews" are actually Gentiles—converts to "jewishness" (Talmudism, Phariseism, anti-Mosism and anti-Christendom/) from the 8th century A.D.—Ed.] **You are the synagogue of Satan** [Apo/Rev. 2:9 & 3:9—Ed.], **and you have wrapped your tentacles around the U.S. government, and you are deceiving and sending this nation to hell.** But I warn you in the name of Allah, you would be wise to leave me alone. But if you choose to crucify me, know that Allah will crucify you."

And as for being a dirty or “gutter religion,” all one need do is read certain passages from their Satanic “jewish” bible called “Talmud.” You will not believe what you’re reading—nor that humans, supposedly made in the image and likeness of God, could write, keep and revere such very demonically dark and evil things as their “religion.”

And if we see “NOI cooperation with bigoted groups: NOI cooperation with Holocaust deniers,” we can see that wikipedia presents false as true, and true as false: It’s wrong (if not “bigoted,” hateful or evil) to believe that “Jews control the economy” and/or are “bloodsuckers”; and yet it’s “bigoted” **not** to believe these omnipresent and incessant racial slanders of “jews” against Gentiles—which wikipedia thus presents as gospel truth. And wikipedia is therefore far more “jewish,” biased and racist than it/they admit.

* * * * *

And another good thing the “Nation of Islam” did—(aside from discouraging and preaching against black/negro sin, sensuality, violence, predation/predatoriness, drug addiction, trafficking, prostitution, etc.)—was to publish a book on this exclusively “jewish” business of new world slavery, and even using or quoting old “jewish” sources. (I never bought a copy because I thought it was overpriced.)

In fact, the U.S. gov’t was seriously considering granting the “Nation of Islam” a huge national contract to be the private security force for many of those federally-funded (i.e. taxpayer funded) “housing projects.” But the “jews” put their foot down and forbade it, screeching “anti-semitism.” And that was the end of it.

From wikipedia.org: “Nation of Islam: Actions and Programs”:

During the 1980s crack cocaine epidemic, the United States Department of Housing and Urban Development employed several private firms run by members of the Nation of Islam to provide security in housing projects in black neighborhoods. The Anti-Defamation League was successful in lobbying congress to sever the HUD contracts.

* * *

What I like and respect about the “Nation of Islam” is that they’re not predatory. They’re not bloodsuckers. They don’t want to prey on other races—such as mine. They preach and practice black/negro self-reliance and racial/national freedom of association—which therefore includes the reciprocal right of secession, separatism and self-determination for every **other** tribe, race or nation, along with their own—with whom they are naturally most concerned, just like the rest of us. (Or why should you love and care for **my** family, tribe, race or nation more than your own?—or vice-versa?) They simply want a living-space of their very own wherein they can be free, self-governing and prosperous. And don’t we all?

And I couldn’t agree more. For how can an individual (or group) go his (or their) own way if he is (or they are) tied or hand-cuffed to others?—with whom he (or they) would rather be free or rid of, because he (or they) far better off without?

For, as in the animal kingdom, there are such predatory creatures, you know—predatory humans—both individual and tribal or racial. And don’t look now, but they are aligned with (and subordinate to) “jews.” (See “Marxism,” “communism” and/or “zionism”: These are all predatory -isms. And they’re all “jewish.” Coincidence? Or Satanic super-racism, Super-Racism and Satanic “jewish” imperialism or “messianism”?) And pay closest attention to the predatory racial alliance between “jews” and negroes to prey upon Europeans.

And so of course all good shepherds from all good tribes, races, and nations seek to protect their flocks from such predatory “jewish” beasts (and their evil Gentile lackeys and allies). And all good shepherds do this by insisting upon racial freedom of association and self-determination, upon creating and maintaining great big fences, spaces or distances between their people and their racial predators, and upon weaponry—should these racial predators or predatory races (esp. “jews” and negroes) charge or invade their tribal, racial or national spaces.

There is no freedom without freedom of association, and can be none. And this freedom is both individual and familial, tribal, racial, national. For how can anyone or any tribe be free within the claws, jaws or “legislative” jails of his racial enemies or predators? And predatory races will of course never grant their racial prey this life-giving space they desperately need to survive their racial predation. For as always, predatory races laugh in the face of others’ tribal, racial or national claims of “self-determination,” just as rapists laugh at a woman’s “No,” or “Please don’t!” And therefore, like wolves from sheep, only force can repel them. And therefore all would-be racial prey must be armed to the “freedom teeth” against their racial enemies.

And so the last thing Bloomberg and his super-racist or Super-Nazi tribe of God- and Gentile-haters, predators and destroyers want is such armed Gentile women, families, tribes, races and nations—thus armed and capable of defending themselves from the likes of them and their super-racist imperialism (Marxism, “communism,” “zionism” or “messianism”) and Satanism. And so these Satanic monsters tyrannically, despotically or “legislatively” insist that everyone must be disarmed (and therefore defenseless) but them and their fellow wolf pack, tribe, race or nation, along with their evil, traitorous, slanderous, violent and murderous Gentile lackeys.

Can you see that? Can you see what’s really and truly going on here, dear readers—beneath all the “jewish” lies, slanders, shepherd’s’ clothing, and promises and pretenses of (Gentile) public protection? These “bestly” or imperial anti-Christ demons will “protect” you and yours (in their “American Union” or “Union of the Americas”) just like they “protected” the Russians and Slavs within their “Soviet Union”: by genocidal Marxist-“jewish” red terror: by mass-murdering the best of you and forever enslaving the rest of you.

The simple truth is “jews” hate, slander and attack any and all Gentiles they can’t control or buy—any Gentiles who decline or refuse to be their (racially traitorous) lackeys—any Gentiles who will not betray their families, tribes, races or nations for them. In short, “jews” “jews” hate, slander and attack any and all Gentiles who are any damn good—as the rest of them are clearly **no** damn good at all. And so yes, those few good Gentiles obviously include this “Nation of Islam.” And so God-bless and good luck to them.

* * *

And so if JAM is truly like this “Nation of Islam,” then Bloomberg, Cohen, Kelly, their “Joint Terrorism Task Force” and “jewish”-Amerika’s imperial secret police are correct, from their Satanic point of view, in thus terror-plotting against JAM.

But they are incorrect in thus seeking to defame or slander Mohammedanism or “Islam” through JAM. For, if like the NoI, they are not Mohammedans, but rather black or negro nationalists.

But then one might argue Bloomberg and co. are still right, from their Satanic point of view, because most Americans don’t know this, and because they know they don’t need to fool **all** of the people **all** of the time, but merely their ignorant and (Bloomberg/JTTF) terrified democratic **majority**, and especially around election time.

(You can lead the Gentile public to truthful water, but you cannot make them drink.)

And all alleged “authority” proceeding, derived, extracted or extorted from a gov’t-deceived or gov’t-terrorized citizenry is illegitimate, null and void. (See “9/11”)

State-terror is no basis for state-gov’t nor state authority, but rather the very best argument for the immediate end and punishment of that gov’t, that terrible gov’t, that terror-state tyranny.

* * * * *

How and Why the Mohammedan “Jesus” is not Jesus

Again, the foreign target of this JTTF “investigation” is described thus (in footnote 3 on pgs 12 & 13):

Jamaat al Muslimeen ("JAM") is a [black/negro Mohammedan or—Ed.] Muslim organization based in Trinidad. **Over a six day period in 1990, approximately 100 members of JAM staged a coup attempt in Trinidad, storming the Trinidad Parliament building and taking the Prime Minister and Cabinet hostage.** The siege led to chaos and widespread rioting in the streets of Port of Spain, Trinidad, resulting in numerous deaths. [But this was not JAM's doing, for negroes almost always riot when they see an opportunity, don't they? Witness New Orleans; witness Haiti.—Ed.] **The JAM members involved in the coup attempt received general amnesty to end the hostage standoff. Over the past several years, JAM has been involved in several murders, kidnappings for ransom, narcotics and weapons trafficking, money laundering and extortion.**

* * * * *

(Note: I don't know if that last accusation is true, or merely more "jewish" slander, but many many negroes claim to be Mohammedans, and are not. Their claims are false and pretentious. For they do not follow Mohammed's instructions/commands, as set out in his book, the "Recitation" or "Koran."

The "Nation of Islam" e.g. comes to mind. They claim and preach e.g. that people like me (i.e. Europeans) were created in a laboratory by a evil scientist. Needless to say, this is not in the Koran.

(And why couldn't he have been a "good" scientist, instead of an evil one? Because I'm not?—or because all fruit is and must be of its (genetic) tree?)

And furthermore, from wikipedia.org: "Nation of Islam: Beliefs and theology":

The main belief of The Nation of Islam and its followers is that there is no God but Allah. [So far, so "good."—Ed.] **However, they redefine "Allah" by saying "who came in the person of W. D. Fard." Fard was the Moorish Temple representative who founded the Nation of Islam that was then adopted by Elijah Muhammad. Their teachings are heretical by traditional Islamic standards which abhor the deification of any person, or the anthropomorphization of God.**

And that's why Mohammedans can never accept Jesus-God: because (in their mythology) God can never be a man.

I was once politely told by a group of Mohammedans inside one of the many Atlantic Ave. (Brooklyn) Mohammedan bookstores—(wherein Abdullah Yusuf Ali's English translation (and most helpful historical or contextual explanation) of the Koran predominates)—that Jesus never even said He was the **son** of God. But I knew better, and politely said so.

And I'm afraid (or rather glad) Jesus-God said much more than that—to any with ears to hear and eyes to see (or read)—and even to the spiritually deaf and blind. And furthermore, I don't doubt Him one bit, jot nor tittle. (See e.g. Why the Father and the Son are Really, Truly One. It's free for the taking/downloading from thehouseoftroy.com)

The Brooklyn Mohammedans were referring to Koran 5:119-22, 9:30-31 & 3:55-56, wherein these things are indeed said (by Mohammed, but not by Jesus-God). In fact, Mohammed presumes to place words in Jesus' mouth. In other words, the faithful Mohammedans of Atlantic avenue were confusing the words of Mohammed with the words of Jesus-God.

And so, regardless of what you may think of Mohammed and his book—(whether good, bad or mediocre; inspired, pretentious or blasphemous)—many negroes (and others) claim to be his faithful followers, but are decidedly not.

And this misuse or abuse of a religious founder's name is not, of course, peculiar to Mohammedanism—or as they prefer, "Islam." (See e.g. Mosesism and Christianity; Deut. 9:24 & 31:27; Matt. 24:4-5 & Mark 13:5-6)

* * * * *

In an apparent attempt to drive a fatal Mohammedan nail into the coffin of the divinity of Jesus-God, the author (or “reciter”) Mohammed puts his own words into the mouths of both celestial characters—the Father and the Son of God—as if they were two and not One unified God. (See also Koran 5:113)

Here (and hear, if you can) Jesus-God from His own lips deny His own divinity (before the future judgment throne of one true god of the Mohammedans)—a divinity He had repeatedly, both obliquely and plainly, proclaimed on earth to any and all with ears to hear. (Again, if you want to know the real McCoy, see Why the Father and the Son are Really, Truly One.)

(Plainly, how time, or else the blasphemous pretences of men, authors and “prophets,” can transform a man, a god, or a god-man—or rather **the** God-man—into something completely different!)

But the faithful Mohammedan either ignores these “New Testament” scriptural contradictions of his Arabic prophet, or else dismisses them as later interpolations and blasphemies against both God and His subordinate and submissive “apostle” or “prophet” Jesus.

And behold **God will say: “O Jesus the son of Mary! Didst thou say unto men, ‘Worship me and my mother as gods in derogation of God?’”**

He [Jesus–Ed.] will say: ‘Glory to Thee! Never could I say what I had no right (To say). Had I said such a thing, Thou wouldst indeed have known it. Thou knowest what is in my heart, though I know not what is in Thine. For Thou knowest in full all that is hidden.⁸²⁹ Never said I to them aught except what Thou didst command me to say, to wit, ‘Worship God, my Lord and your Lord’;... [Koran 5:119-20]

829. **Jesus disclaims here any knowledge of the sort of things that are attributed to him by those [“Christians”–Ed.] who take his name.** The worship of Mary, though repudiated by the Protestants, was widely spread in the earlier Churches, both in the East and the West. [English translator Abdullah Yusuf Ali’s Note #829]

Again, and in the same vein:

Behold! **God said: O Jesus! I will take thee and raise thee to Myself and clear thee (of the falsehoods)³⁹⁵ of those who blaspheme; I will make those [“true” Christians–Ed.] who follow thee superior ³⁹⁶ to those [“false” Christians–Ed.] who reject [Mohammedan or Islamic–Ed.] faith, to the Day of Resurrection: Then shall ye all return unto me, and I will judge between you of the matters wherein ye dispute.³⁹⁷ As to those who reject faith, I will punish them with terrible agony in this world and in the Hereafter, nor will they have anyone to help.” [Koran 3:55-56]**

395. **Jesus was charged by the Jews with blasphemy as claiming to be God or the son of God. The Christians** (except a few early sects which were annihilated by persecution, and the modern sect of Unitarians, who are almost Muslims) **adopted the substance of the claim, and made it the cornerstone of their faith. God clears Jesus of such a charge or claim.** [Ali’s Note #395]

Evidently God, at least until the time of Mohammed, had never read the “New Testament” book of Jesus.

396. **Those who follow thee: The Muslims are the true Christians,** for they follow (or should follow) **the true teaching of Christ, which did not include the blasphemy that he was God or the Son of God** in the literal sense. But there is a large body of men, who by birth inherit such teaching nominally, but their hearts do not

consent to it. [Could the same be said of many who inherit Mohammedanism with (or rather as) their mother's milk?—Ed.] Their real Muslim virtues (which from their point of view they call Christian virtues) entitle them to be called Christians, and to receive the leading position which they at present occupy in the world of men. [Ali's Note #396]

Again, all those "Muslims" who wish to be "true Christians" must at least know "the true teaching of Christ, which **did not** include the [alleged—Ed.] blasphemy that he was God or the Son of God in the literal sense."

The "Son of God" is metaphorical. But "that he was God" was literal.

Again, go to the "New Testament," the gospel of John, or Why the Father and the Son are Really, Truly One, free for the taking from thehouseoftroy.com

("Meet the new Boss./ Same as the old Boss.")—(Who?)

Mohammed's "Jesus" is simply not Jesus, but merely a fictional character concocted by Mohammed, as we just read.

397. All the controversies about dogma and faith will disappear when we ["people of the Book": Mosites (as long extinct (if ever truly extant), and very distinct from and opposed to anti-Mosite "jews"), Christians and Mohammedans—Ed.] **appear before God.** He will judge not by what we profess but by what we are. [Ali's Note #397]

Finally we come to the upshot or conclusion of Mohammed's religious "criticism" of Jesus-God as a false god, and of Christianity as pagan disbelief of God's truth: the Mohammedan condemnation of Christians and their religion via "God's curse."

And we Christians should know, even before we arrive there, where the curse of the Mohammedan prophet or god will lead or take us—to Mohammedan hell. Stay tuned Christians, and bring your marsh-mellows.

The Jews call 'Uzair [Ezra—Ed.] a son of God, and **the Christians call Christ the Son of God.** That is a saying from their mouth; (in this) they but imitate ¹²⁸⁴ what the Unbelievers of old used to say. **God's curse be on them:** how they are deluded away from the Truth! They take their priests and their anchorites [monks—Ed.] to be their lords in derogation of God, and **(they take as their Lord) Christ the son of Mary; yet they were commanded to worship but One God: There is no god but He. Praise and glory to Him: (Far is He) from having the partners they associate (With Him).** Fain would they extinguish God's Light with their mouths, but God will not allow but that His Light should be perfected, even though the Unbelievers may detest (it). It is He Who hath sent His Apostle [Mohammed—Ed.] with Guidance and the Religion of Truth, to proclaim it over all religion, even though the Pagans may detest it. [Koran 9:30-33]

1284. Taking men for gods or sons of God was not a new thing. All ancient mythologies have fables of that kind. There was less excuse for such blasphemies after the apostles of God [excluding Jesus-God while yet including Mohammed "Mustafa" ("the chosen one"—Ed.) had clearly explained our true relation to God than in the times of primitive ignorance and superstition. [Ali's Note #1284]

Are "angels" not "partners" with God? Indeed, are the "mythological" "sons of God" in Genesis 6:2 and Job 38:7—which book some say the "apostle" Moses also wrote)—not mythological "angels" around a "mythological" throne of God? And is faith in these "angels" or "sons of God" not a "blasphemous" belief against the solitary "unity" and glory of God, and an indication of "primitive ignorance and superstition"?

If so, where then does that leave Mohammed and his alleged inspiration, the "angel" "Gabriel"—whom none of his friends ever claimed to see or hear—but in the ignorant, unenlightened, and "ancient" past of superstitious, superseded and discarded creeds?

* * *

And so here's the theological/prophetic problem: If Mohammed denies God—(and he surely does, as we just read)—then how can he truly claim to be God's messenger? He can't, right?

And if the basis and heart of Mohammedanism is this denial of (the divinity of) Jesus-God—(and it surely is, as we just read)—then how can it be said to be divine, prophetic, inspired? It clearly can't, right?

And anyone who could put such false words in God's mouth clearly has neither respect nor fear of God. Can you see that?

And so either Jesus or Mohammed is a prophetic fraud. You can no longer have it both ways.

(You never really could. For your "prophet's" "Jesus," like the Roman ("Catholic") "Jesus," was never really Jesus.)

So take your pick. Or else deny both. I won't be offended. For Jesus has **always** been denied, and especially by those who **claimed** to know Him, but did not, and so "religiously" mislead countless souls astray from this one true God from Capernaum bay. (Matt. 24:4-5, 12:30 & 7:23)

"And you shall know the Truth, and the Truth shall make you free."—(John 8:32)

The ball is in your court now, my gentle Mohammedan readers. So don't let the Truth be a "curse" to you, nor me.

* * * * *

"The JFK 'Plot': Another Grossly Inflated Threat," by Bill Van Auken

Note well, dear readers, how Truth is simply not forthcoming from "jews"-paper and "jewish" TV & radio hirelings (and Gentile traitors).

For mostly they merely and mindlessly regurgitate "jewish"-Amerika's super-state, state, and city or local gov't statements (and hence propaganda) as gospel truth, and thus grossly mislead the public—which is clearly their job, function, purpose—for which they take their bloody Judas money. Yes, that's clearly their job: to deceive, lie and to slander for the "jews."

Have you heard the ones they tell against the Germans?

"Who hasn't?"

And so it clearly takes someone **not** of these "jewish" group(s) to tell you not only what the anti-Christ or "jewish" gov't said, but what that really means or portends—and hopefully even the Truth besides, and as in the following article.

* * * * *

"The JFK 'Plot': Another Grossly Inflated Threat," by Bill Van Auken—published on June 7, 2007 on globalresearch.ca

The weekend's news in the US was dominated by screaming headlines and sensationalist broadcast coverage of an alleged plot in New York to blow up John F. Kennedy International Airport's jet fuel tanks and supply lines. The attack would have been, according to many accounts, "more devastating than September 11."

Four men were charged in an indictment [<http://www.usdoj.gov/usao/nye/pr/2007/Defreitas.complaint.pdf>] unveiled Sunday that included **features that have become almost invariable in every such "terror" case brought by the government in recent years. First, the suspects had not only carried out no acts of terror, but they apparently lacked any means to realize such an attack. Second, a central figure in the alleged plot was a paid undercover informant of the FBI.**

[But this isn't always the case. Case in point: the bomb materials used in the first World Trade Center bombing of 1993 were supplied by the imperial secret police of United States gov't, called the "Federal Bureau of Investigation" (FBI).

But don't take my word for it: Research it; educate yourselves; smell the tyranny—along with the US governmental or "state-sponsored terrorism."

They evidently love the smell of tyranny and terrorism in the morning, afternoon or evening—down there in Washington D.C. and in many U.S. state capitols, and imperial cities, such as NYC.—Ed.]

Broadcast networks spoke of the worst threat since the attacks on New York and Washington in 2001, while **reporters were sent out to conduct random interviews with passengers passing through JFK as well as residents living near the pipelines, asking how they felt about their supposed near brush with death.**

[Yes, but they only pick those responses which suit their secret purposes, and further their not-so-hidden, fear-mongering, public-terrifying, "jewish"-communist-soviet police-state agenda. And this is what they call "editing."

See e.g. Zuckerman's Daily News above.—Ed.]

As usual, New York City's tabloids excelled in this sensationalism. **Rupert Murdoch's** ["jew"—Ed.] New York Post Sunday referred to the alleged plot in its headline as an "inferno plan" and carried an editorial stating that the purported plan "to do calamitous damage to JFK International Airport and surrounding residential neighborhoods **underscores yet again the overarching threat Islamist terrorism poses to America.**"

[Question: Does "jewishism" in all its various forms: Marxism, communism, humanism, zionism, "messianism," "Israelism"; in short "jewish" imperialism or Super-Nazism—not pose an infinitely greater threat?—and not merely to America, but to the entire (Gentile) world?—Ed.]

The New York Daily News [of Zuckerman, another "jew"—Ed.] on Monday carried five pages on the "plot," with a ludicrous front-page headline, "**Evil Ate at Table Eight,**" promoting an inside interview with the Brooklyn waitress who served a meal to **Russell Defreitas, whom the paper describes as the "mastermind" of the alleged plot,** just before he was picked up by federal agents and police.

[Russell Defreitas: Evil incarnate? Zuckerman says so. So it must be so?—Ed.]

Yet the profile of Defreitas, a 63-year-old US citizen who emigrated from Guyana 25 years ago, **hardly suggests a terrorist "mastermind."** A former friend [Mr. Watts?—Ed.] describes him as **someone who, before becoming a Muslim, had declared himself a Rastafarian and grown dreadlocks.** [This is the only place I've seen or read this.—Ed.] He recalled his involvement in **various business schemes to ship air conditioners or refrigerators to Guyana, none of which ever came to anything.**

"He couldn't even fix brakes," **the former friend said. "He never built bombs."**

[And yet the FBI claim they have a secretly-recorded tape wherein Defreitas claims he built bombs in Guyana.—Ed.]

Other accounts described him as a retired worker living in an impoverished Brooklyn neighborhood, who **on various occasions had been homeless.** New York Newsday, for example, reported, "Since being laid off from his job as a cargo worker several years ago, Russell Defreitas has lived a meek existence—**at times sleeping in trains and trying to eke out a living running two-bit scams, selling incense on street corners and collecting welfare,** acquaintances said."

Also charged in the indictment are Abdul Kadir, a citizen of Guyana and former member of the Guyanese Parliament, and Kareem Ibrahim, a citizen of Trinidad, both of whom are under arrest in Trinidad awaiting a hearing on a US extradition request. **Lawyers for the two said that they would fight extradition, likely raising the US record of torturing terrorism suspects.** [or rather anyone they merely **accuse** of "terrorism," thus pseudo-"justifying" the torture (in their evil "jewish" minds), and thus

“extracting” whatever terrible “confessions” they thus desire and demand—(thus pseudo-“justifying” the torture once again)—in exchange for their mere promise to stop the torture. And they are trying to terrorize the Americans into complete surrender to them, in exchange for their promises of protection from terrorism. But they are the terrorists. Do you see?—Ed.] A fourth defendant, Abdel Nur, also a citizen of Guyana, has yet to be arrested.

[Again, he voluntarily surrendered to police in Trinidad on Tue, June 5, 2007.—Ed.]

A key figure in the alleged plot, however, is named in the indictment only as “the source.” He is identified as a convicted drug trafficker who, in exchange for favorable consideration on a pending jail sentence as well as cash payments, agreed to infiltrate the supposed terrorist cell.

Much of the evidence contained in the indictment consists of recordings of conversations between “the source” and the defendants. **What emerges clearly, however, is the leading role this “informant” played in the alleged plot. Defreitas is quoted as saying that they saw him as someone “sent by Allah” to lead them.**

The indictment also refers to meetings and recorded conversations between both Defreitas and the source and individuals in Guyana, who are identified only as “Individuals A through F.”

These six unnamed men are quoted proposing a wide range of terrorist activity, including smuggling “mujahideen from Asia into Guyana and then into the United States,” blowing up US helicopters at the Guyanese airport and the plan to blow up the JFK fuel system. On this last proposal, these unnamed individuals also suggest the use of dynamite and chemical explosives and advise on how to obtain these materials. One of these individuals also proposes that the plotters seek the assistance of a Trinidadian Islamist group, Jamaat al Muslimeen. **In the account of these conversations, Defreitas is not quoted as saying anything.**

The obvious question is why these six unnamed “individuals” have not been charged. One likely explanation is that they too were, in one form or another, participants in an elaborate effort to ensnare a hapless and sometimes homeless retiree and others in a plot that was fundamentally staged by the US government for its own purposes [along with the Guyanese and Trinidad gov’ts—Ed.].

The blood-curdling accounts in the media largely reflected the highly charged language of US prosecutors and police officials in presenting the indictment. Roslynn Mauskopf [“jew”?—Ed.], the US attorney in Brooklyn, New York, in announcing the charges, said, “Had the plot been carried out, it could have resulted in unfathomable damage, deaths and destruction.” She added, “The devastation that would be caused had this plot succeeded is just unthinkable.”

The words “unfathomable” and “unthinkable” were undoubtedly chosen carefully, as **the type of chain reaction of explosions described in the indictment was quite simply impossible.**

[Yeah that’s true, but I’m sure she didn’t mean it that way, that truthful way.—Ed.]

Both airport security officials and pipeline experts dismissed the allegedly catastrophic disaster that supposedly would have been triggered by blowing up a fuel pipeline or storage tanks. While the federal indictment suggested that such an explosion could travel along the pipelines linking tanks in Linden, New Jersey into Brooklyn, New York and across the borough of Queens, this is impossible, both because the pipelines are equipped with safety valves that shut off the flow of fuel in event of a leak and because there is inadequate oxygen inside the pipes to sustain a fire.

The New York Times, whose skepticism about the federal indictment was clearly signaled by the newspaper placing stories on the JFK “plot” on its Metro

pages, quoted Neal Sonnett, a defense lawyer and former federal prosecutor, as saying, "There unfortunately has been a tendency to shout too loudly about such cases."

The Times article went on to say that Sonnett, also a former president of the National Association of Criminal Defense Lawyers, "noted that there is a broader risk in overstating the sophistication of a terror plot. **At a time when many Americans live in justified fear of an attack, the risk is that** [such "jewish"-Amerikan gov't and mass-media-Ed.] **drumbeating creates a climate of fear and drives public policy.**"

There is every reason to believe that the succession of "terror" cases, each one weaker than the last and virtually all of them driven by "informants" who seem to play more the role of agents provocateur, are aimed at achieving precisely this effect. They serve as a means of intimidating public opinion with fear, justifying attacks on democratic [sacred, "inalienable" constitutional-Ed.] rights and diverting attention from the ongoing debacle in Iraq.

The problem faced by the government is that the public is growing increasingly skeptical about these cases, with a sizeable portion of the population having concluded that they are trumped up for political purposes.

[See the polls of all the New Yorkers and other Americans who simply don't believe the official 9/11 story/ies.-Ed.]

Under these conditions, the danger is that those who now control the reins of power in Washington [and the various states and capitals-Ed.] may be concluding that something more tangible is needed.

[And they're just the mass-murderous psychos to do it too, yet again and again and again...unless and until they are finally exposed as the governmental or state-terrorists they are, and hence stopped in their bloody terror-tracks.-Ed.]

On the same day that the alleged JFK "terror plot" broke in the news, the Arkansas Democrat-Gazette published a revealing interview with that state's new Republican Party chairman, who described himself as "150 percent for Bush."

"At the end of the day," said state party chairman Dennis Milligan, the owner of a water treatment business, "I believe fully the president is doing the right thing, and I think **all we need is some attacks on American soil like we had on [Sept. 11, 2001], and the naysayers will come around very quickly...**"

The question is whether elements in the Bush administration are reaching similar conclusions and preparing to engineer or allow another round of terrorist attacks "on American soil" as a pretext for suppressing the overwhelming popular opposition to its policies.

* * * * *

Don't Believe Bloomberg's Denials

Now if and when the "terrible" truth about their framing or entrapping of Defreitas etc. becomes too well known, Bloomberg may try to distance himself from his NYC JTTF, by claiming that he (and his CIA agent Cohen) are not its masters. But don't believe it; for this too is untrue, even though it is true that:

The first JTTF was established in 1980 in New York City, with 10 FBI special agents and 10 detectives from the New York City Police Department. Prior to September 11, 2001, the United States had 35 JTTFs. Shortly after the attacks, FBI Director Robert Mueller ["jew," just like the one before him (Freeh)–Ed.] instructed all FBI field offices to establish formal terrorism task forces. There are now 100 Joint Terrorism Task Forces nationwide, including at least one at each of the FBI Field Offices.

[from wikipedia.org ("Joint Terrorism Task Force")–Ed.]

For, unlike any other American city, Bloomberg's police force is actually an **imperial** police force, with secret police spies scattered not only anywhere in the United States Bloomberg may choose to send them, but even throughout the entire Gentile globe. (See the as-yet-unpublished chapter, "On Bloomberg's Brand-New, Post 9/11, 'Jewish'-Amerikan Imperial Secret Police Force of NYC.")

And furthermore, even Bloomberg himself thus publicly admitted that he and his NYPD knew all about this international JTTF terror-plot: "Working together, NYPD and other local and federal law enforcement agencies have been on top of this unfolding plot for months, and they deserve our thanks and praise."—(WCBS TV, NYC, June 3, 2007)

"On top" is right. **It's their plot!**

(By "unfolding" Bloomberg means that he and his imperial police didn't concoct or originate this international terror-plot. But I intend to show you that they in fact did.)

And furthermore, Bloomberg and his imperial "intelligence" czar or spy-chief, a fellow "jew" and "former" C.I.A. agent for 35 years named Cohen, have just published a 90 pg. "study" aimed at the heart and soul of the American way of life, her citizenry and their constitutional liberties, entitled Radicalization in the West: The Homegrown Threat, available from nyv.gov/nypd

The basic idea is that anyone (outside of the N.Y.P.D., the C.I.A. & the J.T.T.F.) may be a terrorist, a "homegrown" terrorist. And these sneaky people are "unremarkable" or undetectable until it's too late—when they become "terrorists." (See e.g. Defreitas. What more "proof" do we need?) And therefore **everyone** has to be watched or spied upon by Bloomberg's imperial secret police, and especially Mohammedans. For, like those pod people from outer space, you never quite know when they're gonna change into "terrorists" or "terrible anti-Americans"—which Bloomberg & co. thus pretend **not** to be—in thus pretending to **protect** us and **defend** our "American way of life" against the likes of them.

And therefore all those quaint pre-9/11 notions like the United States constitution; liberty; freedom of association, assembly, speech, publication, internet communication, etc.; and the American way of life have no place in Bloomberg's Marxist, communist, soviet, anti-Christ or "jewish"-Amerika. For they allegedly facilitate this alleged "homegrown terrorism." And it must be "homegrown" in order to pseudo-justify what these official, governmental, Bloombergian anti-Americans intend to do to America.

Again and again it's the same Satanic "jewish" theme: 9/11/2001, the "day that [allegedly] changed the world forever," is Evil's pseudo-justification for all the evils It (and Its servants) intend to do to the Gentile world. They've already launched their world war III (against Afghanistan and Iraq). And they'd already have attacked or invaded Iran if it weren't for the "awesome" patriotism and nationalism of the Iraqis. And they've already shredded and incinerated the United States' constitution and all its "inalienable" liberties. For citizen liberty is contrary to their post 9/11 plans for America and the world. And they clearly intend to continue to do the evils to the Gentile Americans that they've been doing to the rest of the Gentile world for nearly a century now. For Evil can never get enough power. In other words, Evil can never degrade and enslave us Gentiles enough.

And so these alleged **anti**-terrorists (of Bloomberg & co.) are thus officially announcing their desire and intention to **continue** to destroy America and her way of life in order to **save** her from this all these alleged and as-yet-undetected (because "unremarkable") "homegrown terrorists."

Evil is always playing the White Knight, the Savior, the Protector, the Good Shepherd, the Liberator—as in “Operation Iraqi Freedom.” That’s Evil’s act, pretense, mask.

But this “jewish”-Soviet-Marxist-communist murder and destruction of the American way of life is not at all what Bloomberg & co. mean by “radicalization.” Rather they mean anyone who would dare **oppose** or **object** to their anti-Americanism and global “jewish”-imperialism, whether Mohammedan, Christian or what-have-you? For such imperialist, Marxist, communist, zionist “jews” as Bloomberg & co. are not at all “radical,” but “conservative” or “nep-conservative.” They only want to “serve and protect” the American “way of life.” Believe that one and they’ll tell you another.

* * * * *

(The Only Right and Proper) Conclusion

I will say this to all Mohammedans of whatever race, nation and color: I have investigated, discovered and told you (and everyone else) the Truth concerning this matter, as your prophet Mohammed commanded you (2:42)—**your** prophet, not mine; and your “**last**” or “**final**” prophet, your “seal of the prophets” (33:40), not mine. For my God never died, and so still has things to say, even to this very day—for all to hear with ears to hear.

(And I would not that your “final” prophet should succeed in doing to all those (prophets) who came **after** him, what he clearly tried to do to all those who came **before**: to dismiss their messages as “corrupted,” and to presume to re-present them in his very own “divine,” “prophetic” or “angelic” words. See “How and Why Mohammed’s ‘Jesus’ is not Jesus,” above.)

And let me tell you this as well: These Americans and the others who do such terribly evil and slanderous things to you and your fellow religionists are not at all Christians. And if and when they say they are, they slander Christ like the anti-Christ Romans or “Roman-Catholics”—with their blasphemous “holy father,” and wafer-god, and their alleged other “sacraments,” their idolatry, their “Mary, queen of Heaven” and their innumerable other false gods or “saints,” etc. And also like the “Christian-zionists” or “zionist-Christians” who thus worship the enemies, torturers and murderers of Jesus-God (and His people) as if “God’s Chosen People.” For these are merely Satanists **pretending** to be Christians. And this is nothing new, but even older than Rome and Jerusalem.

For genuine Christians do not slander. But “jews” do. It is their way, and the way of their father, Satan the Devil. (John 8:44) And Satan’s children are known by their deeds, their father’s deeds—as are the children of God. For “like father, like son.” (John 8:38, 41, 44 & 47) And so whoever naturally and characteristically does Satanic deeds is clearly not of God, but of His eternal Enemy.

* * * * *

We know the head of the FBI (Mueller) is a “jew,” like Bloomberg. And we know the head of Bush II’s “homeland Security” (Chertoff) is a “jew” too.

Whether their NYC underlings are fellow “jews” or anti-Christ Gentile fronts, masks or disguises, like Kelly, I do not know for sure. As far as I can see, this information is not publicly available, and that alone is highly suspicious—as if the “jewish”-Amerikan media monopolists (like Bloomberg, Zuckerman, Murdock, ABC, NBC, CBS, PBS, etc., etc., etc.) don’t want us Gentiles to know the Truth about who these people really and truly are: genetically and spiritually; physically, racially, tribally, nationally and mentally, ideologically or religiously. For clearly everyone acts out his or her beliefs, values and morals.

But I would guess that both Mershon (FBI NYC) and Mauskopf (Brooklyn USDo“J”) are “jews.” And as such, and thus placed, they are in an official position to do these very evil and slanderous “jewish” things to these Gentiles. For such is the demonic “jewish” art and craft of slander and deception.

But then again many soulless, conscienceless, anti-Christian and anti-Gentile fronts, masks and servants of “jews” do these evil “jewish” things fairly “well” too—such as that guy on the right: a living affront and abomination to every decent and God-fearing Irishman.

photo by John Marshall Mantel for A P (June 2, 2007)

U.S. Attorney Roslynn R. Mauskopf (left), Mark J. Mershon from the FBI (center) and NYPD Commissioner Raymond W. Kelly lead an FBI news conference in New York.

* * * * *

Jew York City, like New York State, from the governorship on down the hierarchy, is all about race, the “jewish” race. It is an entirely racist state, as “jewish”-Amerika is an entirely racist empire, a “jewish” empire. And those who say otherwise, say falsely.

But I for one don’t think that being of a “politically incorrect” race or religion (i.e. Gentile and Christian or Mohammedan) is right, just or proper grounds for thus slandering or demonizing that very Gentile race or religion—as “jews” have for generations done to Germans, Christians, Arabs and Mohammedans—and in this case, black or Negro Mohammedans.

For there is no right grounds for slander of any race or religion. But there is always grounds for Truth and debate—as to the virtues or vices of any and all races and religions.

For there is no such thing as “racial [or national] equality,” sameness, identity or interchangeability. And therefore some tribes, races, nations and religions are more virtuous (and viceous) than others—or more divine (and hence Satanic) than others. And obviously we can never find out which is which if we are forever forbidden (or do not allow ourselves) to honestly talk about it. For how else (but by free speech and debate) are we to know the Truth?—or God for that matter?—should anyone ever wish to.

And note well how it is “jews” who most ferociously, censoriously, violently and murderously oppose all three: free speech/debate, Truth and God—in violent favor of their decide and Satanic usurpation (Matt. 21:33-46), and their demonic dogmatism or spiritual/intellectual dictation of their **alleged** Truths—(i.e. their falsehoods, lies and slanders). (See “Jews” Against Academia and The Satanic Jewish Holocaust)

The “jews” “win” the “debate” (or rather non-debate) simply by preventing one from ever happening; by criminalizing, persecuting and murdering Freedom of Speech; by their violent censorship, tyranny and “truth”-dictation (euphemized as “legislation”); by their mass-media monopolization; and by their eternal crucifixion of the eternal Truth.

In so far as any creed, ideology or religion violently or “legally” silences others, this spiritual, religious, ideological or intellectual intolerance and persecution is intolerable.

* * *

There shall and must be an endless debate about God, Truth, etc. For from the conception or description of God, and hence His alleged or supposed Will, all else follows and flows. You can see that, right?

My God is not your god, dear reader, and your (conception of) god is not mine. And so I cannot allow you to impose your god (i.e. yourself) upon me, and vice-versa. And so we understand each other, right?

There are those who say God has no place in their (Godless) states or states of Godlessness—those who would “separate church from state.” But is “humanity” not a god? Is the “people” (“demos”) and their “democratic will” not a god within all “democracies”?—which are therefore and necessarily all Godless? Simply because these gods are obviously false does not make them non-gods, nor their priests, champions, vicars or “representatives” any less false or untrue. And do those who would thus banish God from their kingdoms or states not seek to impose and deify themselves instead?—and thus to permit no one true God to stand in state before them? Is their “Law” therefore not their Satanic deification of their Godless demonic will, commands and desires? (See “jewish”-Marxism, -“communism,” -atheism, -“humanism” and/or “zionism” or “Israelism.”)

* * *

And wherever, whenever (and in so far as) any tribe, race, nation, ideology or religion must resort to violence or censorship to stop an evidently **better** or more **divine** explanation for this, that or the other thing, (such as this alleged “holocaust”), then its racial and spiritual poverty, inadequacy and inferiority is thus clearly and violently evident to all with eyes to see and ears to hear. For censorship or media monopolization, which amounts to the same thing, is merely the liar trying to keep the Truth (or a better, more convincing explanation) from being spoken and heard, and written, published and read.

* * *

See and hear, dear and gentle Mohammedans, how the big print “jews” from the Post to the News condemn the soul or spirit of you and your religion as violent, murderous, intolerant, bloodthirsty, terrible, terrifying, etc., etc., etc. And yet I know, in so far as you do not murder women and children, that this is false, and therefore slanderous—racially, tribally, nationally and religiously slanderous. Can you see that?

And the History of anti-Christ or “jewish”-Amerika is the History of the mass-murder, genocide and literal “holocaust” of women and children—and even **Christian** women and children. And this too is not at all Christian, but entirely “jewish.” (See e.g. On Recognizing (Demonic) Terrorists (through their Slanderous Masks): “Allied” Terror-Bombing during W.W. II)

And so we see that “Miss Liberty” has been in bed with her “uncle” Satan for a very long time now. So long, in fact, that she is now (and forevermore?) the “whore of Babylon,” and the “mother of harlots and [‘democratic’?–Ed.] abominations of the earth.” (Apo./Rev. 17:) And it ’twere infinitely better this “beastly” or imperial whore of her “uncle” Satan had kept her (and Its) spiritual, political and monetary/economic plagues to herself.

Can I get a witness (or two)?

* * * * *

The unidentified secret policeman above said it all when he said, “We had them [the four defendants–Ed.] on conspiracy long ago”.

For that’s **all** these imperial secret policemen have. But they wanted much more, didn’t they?

And it’s precisely because they **didn’t** get it, that they had their “press-conference” on that very Saturday, June 3, 2007.

So what do they have, at most? Or what is this alleged “conspiracy”?

The mere entertainment or consideration of this international, tripartite, secret-police terror-plot (between anti-Christ Amerika, Trinidad and Guyana)?

So what? That’s nothing.

For the three gov'ts of these secret police considered it first, didn't they? And so why shouldn't they be the very **first** to go to jail for it?

Should you or I, dear reader, as e.g. the co-organizers of a bachelor party for a mutual friend, go to jail for merely **considering** the purchase of "romantic" favors promised by a gorgeous undercover police-woman?

Or should we go to jail as "co-conspirators" for merely considering the purchase of some gov't-forbidden herb, medicine or weed from some other secret policeman?

Considering is not doing. And so our mere common consideration or entertainment of a secret police proposition is not "conspiracy."

The conspiracy here is between Bloomberg, Bush, their "Joint Terrorism Task Force," and the gov'ts of Trinidad and Guyana. And it is only because their terror-target, JAM, refused to even entertain their conspiracy, that it ended when and where it did: in Trinidad, where it did **not** begin.

(And therefore how rightly this "Joint Terrorism Task Force" is named, although I'm sure that they and their evil creators and managers would like us to think of them as an "**Anti-Terrorism** Task Force." But we can't. We know too much about them and their evil "jewish" ways.)

And this Bloomberg/ Bush/JTTF terror-conspiracy is against the American people, their constitution and their sacred, "inalienable" rights, liberties and way of life—as well as against these four accused black Mohammedans—if not even more so. For the obvious intent of this latest "terror"-scare carefully plotted and perpetrated by these two empire cities, Washington D.C. and NYC, is to further frighten and stampede the already gov't-terrorized American people into the awaiting barbed-wire claws and jaws of their pre-planned, "jewish"-Marxist-communist police-state—their pre-planned, "jewish"-Amerikan, "soviet-union," terror-state.

In other words, this terrible "jewish"-Amerikan "beast," empire or super-state ceaselessly craves and endlessly plots to drive, imprison and enslave all Gentile Americans (other than the "good" ones like Kelly) into their pre-planned and impatiently-awaiting "jewish"-Amerikan police-state.

For whatever beastly or imperial terrors **go** around, will eventually **come** around. Or what you do comes back to you. How and why, therefore, did the Americans imagine that the most violent and evil imperial beast which they, their presidents and their congresses had historically created, fostered, fed, clothed and armed, and repeatedly unleashed upon the Gentile world for damn near a century—would never, ever come back home to them, and thus do to them, within their very own borders, some of the very evils, tricks and "black operations" which it had for generations been doing to America's countless victims abroad?

So let's not go there, fellow Americans. Let us not be driven by fear and U.S. gov't sponsored terror into the infinitely greater terrors and horrors awaiting us from that very same gov't—and within its/their demonically-intended "jewish"-Marxist-communist, "soviet-Amerikan union." Let us not jump out of the "terrible" frying pan into the very fire that heated that pan.

But rather let us constitutionally arm ourselves to the "freedom teeth" against such terrible and traitorous anti-American conspiracies—in and out of the United States, the several states, and the Bloombergian city-states.

Ain't no dragon ever gonna save us from dragon fire. And this most Satanic and terrifying of all dragons never comes but (what else?) as **the anti-dragon**, and **the white knight**, and as our savior from all terrorism, foreign or domestic. And yet this alleged anti-dragon will not even permit us a bucket of water to defend ourselves from terrible fire-breathing dragons. What can this mean, signify, portend?

And how can these U.S. and N.Y.C. gov't agents who do so very much to deceive and scare or terrify us, ever be trusted to protect us? It doesn't add up or make sense, right? And so these are not people who will protect you and yours. These are people whom you and yours need protection **from**.

And so who can you rely on but yourself? And who else can you turn to but your tried and true fellow citizens? So draw your wagons into a (local common) circle, and prepare for and await the terrible attack of these official, governmental, state terrorists. "Forewarned is forearmed."

* * * * *

As in this latest JTTF case, these imperial anti-Christ or "jewish"-Amerikan secret policemen say they very much want to **stop** terrorism, and **before** it occurs. But aside from all these agent provocateur cases of theirs, there is a well-known case of the NYC world trade center of 1993, wherein these imperial secret policemen not only secretly **concocted** or **created** the terror-plot, and not only refused to **stop** it, but even provided the explosives!

Don't take my word for it. Look it up. Google it.

Don't believe it? Don't want to believe it?

That's understandable. But sticking your head in the sand, ostrich-like, is no defense against it/them.

The Truth is your friend. Seek it. Find it. And act on it. It's your only change for success, or even survival.

And so with police like these, who needs terrorists?

With "white knights" like these, who needs dragons?

With "protectors" like these, who needs predators?

And with Satanic "shepherds" like these, who needs demonic wolves?

We've got them right here, and in the highest offices in the land—just as it was in their "jewish"-Soviet Union."

I will answer my question: "With shepherds like these, who needs wolves?" Or "with police like these, who needs terrorists?"

They do—in order to pretend to be our shepherds and "anti-terrorist" protectors from these very alleged terrorists—as in this very case. Do you see? They were clearly hoping and plotting to create a "terrible" JAM-dragon or -wolf. And why? In order to pretend to protect us all from it. And this is not the exception, but the terrible rule—the terrible rule of Bloomberg and Bush, and their imperial secret police. This is their terrible and deceitful "method of operation."

And so, why should those who clearly want to scare or terrorize you and your family, want to protect you and your family, and your country? They clearly don't, right? But they constantly **say** they do. And so they're constantly **lying** to you, right? Why? To keep you and yours as far away from the terrible truth as their lies and pretenses can possibly accomplish?

And is the fact that they (your anti-constitutional disarmers and self-alleged protectors) will not "permit" you and yours to protect **yourselves** from any and all alleged terrorists, evildoers, criminals, enemies, etc, not another vital clue?—as to who they really are, and what they really intend?

And why not? Why do these "jewish" "public officials" and secret-policemen thus seek to disarm us all?

Is it not because they crave and plot for total power over us Gentiles? And they are using their U.S. gov't or state-sponsored terror to achieve it? And they don't want our patriotic American buck-shot in their officious, traitorous, state-terrorist behinds?

* * * * *

"But the United States' constitution is our sacred and inalienable right and liberty to "keep and bear arms."

They deny that. They say it isn't. And all their anti-constitutional (and therefore anti-American) judges agree by their silence, compliance, or complicity.

And so what is clearly needed are rights and liberties far more sacred and "inalienable" than were ever contained in or "guaranteed" by any constitution. What is clearly needed are **divine** rights. For divine rights trump human rights every time. For whatever humans give, such as constitutional rights, humans can take away, as today. And so what you and yours

need are rights and liberties that no human can ever take away, and which only a would-tyrant, demon or “evil-doer” would ever even **try** to rake away—and therefore **divine** rights, liberties or powers. For divinity trumps humanity every time. Can you see that?

Because a tower or two mysteriously falls or is secretly blown down, we no longer have any (constitutional) protection from tyranny?—from governmental/secret police tyranny? I don't think so. But these tyrants can pretend so only because constitutional rights are merely human rights—rights or liberties which humans give and take away from others humans, such as these tyrants have done to us today, and every day since their alleged “day that changed the world forever.”

(And is this not a motive, and a clue as to why that day came, or why they made or allowed the “terrible” events of that day to occur? So these united snakes would have an excuse or cover-story to do what they have in fact already done: to change the Gentile world forever, they hope, both in and outside of the U.S., as pre-planned by this PNAC gang of imperial conquistadorial “jews”? You know, their “Project for Their New [and ‘jew’] American Century”?)

And so constitutional or human rights are a trap—a tyrannical “jewish”-communist trap. So go with God instead, and thereby be forever free from all such tyrannical plotters and terrible evildoers.

Only God is a sure foundation; but humanity is, was, and shall never be.

Can you dig it?

* * * * *

Reprinted from above:

From the flagship station of “jewish-Amerika’s Central Broadcasting Company, WCBS NY, Sunday, June 3, 2007, Scott Weinberger, reporting:

(CBS) [TV–Ed.] NEW YORK **Russell Defreitas**, a U.S. citizen native to Guyana and retired airport employee **was the mastermind behind a plot to destroy John F. Kennedy International Airport, kill thousands of people** and trigger an economic catastrophe **by blowing up a jet fuel artery that runs through populous residential neighborhoods, authorities said Saturday** [June 2, in a Manhattan news conference–Ed.].

....Jeanie Mamo, a spokeswoman for the White House, said President Bush had been briefed and updated regularly as the investigation into the plot progressed.

* * *

[And foxnews.com, repeated this on Monday, June 04, 2007: “Authorities Hunt Fourth Suspect in JFK Bomb Plot in Trinidad”:

Jeanie Mamo, **a spokeswoman for the White House, said President George W. Bush had been briefed and updated regularly as the investigation into the plot progressed.**

“This case is a good example of international counterterrorism cooperation,” Mamo said.

This means that the United States’ imperial secret police (Bloomberg’s and Bush’s “Joint Terrorism Task Force”) were working in concert with the Guyanese and Trinidad secret police/gov'ts. And this confirms Trinidad PM Manning’s statement above.

And now back to WCBS TV of NYC.–Ed.]

* * *

The arrests mark the latest in a series of alleged homegrown terrorism plots targeting high-profile American landmarks.

A year ago, seven men were arrested in what officials called the early stages of a plot to blow up the Sears Tower in Chicago and destroy FBI offices and other buildings.

A month later, authorities broke up a plot to bomb underwater New York City train tunnels to flood lower Manhattan.

And six people were arrested a month ago in an alleged plot to unleash a bloody rampage on Fort Dix in New Jersey.

....[NYC-Ed.] **Mayor Bloomberg** was [also-Ed.] briefed about the plot, [and-Ed.] issued this statement: "The fact that plotters conspired to plan an attack on John F. Kennedy Airport is **another reminder that in today's world we face constant threats from people who want to take away our freedoms and destroy our way of life. Working together, NYPD and other local and federal law enforcement agencies have been on top of this unfolding plot for months, and they deserve our thanks and praise. ["On top" is right. It's their plot!-Ed.] This plot was only in its planning stages and at no point was anyone in imminent danger. New Yorkers should be comforted that the layers of safety provided by [Bloomberg's "Joint terrorism Task Force"-Ed.] counter terrorism officials stopped these individuals before they could do any harm to our way of life."**

They can have the friggin' airport. Just give me back my constitution, my sacred liberties and my, God-given, "inalienable" rights, you communist-zionist "jew." For such as **these** constitute my **way** of life, although clearly not yours. And furthermore, I have no intention, nor did I ever agree, to trade in my constitutional liberties for your alleged protection from "terrorism" or anything else.

For how do we know you and your "Joint Terrorism Task Force" are not the terrorists here, there and "Uncle" Satan knows-where-else? How do we know it isn't you, your kind and your official underlings that we all need terrorist protection from? Who's going to investigate you and your investigators?—besides thehouseoftroy.com

Your Manhattan state prosecutor Morgenthau, the eternally-reigning son of the starver, mass-murderer, genocider and holocauster of Germany?—**after** they had "unconditionally surrendered" to all those "beastly," imperialist, Super-Nazi and genocidal anti-Christ/"jewish"-Amerikans: Rosenvelt, Eisenhower, Morgenthau, etc., etc., etc.

(See "the Morgenthau Plan" to starve Germany—an Historical object lesson, along with Japan, for all Gentiles to forever know whom **not** to ever, ever surrender to. And it appears the Iraqis, like the Vietnamese before them, have gotten the Historical message. But will the Americans themselves learn from their own Satanic modern history?)

And so how, dear readers, do you know this is not so: that your "shepherds" are not in fact your ravenous wolves in "anti-terrorist" clothing?

You have now read and found out. And your information is every bit as good as your source.

"And you shall know the Truth, and the Truth shall make you free." (John 8:32)—from the Satanic enemies of the Truth and their terrible lies, pretenses and slanders.

For these demons are enslaving you and yours via their terrible lies, slanders and pretensions to **save** you and yours from "terror," "evil," harm, or what-have-you?

* * * * *

And yet, if you notice, they will not “permit” you and yours to save **yourselves** from “evil,” “evil-doers,” “terror,” “terrorists” or any other enemies.

(Again, when then does this mean, signify or portend?)

Is it a true and faithful, loving and protective father (or shepherd) who thus renders his children (or flock of sheeple) entirely **incapable** of self-defense? Or is it not the **anti**-father and the Satanic **wolf** who behaves in precisely this way? And you know why—so they can’t defend themselves from **him** (and his terrible, predatory wolf-pack).

For such treacherous demons as these plot, crave and dictate (or “legislate”) to disarm you and yours, to outlaw, criminalize and persecute your self-protection, and thus to make you all the more subject to **their** alleged “protection” (from “evil,” “terror,” “terrorists,” “evil-doers,” etc.), and hence all the more **vulnerable** to **their** attacks, and also the attacks of other enemies—but especially from **these** attacks by **these** anti-Americans within **your** public offices and from their most violent and official underlings—i.e. those secret police dogs with **badges** and the **exclusive** mayoral and tyrannical right to own and bear arms (against you and yours).

And that’s precisely why America’s founding fathers granted you and yours **their** sacred and “inalienable” constitutional permit to own and bear (or carry) arms (or weapons): Because they well knew that tyranny would **not** (permit you), and that no one can possibly repel tyrants (and their violent hirelings) but by force of arms or weaponry. Do you see? Weaponry is the only way to get, to be, and to remain free.

* * * * *

It is truly said that “All that is needed for Evil to succeed is for good men to do nothing to oppose It.”

Are there any or a “few good men” left in the NYPD?

And why the NYPD?

Because, thanks to Bloomberg and his tyrannical, communistic, anti-American decree, all other armed men (and women) are “**criminals**” in “his” city. The tyrant thus declares it a “**crime**” for any of his “subjects” to be able to defend themselves against their enemies—and hence **especially** against the tyrant himself (and his armed and murderous thugs and terrorists). And the United States constitution is thus decreed null, void and an **outlaw** within Bloomberg’s outlaw realm. And if it were a person, it would perhaps be “wanted by [Bloomberg’s] LAW” in connection with encouraging and promoting freedom, liberty, justice, and the American way of life within Bloomberg’s tyrannical “jewish” realm.

And this Bloomberg enjoins and encourages all other would-be urban or mayoral tyrants to join him in his “jewish”-communist anti-Americanism by similarly murdering (despotically or “legislatively”) the U.S. constitution (amendments 2, 1, 4, etc.) within their metropolitan police-states, and hence by similarly outlawing, jailing and persecuting all real and true Americans and patriots, and defenders and upholders of their constitutional rights—which all elective public officials America are sworn to defend. (And so clearly the majority swear falsely. Why then should we regard or believe **anything** they say, or swear?)

* * * * *

And the well-known gun violence of negroes, e.g.—(so often cited as “justification” by many of these would-be mayoral, urban, gubernatorial and congressional tyrants)—is no argument for citizen disarmament, the end of constitutional rights, and the creation of “jewish”-communist police-states and prison-states—as tyrannical these “jewish”-communists insist, even as they dictatorially or “legislatively” force negroes upon you and yours—(in the Satanic “holy” names of “racial equality” and “racial integration”)—all the while carefully protecting and segregating their very own “jewish” people from negroes.

Do you see? The “jews” racially scatter or disintegrate us Gentiles and call it “racial integration.” But if you notice, they never ever racially “integrate” (i.e. disintegrate) themselves, but always maintain the strictest racial segregation—as in their “Israel” and in their super-racist organizations (“B’nai B’rith,” etc.). In other words, this forced, coerced, tyrannical or “jew”-“legislated” “racial integration” is a “jewish” racial poison which “jews” brew only for us

Gentiles, but will never drink themselves, knowing all-too-well what it is, and whom they racially hate, plot against and seek to poison, and whom they thereby want to destroy: racially, socially, politically, “legally” and genetically.

And so the “jews” use the negroes as black attack dogs against us white Gentiles. But if and when the negroes should ever turn upon their super-racist “jewish” masters, as in Crown Heights, Brooklyn, then the “jews” sing an entirely different song. Do they not? And why? Because then it’s **their** ox that’s being gored, instead of ours. And that makes all the difference in the world to them—that their black attack dogs should attack **them**, instead of their intended Gentile racial prey: us and our children.

And so the politically correct answer to any and all such “jewish”-gov’t tyranny and social sabotage is not **less** Gentile citizen liberty and constitutional freedoms, as the “jews” insist, but rather **more**. For that’s precisely what tyranny is: the lack of citizen freedom and firepower. We’ve presently suffering under such terribly oppressive or “communist” “jewish” tyranny precisely because we lack liberty—having been treasonously and constitutionally deprived by the Bloomborgs of the world. Our loss of liberty is the tyrant’s terrible power, and our gain is his/their loss. So let’s reverse that, now and forever. Shall we?

And so we reply to our tyrants and would-be tyrants: “On the contrary, this well-known murderous gun violence of negroes (and others, such as Mestizos and “Russian” “jews”) is instead a convincing argument and reason—not only for our constitutional right to keep and bear arms—but also for our racial choice, our racial liberty, our racial free-association and our racial/national self-determination—the very kind which you tyrannical/communist ‘jews’ enjoy, but ‘legislatively’ deny to everyone else—i.e. us Gentiles.”

As a rapist will not take a woman’s “No” for her answer, so these evil communist “jews” will not take our collective “No, thank you” for our racial/national answer: “No, thank you. We’re far better off without you, your attack-dog minorities (against our Gentile majorities) , and your alleged protection (from ‘terrorists,’ ‘evildoers,’ criminals, etc.). We at last see through you demons and your Satanic lies, coercions, tricks and pretenses. Get away from us and our loved ones. Go to Hell and stay there.”

Learn to live for yourselves, dear readers. Learn to stand up, defend and protect yourselves and your racial/tribal/national “interests.” “Do what’s good for you, or you’re not good for anybody.” Stop being a victim. Stop being the racial/national prey of predatory “jews” and their evil “minority” allies.

And note well how and why you have nothing but racial enemies in “your” public offices, who not only never tell you nor point out these vitally true things, but who are all the while doing all they can to destroy you and your race for the Super-Nazi “jews”—and especially if you are European or “Aryan,” like me and mine.

To Hell with “Uncle” Satan’s “great [Babylonian] society.” That’s where it’s going anyway. You can see that, right? Just look where Its taken you and yours thus far—straight into this most Hellish place of racial predation and strife. Do you think if you ask It politely that Satan will stop going where Its going, and dragging you and yours along...and down.

Hell no! And so down with “Uncle” Satan’s “great [Godless, atheist, ‘jewish’-Marxist, communist, Babylonian] society.” And up with you and yours!

* * * * *

Use your heads, dear readers: Think, think, think. Seek and find the Truth. For the truth will set you free, from delusions, falsehoods, pretensions, slanders and lies—including such terrible, Satanic and “jewish” ones as these.

If Bloomberg and his “Joint Terrorism Task Force” are secretly plotting and perpetrating all these terrible evils to scare or terrorize you—(and they certain are, as I have amply shown, demonstrated and proven above, even via their very own documents and statements)—then how can they possibly be trusted to **protect** you? If they are thus trying to scare, terrorize and deceive you into trusting them, then how can they possibly be trusted?—by you or anyone else? If they are deceitfully and traitorously fabricating, fomenting, provoking and presenting these domestic and international terrors and evils—(which, again, they most certainly are)—

and which they then carefully and orchestratedly **spring** upon you and yours as if they had just **saved** you from some great and terrible evil, as we saw and heard them do above, then how can you believe or trust **anything** they do or say? If they will go to such terrible lengths to do such terrible things to you, as to try to terrorize and stampede you and your fellow citizens into their gaping and awaiting “jewish”-communist, police-state corral, then how can you possibly trust them to do **anything good** for you and yours? You can’t, right? Just look how far these NY city, state and governmental terrorists with police badges will go to perpetrate these evil and terrible things **against** you and yours? How then should they ever do anything good **for** you?

Bloomberg’s “Joint Terrorism Task Force” say they are **anti** terrorists. But surely the most anti-terrorist thing to do is to publicly expose these true terrorists and their secret methods and purposes. So don’t you wish someone would, dear readers? And should we look to the governmental **source** of these domestic and international terrors for this expose of domestic and international terrorism? Is it the nature of Evil to reveal Itself?

Think: Who, among the gov’t officials of NYC, NY state or the United States, will reveal these terrible truths to you about these terrible evils that they do? And so this means they’re all a part of it, and are all working **against** you and yours? Can you see that? For what is your or America’s future to them, besides their wretched careers of evil, and the tax and blood-money they are paid for their terrible “public services”? They are using your extorted wealth and productivity to terrorize and terrify you and yours. Can you see that?

So surely these people are not your friends, but rather your enemies, your **public** enemies, public enemies with badges, guns and the most terrible state-of-the-art-of-warfare explosives imaginable. (It’s still not known exactly how they brought their 9/11 towers down. But clearly it wasn’t by burning jet fuel/kerosene.)

So surely these people mean you and yours great, terrible and irreparable harm. For they clearly plot and seek, through such “terrible” lies and slanders, to enslave you and yours under their “alleged” protection—their “jewish”-communist-soviet police-state “protection.”

(And so that’s why you (and America) so desperately need the Truth. For only the Truth can set your mind free (from these Satanic “jewish” lies and pretenses). And only when you mind is free, can your body follow, and American be saved.)

And there is no one more subject to the terrorism of others than a prisoner on a rack, or a prisoner within a terror-state. And every “jewish” state, whether their “Soviet Union” or this “Israel,” is in fact a terror-state and a state of terror—a state created and maintained by terror, fear, violence, murder and mass-murder.

Remember what Franklin said: Those who foolishly surrender, exchange or trade in their liberties for mere promises of safety will eventually end up with neither.

And is this not exactly what these state-terrorists are trying to get us to do?

So get smart! Open your eyes! Wake up from your “jewish”-mass-mediated slumber and smell the terrible “jewish”-tyranny. Look at the terrible evidence without fear of the Truth. For Truth is your Friend. See all the through all these transparent lies and official “jewish” pretensions to the well-hidden and demonically-hated Truth concealed behind them.

* * * * *

Surely all those who seek to disarm you and yours, are clearly no friends of yours, but rather ravenous wolves in shepherds’ clothing, and enemies disguised as your loving and protective friends.

Surely Bloomberg and his tyrannical “jewish”-communist kind crave to completely disarm you and yours so that you may **not** be able protect **yourselves** from **them**, as well as from any other enemies, “terrorists” or “evil-doers,” and so that you and yours will be entirely defenseless, and dependent upon (and vulnerable to) **their** so-called “protection”—i.e. their “jewish”-Marxist-communist, police- and terror-state “protection.”

And again there’s no one more in need of protection than a good or Godly Gentile in the terrible hands of “jews.”

But how could anyone who truly loved you do such terribly evil things to you—as to repeatedly try to terrorize you and yours into their awaiting and pre-planned “jewish”-communist, police-state-prison system?—which are the gaping “soviet” jaws and claws of these Satanic “jewish” beasts.

If you can't see through such obvious lies and pretensions as these, then what hope is there for you and yours?

And if you'll willingly or cowardly fall for these obvious falsehoods, then what falsehoods **won't** you fall for?

Those who would be free, cannot be so stupid. For stupidity and Liberty do not and cannot go together, walk together, nor live together. If you have one, than you cannot possibly have the other. And the same goes for cowardice. It too is no friend nor companion of Liberty.

And so you have a choice to make, dear readers. So choose wisely. Choose Liberty, personal power, self-ownership and self-sovereignty. And to Hell with Tyranny!

And if America and the whole stupid, cowardly world should prefer imperial or Super-Nazi “jewish” tyranny or “protection” over self-sovereignty, and hence self-protection, then why join them?

Yes, “Misery loves company.” But that's no good reason for you and yours to jump into Hell to keep Misery company, now is it?

(“But as a democrat in a democracy, I have no choice, but to join the Majority.”)

In that case, become a republican within a republic.

(“What's the difference?”)

Perhaps the house of troy will soon explain, within his auditorium.

* * * * *

On Bloomberg's “Way of Life”

....[NYC-Ed.] **Mayor Bloomberg** was [also-Ed.] briefed about the plot, [and-Ed.] issued this statement: “The fact that plotters conspired to plan an attack on John F. Kennedy Airport is **another reminder that in today's world we face constant threats from people who want to take away our freedoms and destroy our way of life.** Working together, NYPD and other local and federal law enforcement agencies have been on top of this unfolding plot for months, and they deserve our thanks and praise. [“On top” is right. It's their plot!-Ed.] This plot was only in its planning stages and at no point was anyone in imminent danger. **New Yorkers should be comforted that the layers of safety provided by [Bloomberg's “Joint terrorism Task Force”-Ed.] counter terrorism officials stopped these individuals before they could do any harm to our way of life.**”

And as for Bloomberg's “way of life”—to which he publicly referred to above: Did you know that he (and his “popeyed” police commissioner) have tyrannically decreed it a “crime” for fifty or more Gentiles to assemble within their despotic domain, their (Jew York) city, without their prior and written permission? And they are actually abducting or kidnapping (“arresting”) American citizens right off their city streets and parks for this Bloombergian “crime” of not possessing this mayoral/police permit, specifying time, place and duration of your Bloombergian permission to exercise your constitutional right of assembly in Bloomberg's Jew York City.

(I say “Gentiles” because there's no way Bloomberg and his Gentile front would ever arrest “jews” for assembling, gathering, or congregating. And every NYC policeman knows it.)

It's unbelievable, but it's true! And in American too! Bloomberg and co. have thus outlawed the United States constitution within their tyrannical, communistic, anti-American domain. Can you see that?

For, as it itself states, the constitution is itself ample and sufficient permission. For otherwise it's nothing—as Bloomberg had thus decreed it—null and void without his official stamp. Can you see that?

Either the U.S. constitution is its **own** permission, or it is nothing. And Bloomberg and his anti-American police are clearly saying that it's nothing. And no one is contradicting him! In other words, everyone is enabling this tyrant!

And this is Bloomberg's "way of life"—his tyrannical, Marxist, communist "way of life." It is the "**jewish**" or **anti-American** "way of life." And it is death or enslavement to all Gentiles.

And so either Bloomberg is **lying** in the quote above, when he speaks of "our way of life," or else he's speaking exclusively to his fellow "jews"—as when he travels to "Israel" (i.e. "jew"-invaded, "jew"-conquered and "jew"-occupied Palestine) and tells his fellow "jews" therein that "his" (Jew York) city—which twice he bought for around \$160 million in political propaganda/advertising—is entirely behind them, and hence entirely behind whatever terrible, torturous, murderous and mass-murderous evils they are pleased to continue to inflict upon the Gentiles in "jew"-occupied Palestine, in the middle east, and presumably anywhere else on God's ("jew"-swine downtrodden) globe.

And now this billionaire Bloomberg wants to buy that other "beastly" or imperial "whore of Babylon"—Washington D.C., so he can deliver the entire "jewish"-Amerikan **empire** to his foreign anti-Christ people, race, nation and cause—(as if Bush II isn't doing a "good" enough job, or simply in merely realizing that this Gentile "jew" (or "Christian-zionist") will soon need to be replaced (via "term limits") as the top or highest "jewish"/"Israeli" foreign agent within (and atop) Washington D.C.

* * * * *

And that's not all: For with the constitutional right or liberty to assemble goes (rises or falls) the right to **speak** to that assembly. And that's why they're both placed or grouped together (speech and assembly) within (the 1st amendment of the "bill of rights" of) the United States constitution: "Congress shall make no law...abridging [or restricting, much less outlawing—Ed.] the freedom of speech, or the right of the people peaceably to assemble,..."

If "the people" can't assemble, then neither can you nor I (nor any other "politically incorrect" non- or anti-communist) possibly **speak** to them—unless we can afford (and are permitted) to rent Madison Square Garden or some other assembly hall. For this communist, zionist, "Israeli" "jew" will not allow it, as during his mayoral reign of terror during his ("jewish"/zionist/"Israeli") "republican" party convention of 2004, held within "his" anti-constitutional (and hence anti-American) city and state of "jewish" tyranny, Jew York City.

(Don't miss Constitutional Liberty, Mayoral Tyranny and the NYC Zionist-'Republican' Convention of 2004, free for the taking from you-know-where.)

And so if Congress can't outlaw or even "abridge" speech and assembly, how then should this mayor Bloomberg get away for so many years with doing exactly that?

How it is that America's highly touted "checks and balances" have entirely failed to "check" this anti-Christ/"jewish"-Amerikan tyrant? What "checks"? What "balances"? For this mayoral oppression of the citizenry and their constitutional rights and liberties has been going on for years now, ever since 2001, when this Bloomberg first bought the New York City mayoralty—whore that she is.

Obviously Bloomberg could never have done this alone. He has enjoyed the fanatical support of his fellow "jews" and communists in NY city, NY state and Washington D.C. Otherwise he could never have gotten away with it. And this, unfortunately and admittedly, includes the New York City police department.

Again, "All that is needed for Evil to succeed is for good men to do nothing to oppose It." And this is precisely why Evil has succeeded and is enthroned in Jew York City and Washington D.C.

* * * * *

And that's not all: Bloomberg has also been incessantly plotting to disarm all Gentiles, filing frivolous lawsuits against American gun manufacturers, and encouraging his fellow urban tyrants or would-be tyrants to do likewise.

And why? He'll say it's to make the city (and country) safer, as I explained above.

But really, it's all the "better" to thus violently impose his clearly intended "jewish"-Marxist-zionist-communist tyranny upon an unarmed (and hence defenseless) Gentile citizenry.

And it's "clear" to me because he's done so already, so far as he could. But of course it's not enough for him and his kind. For tyrants can never get enough power—or in other words, they can never quite degrade (diminish, dis-empower, disarm) their subjects quite enough.)

As it is a "crime" in Jew York City to (exercise one's constitutional right to) assemble without prior written mayoral/police permission, so it is a crime to "keep and bear arms" without said written permission. In other words, what is a "crime" and a "criminal" in Bloomberg's Jew York City is the United States' constitution and all its adherents and supporters. Can you see that? I clearly can.

And yet this Bloomberg twice took a solemn oath to uphold, preserve and defend this very same constitution from all its enemies, foreign and domestic. And he himself is its very foreign ("jewish"/"Israeli") and domestic enemy. So go figure.

* * *

And can you imagine, dear readers, how far a lawsuit by **Arab- or Palestinian-American** citizens against American weapons manufacturers for supplying the murderous "**Israelis**" with their "weapons of mass destruction and mass-murder," would be allowed to proceed in and up the American court system? Not very far, I'd venture to say.

And so again and again and again we see the same God-damned thing: There's one law for the "jews," and another law for us Gentiles, and the "jews" write, dictate or "legislate" both.

* * * * *

Question: Doesn't Bloomberg's tyrannical outlawing of the United States' constitution—(and hence the sacred rights and liberties enshrined therein (e.g. speech, assembly (1), weaponry (2), freedom from police/military searches (4)—"harm" and "destroy our [Gentile American-Ed.] way of life"?)

So what is this tyrannical Bloomberg talking about? Whose "way of life" is he pretending to be protecting? Certainly not **ours**, and certainly not **America's**. Can you not see and hear how this tyrannical Marxist, communist, zionist, "Israeli" "jew" is thus publicly **mocking** us Gentiles with his lies and pious pretensions?

And is this very Caribbean case—(the hidden truth of which I have thus painstakingly revealed to you)—not "another reminder that in today's world we face constant threats from people who want to take away our freedoms and destroy our way of life"?)

Who are these people? And do they (and their secret policemen) not occupy the very highest offices in the land, "our" land?

Is their evil and secret method—(now publicly-revealed)—not to secretly or covertly scare or terrorize us Gentiles into surrendering our constitutions and our liberties—(which these "jewish" tyrants have already outlawed anyway)—to these terrifying Satanic wolves, thus disguised as our protective shepherds, in exchange for their solemn promises to protect us Gentiles?

But wait a minute: Didn't this Bloomberg solemnly and publicly promise, twice, as the mayor of New York City, to "preserve, protect and defend the constitution of the United States..."?)

Then how could anyone ever believe a word this man says? For he is clearly a smooth sociopathic or psychopathic liar without conscience, like W.J. Clinton and Bush II, and clearly an enemy of the U.S. constitution, the American people and the United States.

And so should we Gentiles allow ourselves and our posterity to be terrorized, stampeded and herded like human cattle or "goyim" by evil "jewish" gov't officials into their awaiting

“jewish”-“communist” corral of alleged “safety” from “terrorism”? Isn’t that precisely what going in here?—beneath all these Satanic “jewish” lies, slanders and pretensions: That these gov’t terrorists are pretending to save us from terror, and these evil-doers (are pretending to save us) from evil?

Isn’t it the Christian God who “deliver[s] us from evil”?

What strange gods are these, then? “Jew”-gods.

* * *

Bloomberg says, “New Yorkers should be comforted that the layers of safety provided by [his ‘Joint terrorism Task Force’-Ed.] counter terrorism officials stopped these individuals before they could do any harm to our way of life.”

But they clearly haven’t!—because these are the very terrorists and conspirators who make all this happen! And so Bloomberg and co. are the very individuals who are harming our American way of life, by plotting, hatching and perpetrating these domestic and international terror-plots, in an evil attempt to scare us all into their awaiting “jewish”-communist-soviet, police-state, prison-state and terror-state. Can you see that?

And so I hope it is as clear to you, dear readers, as is it to me, just who these “people” are “who want to take away our freedoms and destroy our way of life.”

It’s not the Mohammedans. It’s not the Christians. And it’s not the Gentiles. It’s the “jews” and their Gentile servants—their evil, anti-Christ, traitorous, anti-constitutional (and hence anti-American) Gentile lackeys, “jew”-suckers and boot-lickers.

And so New Yorkers and all other Americans should not be “comforted,” but completely **alarmed**, that their highest public offices are thus usurped and possessed by domestic and international terrorists and “jewish” communists/zionists.

(And there’s no real difference between them: They’re both “jewish” imperialists, super-racists, super-nationalists or Super-Nazis.)

And again this is what happens whenever and wherever your public offices are publicly sold or auctioned off to the highest bidders (of political propagandism/“advertising.” So don’t.

And again, this Bloomberg twice bought the New York City mayoralty for around \$160 million. And now perhaps he wants to buy “Washington’s” imperial throne. And like this Jew York whore of Babylon, the Americans have no law against it. But they should. Shouldn’t they?

* * * * *

And by way of further explanation of this Bloomberg and his foreign race and nation: “Jews” are fanatically or “religiously” conquistadorial, imperialistic, super-national or Super-Nazi. They want to conquer and enslave all us Gentiles as their “goyim” or human livestock or cattle. And this has always been so. So you’d think the Gentiles would know this by now.

And don’t let them continue to deceive you: The only difference between a Marxist-communist “jew” and a “zionist”-“Israeli” “jew” is that the former want their Super-Nazi capitol to be Moscow or Jew York City, while the latter prefer Jerusalem, and that the former pretend to love Gentiles (i.e. Humanity) while the latter (pretend to love) God.

Yeah, they (and the Romans/Italians) love God so much they nailed Him to a cross. And both these anti-Christ peoples then proceeded to steal or usurp his world-kingdom from Him. (Matt. 21:33-46) And, true to their Satanic father’s spirit, these demons didn’t and don’t call their world-conquest of God’s globe the damnation that it is, but rather “salvation.”

But what “jews” really love, as always, is themselves, their father Satan (John 8:44), and their Marxist or zionist Super-Nazism—their Satanic or “messianic” world-empire. And therefore what “jews” really **hate**, as always, is God, Truth, Justice, us Gentiles and our free and sovereign “way of life,” and hence our freedom and independence **from them**, from their Marxist-communist “way of life,” and from their anti-Christ or Satanic “jewish” zionist “Israeli” “way of life”—(or rather **death**, for us Gentiles). Just ask the Palestinians or the Russians.

The “way of life” of the “jewish”-predator is the very opposite “way of life” of their Gentile prey. So pardon me, Satan & sons (John 8:44), if I side with the latter, and hence am neither an anti-Gentile, nor a Marxist-communist nor a zionist anti-Christ—but rather a “jew”-abused,

“jew”-hated and “jew”-persecuted Gentile—as an “anti-semite,” a “nazi,” a “racist” and/or a “hater.”

For, according to Satan’s “chosen people” (John 8:44), to oppose “jewish” super-racism is “racism,” to oppose “jewish” Super-nazism is “nazism,” and not to love Evil and Its own is “hatred.”

For they are congenital liars, slanders, murderers and mass-murderers, just like their father the Devil. (John 8:44)

* * * * *

And so how many times must “jews” thus prove and reprove it to us Gentiles that they simply cannot be trusted within our public offices?—that they simply cannot be trusted to have power or authority over us and our children? For they are clearly far too racist—in fact **super-racist** and super-**national** or Super-**Nazi**. “Jews” are far too pro-“jewish”—i.e. **anti-Gentile**. In fact, they are **fanatically** pro-“jewish,” and therefore **fanatically** anti-Gentile. Isn’t it obvious? Just look at the ceaseless evils they have perpetrated against us Gentiles, and which they never ever admit—much less ever apologize for, or make restitution or pay reparations for.

And just look at “jewish”-Amerika’s (“jewish”) foreign **and** (“jewish”) **domestic** policy since 1900. It’s not called “jewish”-Amerika for nothing, you know. But this is to be expected when you ignore the warnings and sage advice of your “founding fathers,” such as Franklyn and Washington, to exclude “jews” and hence to avoid their ceaseless plots, wars, snares, traps or “entanglements.” (See e.g. the “Franklyn prophecy” and Washington’s “farewell address.”)

And this is to be expected when and wherever your public offices are for sale, and are in fact publicly auctioned off to the highest bidders (of broadcast political propaganda/“advertising”).

I have written and shown the way out for America and the other Gentile nations. It’s called Twin Problems and Solutions, both Political and Economic/Monetary. It’s been available for a few years now. And it’s always been completely free from thehouseoftroy.com

So the Gentiles should take a look and read a book before they all find themselves in a “jewish”-Amerikan or “jewish”-European “soviet union.” Don’t you think?

Or else they can all continue to go to “jewish”-communist hell, and thus take their poor children and unfortunate posterity along with them. But they can never rightly say that I didn’t try for years to save their unworthy and ungrateful asses.

* * * * *

And in conclusion, if these pseudo-justified, post-9/11 tyrannies of Bush and Bloomberg stand, I mean all these New York city, state and super-state tyrannies despotically imposed under the false and deceitful cloud or fog of that alleged “day that changed the world forever,” then American will be dead and buried along with it. And you can play “taps.” For you cannot have both liberty and governmental enslavement or tyranny. They do not and cannot go together. One “way of life” must succumb to the other.

And so either Bush’s and Bloomberg’s “jewish,” Marxist, communistic, authoritarian, totalitarian and tyrannical “way of life” will (continue to) kill and destroy America’s, or vice-versa. The two are incompatible. They cannot live together. For the former clearly craves and ceaselessly plots to murder the latter. And so one must die, or go away.

And so if these post-9/11 lies, pretensions, slanders, tyrannies and usurpations of Bush and Bloomberg stand, then American will be dead and buried, and the only thing left to do, after playing “taps,” will be to come out of evil empire of these traitorous “jewish” anti-American victors—to declare, support and defend your local or regional independence from this Satanic “jewish”-Amerikan empire or “beast.”

For just because “jewish”-Amerika goes to hell, that’s no good reason for you and yours to join it, is it? Let the **whole world** got to hell, if they insist. But don’t **you** join them. For that is suicide, and a crime against yourself, your children and your posterity—the crime of suicide, Satanic self-sacrifice, familial disloyalty and treachery.

This “America” is said to be voluntary “union” of states, is it not?—even in the light and warlike afterglow of Lincoln’s most violent, belligerent, murderous and tyrannical disagreement with that Washingtonian proposition of a **voluntary** “union” of free and sovereign states?

And so if you and your family, your town, county and state are free to join such a voluntary political union, then you are every bit as free to un-join, to get out of it, to free yourselves, to come out of the evil empire—to come out of this “jewish”- (and therefore anti-Gentile and anti-Christ or Satanic) -Amerikan “beast.” Aren’t you? Can you see that?

Then what do you think? What will you decide? Are you a free American? Or are you a Gentile slave of Bloomberg and co.’s “beastly,” imperialistic, supernational, Super-Nazi, communist and/or zionist “sinagog of Satan”? (Apo./Rev. 2:9 & 3:9)

* * * * *

There’s simply no future in a city with a mayor like Bloomberg and his imperial secret police. There’s no future in a country (or empire) with imperious misleaders and deceivers like the Bushes—or the Clintons for that matter. And there’s no future in a police-state, a terror-state, or an imperial secret-police terror-state.

And so: Come out of the evil (anti-Christ/“jewish”) empire, all ye Americans. Mind first: Body will follow. Come to freedom, self-liberation—(is there any other kind?)—and prosperity.

Start with self-representation, free-association and honest money. You know where to go to find all needful directions and instructions: thehouseoftroy.com

I’ll be waiting for you. I’ll leave the Light on.

“There is a Light and it never goes out./There is a Light and it never goes out.” (infinite repeats)
